EBSB QUIZ REPORT

As an initiative taken by the Government Of India , the Ek Bharat Shreshta Bharat (EBSB) aims to promote India's diversity , through linguistic and cultural interaction among students, and the EBSB committee of Thadomal Shahani Engineering College, is pleased to have played its part, and contribute to this, through a quiz centred around our paired state of rich culture and heritage, Odisha, the event held in college with an aim to promote a mutual understanding, and integrate cultural and social alliances with our fellow countrymen.

The quiz was centred around the culture, heritage, history, politics, geography, and technology of Odisha. It was held in the Seminar hall, New Building on Saturday, 29th February 2020, from 12pm-2pm .

It comprised of 6 teams, of 3 members each , one from each branch(Computer, Information technology, Electronics and telecommunication, Chemical, Biomedical, and

Biotechnology) giving it their best, and battling it out to clinch the coveted trophy, and bring glory to their respective departments by putting their minds together, and co-operating as a team.

There were 6 teams participating in the quiz, and was looked on by students, and members of the EBSB Committee of TSEC

There were 3 questions for each of the 4 categories (Culture, history, politics, and geography)- 1 for 10 points, another for 20 points, and a third for 50 points (this question had a negative marking of 20 points). The fourth round was a Rapid fire bonus round with 1 question from each category worth 100 marks, but had a negative marking of 30 points.

The prestigious trophy for which each team put up a tough fight

After an intense, and hard fought battle of 4 rounds, the chemical engineering department emerged victorious, and bagged first place with a mammoth 140 points to clinch the

coveted trophy. The team consisted of Heet Vora, Rahul Singh, and Siddhesh Chalke, who put their minds, and knowledge together to guide their team to victory.

(From left to right) The winning team of Rahul Singh, Heet Vora, and Siddhesh Chalke crowned champions, and awarded the prestigious trophy by the EBSB Committee Co-ordinator, Dr. Arti Deshpande

They were awarded a certificate of merit, as well as a trophy for the department, and congratulated by the EBSB co-ordinator of TSEC, Dr. Arti Deshpande, Principal, Dr. G.T. Thampi, and by all the other teams for their achievement.

The winning team with the entire EBSB Committee of TSEC

The EBSB Committee of TSEC wishes the winners a hearty congratulations, and extend our gratitude to all the teams for participating in this premier event, as well as to our Principal, Dr. G.T. Thampi, and EBSB Co-ordinator of TSEC, Dr. Arti Deshpande for guiding us and helping make this event a grand success!

(Starting from right to left) The winners of the EBSB Quiz from the Chemical Engineering department, Heet Vora, Siddhesh Chalke, and Rahul Singh are congratulated by Principal, Dr. G.T. Thampi

Report Name : Odisha Film Festival

Report Description :

The Odia short film, Ghubukudu, which is based on the struggle for survival of traditional stunt artistes, has been officially selected in two international film festivals is watched by students in college campus.

“The film shows how a family, which survives on this art form, suffers in poverty, while no one comes forward to help them in their time of need. These artistes live in abject poverty despite being so talented. The music and songs have the real feel — the way the performers sing and appeal to people to pay them by narrating their own pain,”

The film features Pabitra Kumar Dandasena, Rejina Behera and Srijit Shubhankar Raiguru playing the roles of the **Ghubukudu** artiste and family members.

Building a better working world

TechWave

Building exceptional careers in this transformative age

Dear Placement SPOC,

The transformative age is about new technologies that are changing how we live, work and do business. At EY, we believe that this age is there to unlock human potential, and accelerate new and better ways of working. Thus we are focussed on leveraging the power of digital to be bot builders and cyber gurus, performance improvers and problem solvers, data scientists and growth hackers, risk managers and confidence builders.

In our quest to bring extraordinary people together to build a better working world, we invite you for **Tech Wave**, an interactive session with our senior Partners and Talent team members. The session will cover some of EY's technology interventions to give you insights on how we leverage the power of digital to help organizations and governments navigate the transformative age.

Location:		
Ernst & Young SPL - Wavespace Office No. 401, 4th Floor, Tower 1C, One India Bulls Centre, 841 Jupiter Mills, Senapati Bapat Marg, Lower Parel, Mumbai 400013	Date: 28 November 2019	Time: 3:00 – 5:00 p.m.

Come and learn, how we make real impact for our people, clients and communities.

Requesting you to confirm your presence and share details of the participants by Tuesday, 19th November 2019.

Regards,
EY Talent Team
