THANK YOU

Respected Sir,

Greetings from Marrow Donor Registry India. At the outset we the people of MDRI would like to thank you and your esteemed 'Thadomal Shahani Engineering College' for the unconditional and immense support towards this noble cause of saving lives. It was a pleasure for us to see the staff and students of your college come forward to register altruistically and give their blood sample to donate their Stem Cells for a needy patient at the time of requirement.

Please accept our sincere thanks for the excellent support provided by you and your NSS student volunteers in organizing and hosting our MDRI drive on the 7th March 2019. We wouldn't have been able to experience this overwhelming response from your students if it wasn't for your leadership and kindness towards this cause.

I would like to thank the NSS organizing team with project leaders Venkat Subramanian, Simran Singh and Uday Mhapsekar who led this event with total sovereignty and diligence.

My special thanks to all the NSS volunteers who stood by us and handled the event with thoroughness.

Last but not the least we thank your students who came forward as life saving donors for the needy patients around the world. We registered **285** donors.

Subject: Orientation Program for Participating Institution (PIs) in UBA

Dear Sir/ Madam

Congratulations to all the Participating Institutions selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD).

We are glad that you have applied and got selected for the program, most of you may be new to the program. It is thus desirable that you know more about it right at the outset.

We are therefore happy to invite you for an orientation workshop for Unnat Bharat Abhiyan on 25th April 2018 at All India Council for Technical Education, Auditorium New Delhi (AICTE, Auditorium). The UBA program will also be formally launched by Shri Prakash Javdekar, Honorable Minister, HRD, GOI that day and would share his thoughts about UBA as well as expectations from the PI's. A detailed program is attached herewith for your reference.

The immediate step is to select a cluster of at least five villages in consultation with the District Collector if you have not already done so. Please login for registration and upload the list of the selected villages at the earliest, latest by 19th April 2018 on UBA website portal. This is a prerequisite for attending the Orientation Workshop. Also inform the District Collector about the villages selected and upload a scanned copy of the letter received in his office. Similarly upload a consent letter from your head of the Institution agreeing to participate in UBA activities and provide all required facilities for the same. A format for the consent letter is attached herewith.

Also upload the name and contact details of UBA coordinator for further communication at your Institute. I hope your institution will be able to bear TA/DA etc for participation in orientation workshop. Local hospitality like lunch, tea, snacks etc will be taken care by the organiser.

Your participation is important for this workshop. Looking forward to meet you on 25th April at New Delhi.

Regards and best wishes for your institution for contributing India's development.

With Regards,

Dr Virendra K Vijay

Sub : Regarding Scrap Drawing Sheets.

Dear Sir,

Thank you very much for your kind co-operation in donating us the scrap drawing sheets of your students. These sheets are being used by our trainees for writing notes in Braille (a sample is enclosed for your information).

It is needless to say that since we have around 100 inmates we require huge quantities of such drawing sheets. We will therefore be greatly obliged if you can let us know as and when such sheets are available on a regular basis.

Thank you once again for your kind co-operation.
