THADOMAL SHAHANI ENGINEERING COLLEGE

Presents

'आरोग्यम् धनसंपदा' *Let us redefine Health*

AICTE & The Art of Living bring
Free Health Workshop

"The Art of Living" is going to conduct a free workshop for Immunity-Boosting kriyas.

The Art of Living has launched an essential series of 3 protocols of asanas, meditation and breathing practices or pranayama for different categories of people to boost their immunity, improve their mental resilience and bring a semblance of quiet and peace.

The 30 minutes protocols of Asanas, Pranayama & Meditation will be delivered in three categories of people:

A. For a healthy population in order to help them build overall immunity and lung capacity.

B. Supportive intervention of effective breathing exercises and stretches for patients with mild symptoms either at home or hospitals.

C. Supporting rehabilitation and recovery during Post Covid.

We would conduct workshop for the **A category**.
This will be a 3 day program for 30 mins each day.
Even those find difficult to do *ASANAS*, learn "Brilliant Breathing Technique"

Please fill this form to attend on **16 – 18 June 2021(5-5:30 pm)**

'आरोग्यम् धनसंपदा' *Let us redefine Health*

Useful information for All

✚ 4 Immunity-Boosting Drinks to Help Prevent Viral Infections

Boosting our immunity during the times of seasonal infections and coronavirus is most important. Here are some quick and super healthy immunity boosting drink recipes to strengthen your immune system.

👉 https://isha.sadhguru.org/in/en/blog/article/immunity-boosting-drinks-during-coronavirus

✚ Exclusive collection of Info. on Covid-19 by
Nisargopachar Kendra, Vinoba Ashram **Helpline: 9426187837 (9-6pm)**
Wide info. collection from Inst. Like MoAYUSH to the Stanford Dept. of Medicine

👉 *www.tinyurl.com/nkcovidhomecare*

✚ COVID-19 Anxiety – How to Deal With It?

Sadhguru (Isha) shares a unique perspective on how to cope with coronavirus anxiety, explaining that anxiety is not a consequence of an outer situation but is being created unconsciously from within. He says this is the time to call forth all our intelligence and resilience, step up to this challenge, and come out on top.

International Day of Yog (IDY'16) Report

Thadomal Shahani Engineering College (TSEC) observed "International Day of Yog"(IDY'16) today on 21/06/2016. National Service Scheme unit of the college, NSS-TSEC has conducted two days Common Yog Protocol (CYP) Training during June 20-21, 2016 on the occasion of worldwide celebration of IDY. This was initiated as Mr. Sachit G. Nalaskar, Program Officer of NSS-TSEC, had attended "Regional Teachers Training Program in Yog" jointly organized by Kaivalyadham (Renowned Yoga Institute in Mumbai), University of Mumbai and Ministry of AYUSH, Govt. of India for the purpose of imparting Yog training to the students.

The Nine NSS student volunteers had contributed in organizing of this event voluntarily and actively participated in the Yog Training followed by the IDY'16 celebration along with 4 other students, 4 passed out students and 10 Teachers and office staff totaling to 27 participants.

The CYP training consisted various sessions including Lectures, PPT presentations, Yogic Relaxation and Yoga Asanas on both the days. The Program commenced traditionally by lighting a Diya with the hands of Honorable Principal, Dr. G.T. Thampi followed by his motivating inaugural speech on importance of practicing Yog for youth and a common people. Mr. Sachit Nalaskar made the participants aware about the origin of Yog; Research on Yog; Major Yog Institute in India; Physical and Psychological benefits of Yog on human body. He also conducted Yogic Relaxation and CYP training to the participants. Ms. Mudita Dixit also conducted a session of Yog practice beautifully, sharing her energy and enthusiasm. Ms. Natasha D'Souza, Volunteer & regular yog practitioner of Isha Foundation gave wonderful speech on the beautiful changes and amazing benefits she has been experiencing.

All the participants were delighted on observing the Yogic practices, Mediation, observing the inner self (breath & body) to begin the journey towards Human Consciousness. The conscious actions are very much required for the Global harmony, Peace and Realization of importance of sustainable development in the view of present environmental issues. The participants gave a decent feedback for the 2 day event and admitted how they got motivated to practice Yog regularly.

As many Teachers were on vacation leave, they could not attend the event, so on their request, one more "2 Days Yog Training Program" is being organized by NSS-TSEC with the help of Kaivalyadham during July 8-9, 2016.

Report on International Day of Yog (IDY'17)

Thadomal Shahani Engineering College (TSEC) observed "International Day of Yog"(IDY'17) today on 21/06/2017. National Service Scheme unit of the college, NSS-TSEC has organized today's event. On 19 June 2017 at 8:08:20 PM IST, we received direction by the All India Council for Technical Education (AICTE) by E-mail to observe this day. We deputed Mr. Sachit G. Nalaskar, Program Officer of National Service Scheme (NSS) unit of our college (NSS-TSEC), who had undergone Yog training at various institutions and Training conducted by Ministry of AYUSH in the past. So, on a short notice, this day is celebrated by the Teachers on duty as well as by NSS Student Volunteers.

Although University Exams are completed on 15th June 2017, and during present vacation, the Five NSS student volunteers have contributed in organizing of this event voluntarily and actively participated in the Yog Training followed by the IDY'17 celebration along with the Faculty on duty.

The Common Yoga Protocol (CYP) training designed by Ministry of AYUSH as well as "UPA YOGA" Practices designed by the Isha Foundation for the purpose of IDY'17 Celebration are taught on the PowerPoint presentation and Videos to undertake the guided Yogic practices.

Brahmakumari Smita Didi from Prajapita Brahmakumari, Bandra Centre, who teach and follow Rajyoga Meditation, came and briefed about Rajyoga Meditation and conducted a session also on it. She elaborated the difference between the physical Yogic Practices and Meditation and their effect on Human Body, Mind and Health.

 All the participants were delighted on observing the Yogic practices, Mediation, observing the inner self (breath & body) to begin the journey towards Human Consciousness. The conscious actions are very much required for the Global harmony, Peace and Realization of importance of sustainable development in the view of present environmental issues.

As many Teachers were on vacation leave and so at their native places, they could not attend the event, so on their request, many more such events for teaching the Yog is being organized by NSS-TSEC with the help of Kaivalyadham and Yoga Institute, Santacruz (E) during the current academic year 2017-18.

Report on International Day of Yog (IDY'18)
Celebration in TSEC on 21/6/18

4th International Day of Yog (IDY'18) was celebrated in TSEC by taking efforts of the **NSS-TSEC** team, Strong support of the Principal, enthusiastic Teachers, Staff & Students.

CYP training was conducted by **Mr. Sachit Nalaskar**, Program Officer, NSS-TSEC, who is trained in CYP in **Kaivalyadhama** organized by the **University of Mumbai** in the first training of its kind organized with the help of the **Ministry of AYUSH** in the year 2016. Since then, IDY is celebrated in TSEC every year by conducting CYP training.

During the **first Session**, all the participants sincerely performed Yog practices and observed them within throughout. The experience of this session was apparent with visible smiles, composure and enthusiasm on the faces of all the participants.

Herbal concocted drink was served at the start. Then post first Session Refreshment was provided as A Lemon drink (non-stimulant/caffeine); Bananas & Carrot- green gram Salad to Rejuvenate for the Day; nourishment & Energy without feeling sleepy as per the Yogic culture.

Second Session was conducted by **BK Meena Sister**, who introduced & taught **"Rajyoga Meditation"** making participants aware of effect of Good thoughts and the way to connect our Pure Soul with the Supreme Soul, and that is Almighty.

All the Participants showed patience & enthusiasm during the IDY'18. They also showed their happiness and gratefulness for conducting such event on regular basis for the benefit of their personal wellbeing. They also suggested/requested conducting such Yog & wellbeing practices in the Institute on regular/daily basis as it helps in an individual's performance enhancement and improvement in all the activities in the Institute. The freshness and the blissful minds were shown through their bright faces suggesting the success of the event.

The Special guest, our Ex-Principal, **Prof. Krantikumar** was also present who agreed to come, attended & graced the occasion! Total number of participants was 22.

We, **'NSS-TSEC'** are highly obliged towards our dear Principal, **Dr. G.T. Thampi** for constant help through his guidance, instant approvals, providing funds and motivation to all the necessities. He also motivated all by proposing to conduct such an event on continuous basis in the Institutions to benefit all.

NSS-TSEC 🙏 🌸

Few Glimpses of IDY'18 in TSEC in the attached pictures.

THADOMAL SHAHANI ENGINEERING COLLEGE

Presents

'आरोग्यम् धनसंपदा' *Let us redefine Health*

Report on International Day of Yog (IDY'21)

NAMASKAR !

In the view of 7th International Day of Yog (IDY'21) following activities were conducted before and on 21st June 2021. The whole week was celebrated in TSEC by taking efforts of the NSS-TSEC team, Strong support of the Principal, enthusiastic Teachers, Staff & Students.

All the activities were conducted in order to create more awareness and hands on training on simple Yogic practices. More stress was given on the Kriyas necessary to keep general health, immunity boosting and preventive health to fight against respiratory viral infections.

1. **3 day "Free Health Workshop"**

   A three day "Free Health Workshop" conducted by "The Art of Living" during 16 – 18 June 2021 for the faculty of TSEC. Senior Teacher from The Art of Living has conducted the workshop. Simple Asanas, Pranayama and Guided Meditation were conducted. "Brilliant Breathing Technique" was also conducted.

   28 faculty members had registered for this 3 day workshop.

2. **"Immunity Boosting Webinar"**

   "Immunity Boosting Webinar" is conducted by Isha for the Students and the faculty (staff) of TSEC on 21st June 2021.

   The Modules were specially designed by Sadhguru, founder of Isha Foundation. Mr. Manal Salesha, *Yoga-Veera* from Isha conducted the webinar. Support from NSS-TSEC students' team, NSS Program Officers, Sachit Nalaskar & Dr Gauri Shukla coordinated the whole event.

   Sashtanga; Simha Kriya; Makarasana & Chit Shakti guided meditation was conducted for the participants. All participants gave a very good feedback. 95% gave 4 to 5 points on a scale of 1 to 5.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Total 80 participants including staff & students attended the webinar, and also performed all the practices and meditation.

3. **"QUIZ on Yoga"**

"QUIZ on Yoga" conducted on 21st June 2021 for faculty & students of TSEC.

50 students has participated in the Quiz on Yoga and attained satisfactory marks.

3 Top scorers are declared among the participants.

4. ***"AAROGYAM DHANASAMPADA" Let us redefine Health***

During this Yoga week celebration and for past few months, NSS-TSEC has initiated *"AAROGYAM DHANASAMPADA" Let us redefine Health* theme, under which all the needed information from our collaborated resources were emanated to help build general health and prepare all to fight against the Covid-19 infections. Information's on healthy habits, immunity boosting medicinal herbs, updates on all Health related webinars happening, Medial practitioners Health consultations, Helplines, were shared.

During the Webinars conducted, all the Participants showed patience & enthusiasm during the sessions. They also showed their happiness and gratefulness for conducting such event on regular basis for the benefit of their personal wellbeing. They also suggested/requested conducting such Yog & wellbeing practices in the Institute on regular/daily basis as it helps in an individual's performance enhancement and improvement in all the activities in the Institute. The freshness and the blissful minds were shown through their bright faces suggesting the success of the event.

The Following faculty of TSEC have initiated & coordinated all the above programs, who are trained in Yoga from respective Institutions.

A) Sachit Nalaskar, Asst. Prof. in Mechanical Engg., Program Officer, NSS.

He is trained in Upa Yoga & Shambhavi Maha Mudra from Isha Foundation and a regular practitioner; CYP trained from Kaivalyadhama. CYP training was conducted with the help of the Ministry of AYUSH in the year 2016. Since then, IDY is celebrated in TSEC every year.

B) Dr Gauri Shukla, Asst. Prof. in Biomedical Engg., Program Officer, NSS.

She is trained in Yoga School named, "Ambika Yoga Kutir" from Mumbai. She is a Regular Yog practitioner and supports all such events for the benefit of TSEC staff & Students.

Oscillation-2017 Report

Name of ISF: THADOMAL SHAHANI ENGINEERING COLLEGE

Name of festival: OSCILLATION '17

Date of festival: 25th and 26th February 2017

Chief Guest & Dignitaries present for the festival: Dr. G. T. Thampi, Dr. Tanuja Sarode

Description of event:

OSCILLATION '17 was an annual intercollegiate techno fun festival which was held on 25th and 26th February, 2017 in Thadomal Shahani Engineering College, Bandra by the ISF here under the guidance of Dr. Tanuja Sarode. The fest saw the presence of professionals from SKYNET SECURE SOLUTIONS. The fest consisted of 7 events in all and the footfall during our festival was around 1500 students. The events along with their details are as follows:

1) **CODE WARS-**

Code Wars was a Coding competition organized by IETE-TSEC. It consisted of 3 levels for the participants to compete. 32 teams had participated in this year's event. The First Round required the teams to solve the maximum number of problems in 40 minutes. 21 teams were eligible to move on to the next round.
The Second Round was the debugging round, in which the teams had to debug the codes provided to them, within a time-frame of 60 minutes. 10 teams moved on to the next round.
In the Third/Final Round, teams had to solve the given problem statements within 75 minutes.
The event was conducted on 25th February 2017.
Overall, the participants experienced 6 hours of coding excitement.

2) **ETHICAL HACKING WORKSHOP-**

Ethical hacking workshop was conducted by SKYNET SECURE SOLUTIONS, which included a total of around 400 students. The contents of the workshop included Social media hacking, Social engineer passwords, Hacking mails, Fake calls and Security from Trojans, etc. The workshop lasted for 6 hours in two different sessions and was held on 25th February 2017. All the participants were awarded professional course completion certificates by SKYNET SECURE SOLUTIONS.

3) **CIRCUIT BUILDER-**

Circuit builder was an exciting workshop on basic electronics application. The workshop including practical implementation of various IC's in day to day applications such as traffic signal, burglar alarm and Automatic street lights. The workshop was conducted on 26th of February and witnessed a participation of 60 students.

Dr. G. T. Thampi

Thadomal Shahani Engineering College

31

4) **TECHNICAL PAPER PRESENTATION-**

Technical Paper Presentation competition was and event which gave a chance to students to present their technical papers to the judges from their respective streams. 20 students, from Computers, IT and EXTC branches were present at the event. The event was conducted on 25th February 2017.

5) **PHOTOSHOP WORKSHOP-**

A Photoshop workshop was organized for the students, to give them an idea of how to use the software for editing pictures and designing posters. 40 students participated in the event. The event was conducted on 25th February 2017.

6) **ROBO RACE-**

This event was conducted over 2 days. On 25th February 2017, the participants were taught to build Bluetooth controlled robots, and on 26th February 2017, they were made to race their bots. The event had 6 teams, of 4 participants each.

7) **S.C.M.U. SPEED CUBE-**

This Rubik's cube event was conducted to let the students show their hidden talents in solving the different types of Rubik's cubes, in the least possible time. Around 50 students participated in the event, which was held on 26th February 2017.

EVENT	DATE	NO. PARTICIPANTS
Code Wars	25th February, 2017	32 Teams (1/2 participants per team)

Name of the Winner	Position
Himanshu Totla, Sanket Shetye	1st
Nitesh Kukreja, Ashish Choithan	2nd

Annual Activity Report

Oscillation 2018

Chairperson   : Sagar Shah
Vice Chairperson : Prithvi Hardasahani
Secretary   : Neeraj Khadagade
Date   : 17/02/2018 and 18/02/2018

Events

1. Ethical Hacking

Workshop conducted by Mr. Sachin Dedhia, founder of Skynet Secure Solutions.

2. Photoshop

Workshop conducted by Mr. Raj Bohra, Second Year, Computer Department, TSEC; Mr. Sohail Khan, Second year, Chemical Engineering, TSEC and Ms. Riya Shetty, Second Year, Biotechnology, TSEC.

3. Android Workshop

Workshop on Android App Development. Hosted by Mr. Monil Shah, Third Year Computer Department, TSEC and Mr. Devarata Oza, Third Year, Computer department, TSEC.

4. Technical Paper Presentation

Technical papers were presented by teams of students. Hosted by Ms. Darakhshan R. Khan, Assistant Professor in Computer Department TSEC, Mr. Vaibhav Ambhire, Assistant Professor in Computer Department TSEC and Ms. Nabanita Mandal, Assistant Professor in Computer Department TSEC

Schedule:

17/02/18
9am to 12pm – Android Workshop
1pm to 4pm – Technical Paper Presentation

18/02/2018
9am to 12pm – Photoshop
1pm to 4pm – Ethical Hacking

EVENT REPORT

Oscillation 2021

The Institution of Electronics and Telecommunication Engineers (IETE-TSEC) held its annual Technical Fest Oscillation from 5th – 7th March, 2021. This year, due the pandemic, the fest was conducted online on platforms like MS Teams and Zoom. It consisted of six highly educational workshops and fun events. We partnered up with known companies like MSI and Codechef to make Oscillation a huge success.

Official Poster for Oscillation 2021

The schedule for the Fest was as given below:

Date	Time	Event
5th March,2021	4:30 PM	Opening Ceremony
5th March,2021	5:00 PM - 7:00 PM	Innovations in Laptop Design Workshop
6th March,2021	11:00 AM – 1:00 PM	Seminar - Headstart to competitive Programming
6th March,2021	2:00 PM – 3:30 PM	UI UX Workshop
7th March,2021	10:30 AM – 12:30 PM	Python Workshop
7th March,2021	1:00 PM – 3:00 PM	Spark AR Workshop

All registrations were taken via google forms.

1. **Opening Ceremony**

The Fest began with an Opening Ceremony which was held on 5th March at 4:30 PM. The Chief Guest for this ceremony was Dr. G.T. Thampi, the Principal of Thadomal Shahani Engineering College. In addition to the honoured Chief Guest, the branch Counsellor for IETE TSEC – Dr Tanuja Sarode, The Dean of Student Affairs of Thadomal Shahani – Dr. Maniroja M. Edinburgh and the Trainings and Placement Officer – Ms Monica Tolani were also in attendance.

The esteemed Chief Guest gave an inspiring and motivation speech in front of all the committee members and attendees, commending the efforts of IETE and highlighting the importance of online workshops and seminars in these tumultuous times and thereby declaring Oscillation 2021 Open.

This was followed by a short speech from the branch counsellor congratulating the Committee and wishing everyone the best, thus concluding the opening ceremony.

A still from the opening ceremony featuring Dr.G.T Thampi (top-left), Dr.Tanuja Sarode (top-right), Ms.Prerana Deshpande, Public Relations Officer- IETE TSEC (bottom left) and Mr.Laksh Jethani, Chairperson – IETE TSEC (bottom right)

2. <u>Innovations in Laptop Design Workshop</u>

- **Speaker:**
  Harshawardhan Prabhu, Technical Marketing Manager at MSI

- **Description:**
  This workshop was conducted in collaboration with MSI, Oscillation's Title Sponsor. The workshop started at 5pm. Various intriguing concepts like Thunderbolt 4, Real time Rate racing Technology, Revolutionary Cooling system, etc were discussed. Intel 11 Gen processors and the mini-Led display for their Creators 17 line of laptops. It was an interactive session, where students genuinely asked their doubts and the students who answered the most questions even won some prizes. The most exciting part was when the speaker talked about GE Raider Dragon edition gaming laptops. Over all it was an engaging workshop, where attendees got to know about many things pertaining to the new upcoming technology. It was conducted on MS Teams.

- **Footfall:**
  130 -150 registrations were received out of which approximately <u>120</u> students attended the workshop.

3. <u>Seminar - Headstart to competitive Programming</u>

- **Speaker:**
  Mr. Sanket Singh, Educator at Codechef.

- **Description:**
  This seminar was conducted in collaboration with Codechef, Oscillation's Title Sponsor. The workshop started at 11 am. Initially, Mr. Sanket Singh discussed the importance of programming languages and how much of an important role competitive programming plays during the placement season. After that, he enlightened us on how to start off with competitive programming and how to use the competitive programming platforms effectively. He posted several quizzes and polls to keep the session highly interactive. At the end of the session, he gave the participants a problem statement to solve on the Codechef platform with a time limit of 24 hours and the winners received goodies from Codechef. The session was very informative and quite beneficial for the budding coders, we received a positive feedback from all the students.

- **Footfall:**
  We received around 250 registrations but we had more than <u>350</u> students attending the workshop from all over India because it was conducted on Unacademy and was open for all

4. UI/UX Workshop

- **Speaker:**
  Kritanjali Jain, Prachi Tejwani, Varun Mamtora (Junior Committee Members of IETE)

- **Description:**
  The workshop was conducted to make students aware about the concepts of User Interface(UI) and User Experience(UX).The workshop started at 2pm with an introduction to the UI/UX concepts.The prototyping software used was Figma.At about 2:30pm, speaker finished with explaining the concepts and moved on to the prototyping software i.e. Figma. All the basic requirements, plugins, tools, prototyping events were explained.After the basic know-how of the Figma prototyping software was done, speakers moved on to redesigning the iete committee's website on Figma. Speaker Varun Mamtora explained about the components and why to use components and also explained about the extreme importance of reusability in prototyping and how components play a very important role in the concept of reusability. Speaker Kritanjali Jain explained about the tools and various device sizes for which different art-board frames can be used. Speaker Prachi Tejwani explained the importance of prototyping and difference prototyping methods and prototyping event triggers that Figma software offers.During the recreation of the iete committee's website, there were some doubts amongst the participants which were related to the Figma software, these doubts were explained very well by speaker Varun Mamtora who was responsible for recreating the entire iete's website.At around 3:15pm iete the UI/UX was announced. The time given to participants was one day and they were free to use their own creativity. The workshop event was ended at 3:30pm.

- **Footfall:**
  75 participants

5

5. Python Workshop

- **Speaker:**
  Mr. Sanket Singh, Educator at Codechef.

- **Description:**
  This seminar was conducted in collaboration with Codechef, Oscillation's Title Sponsor. The workshop started at 10:30 am. Mr. Sanket Singh started off by telling us about the importance of python in today's world and the massive role it plays currently. Next, he moved on to the basics a python and he build up to the other core essentials like functions and discussed a bit of Object-Oriented Programming. To keep the session interesting and interactive he posted several quizzes and polls in which the students actively participated. Overall, it was an amazing session, and we received a positive response from the attendees making the workshop successful.

- **Footfall:**
  We received around 220 registrations but we had more than 300 students attending the workshop from all over India since it was conducted on Unacademy and was open for all

6. Spark AR Workshop

- **Speaker:**
  Kavya Nair and Akash Gaba (Junior Committee Members of IETE - TSEC)

- **Description:**
  This workshop was aimed at familiarizing the students with the working of spark AR studio and to make a filter right from scratch in the session itself. The workshop began with welcoming everyone to the workshop, confirming if they have the software (spark AR studio) downloaded on their systems (an email was sent to the students beforehand explaining the procedures to download the software) and giving them a brief overview of the topic. A series of slides were then presented to them to introduce certain important terms which are reserved to the field of AR. It was an interactive session, where questions were asked to the students to get the feedback from their end. The students replied to the questions in an enthusiastic manner, which only made the workshop more worthwhile. Soon, the filter making process began. An effort was made to cover the smallest of details in an effective manner, going through each and every step and repeating the instructions if needed. Since this workshop was conducted mainly for the first year students, it was assumed that they may not have any technical exposure, and hence this workshop was designed to take them through the basics. The doubts of the students were continuously monitored through the chat. The importance of every step was emphasized, and practically shown at the same time. Also, some photo editing techniques were also talked about in the session, as that also formed an important part of the filter-making process. The workshop ended with the students being encouraged to make filters of their own and explore the technology.

- **Footfall:**
  67 participants.

Training on
Cardiac Arrest Resuscitation

Training on
"Cardiac Arrest Resuscitation"
is organized with 'Holy Family Hospital' (iCare) initiative in our college.

In present scenario of public health in general, it is necessary for every individual to get a firsthand knowhow on **Cardiac Arrest Situation** (Heart Malfunction).

As an onlooker or bystander, it is imperative to understand **the symptoms** as well as the **First Aid** to be given to the Victim.

All are requested to attend this **Free Training** & get benefited.

When – Thursday, **1st March 2018**
Time – 10:00 AM to 12:00 PM
Venue– National College Auditorium

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai-400.050.

This is a first of its kind of "First aid" in India arranged by iCARE which obsoletes the need of CPR (Cardiopulmonary Resuscitation) to be given to the Victim.

Machine Learning Workshop

One day Machine Learning Workshop for T.E Computer Engineering students was conducted on 22nd January 2020 in Lab. 401.

The workshop was conducted by Mr. Arunjit Chowdhury of Enterprise Building and Training Solutions LLP (EBTS). Around 37 students participated in the workshop which included hands on training. The Co-ordinators for the workshop were Ms. Darakhshan Khan and Ms. Nabanita Mandal.

About The Committee

NSS or National Service Scheme is a government initiative that helps the youth contribute toward society in whatever way possible.

The NSS-TSEC Committee was created to facilitate these contributions and focus the efforts through properly planned events throughout the year.

The objective of NSS is "Not Me But You" and the committee tries to realize this by searching and organizing various social service oriented events and motivating students to volunteer for these events. Some of the events organized by the committee this year are:

1. ORIENTATION (9.08.17)

2. INDEPENDENCE DAY (15.08.17)

A tribute to those fighters who laid down their lives so that our country could breathe freely. Volunteers got to know the importance of this day and how you should keep the patriotic feeling ON for INDIA. 80 volunteers attended.

3. NADI ABHIYAN AND RALLY FOR RIVERS (01.09.2017 to 02.10.2017)

We created awareness about the Rally For Rivers campaign , explained to people the causes of river depletion. Volunteers spread awareness on Linking Road on the 1st of September, standing with placards in unison with the entire country. The volunteers asked 100 people to give missed calls on 8000980009 respectively to support the campaign. They also attended an awareness event at NSCI Dome, Worli. Many famous celebrities came to the event to show their support and spread awareness about ISHA Foundation's Idea of Rally for rivers.

4. BEACH CLEANING DRIVE (01.09.2017)

This year NSS-TSEC celebrated Ganesh Chaturthi in a different way. 40-50 Volunteers joined in the cleanliness drive at Juhu Beach to clear out all the waste left behind after the festival.

5. FORT CLEANING (17.09.2017)

More than 100 volunteers had joined their hands for this. Garbage and waste products at Tourist spots decreases the value and importance of the national heritage spots. Volunteers picked up all the waste on route to the fort and then discarded it properly. This way the beauty of our national heritage was preserved.

6. JOY OF GIVING (25.09.2017(1 week) & 22.01.2018(1 week))

We collected dozens of books,pens and other toys and stationary, also we collected clothes for the underprivileged people and donated all the collected items to Mesco foundation for use by the needful. Around 80 volunteers helped us out.

7. BLOOD DONATION DRIVE (5.10.2017 & 07.02.2018)

More than 100 volunteers worked for both the Blood Donation Drives. With Lokmanya Tilaka MG Hospital and Tata Memorial Hospital DTM we collected 121 and 109 blood units to facilitate availability of blood for the cancer patients. We also got 170 people **checked for Thalassemia** out of which 4 were detected as Thalassemia minors by Transasia Bio-Medicals Ltd.

8. PAPER BAG PROJECT (25.08.2017 to 06.03.2018)

More than 20 Volunteers were involved in this project. With the aim of reducing plastic bags, we took the initiative to reuse old newspaper and make paper bags out of it which could be used to carry small items. We donated a couple 1000 paper bags in our local adopted area to vegetable vendors and grocery/medical shops.

9. RESIDENTIAL CAMP (02.01.2018 to 9.01.2018)

It's an event where we visit our adopted village and try to help out as much as possible through various events. The dam at Anandwadi was broken during the heavy rains of 26th July, 2005. Our volunteers with the help of the villagers covered up the damage. Health check up was organised in the village for betterment of villagers. A cleanliness drive (Swachata Abhiyan) was also organized during the camp. 45 volunteers attended the camp.

10. HELP GOVT. OF INDIA (I.T. Deptt.) IN DIGITIZATION (19.02.18 to 03.03.18)

11. SAVE WATER & ELECTRICITY

## 12. SAVE MANGROVES SAVE MUMBAI (10.02.2018 to 24.03.2018)

20 Volunteers joined this cause.The aim of this campaign was environment protection and restoration of mangroves in Mumbai

13. MASS AWARENESS (up to 24.03.18)

14. CARDIAC ARREST RESUSCITATION SEMINAR (01.03.2018)

Under the iCare initiative of Holy Family Hospital we had a seminar with one goal to train as many people as we can for cardiac arrest emergencies. Doctors from the hospital came to our college to educate the staff and students about the various aspects and first aid treatments for Cardiac Arrests. More than 300 people attended this seminar.

THADOMAL SHAHANI ENGINEERING COLLEGE, BANDRA W.

NSS UNIT

REGULAR ACTIVITY REPORT

Name of Project/Activity: FE Orientation

Date/Duration:29 july 2019 / 4 Hrs

Place: Auditorium Hall (capacity - 650), Thadomal Shahani Engineering College

Objective: Welcoming to newly admitted FE Students; Mutual Introduction; College Campus; Departments; Sections, Faculty and Incharges introduction. Briefing on Institute's culture; various committees; accolades and future plans; etc. To make entrants familiar with the Institute and provide guidance by alloting mentor senior students and faculty.

Description of Activity execution: Welcome speech by Principal. Presentation of all the departments and committees of the Institute. Mutual Introduction of all present. Registration of all new students on a biometric system. Visits to all the departments and offices.

Number of attendees:35

Number of Beneficiaries:350

Expected Outcome: Making new students familiar with the Institute

Actual Measurable Outcome: Biometric registration of 400 plus new students and mutual Introduction with 150 Teaching & non-teaching Faculty

Name of Project/Activity: NSS Orientation

Date/Duration: 7 august,2019   : 4 hours

Place: Seminar hall,Thadomal Shahani Engineering College

Objective: Welcoming all volunteers. To apprise them about the NSS activity.

Description of Activity execution:

Number of Attendees: 150

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

85

Number of Beneficiaries:150

Expected Outcome: Discussion on various NSS activities. Volunteers active participation in different NSS activities

Name of Project/Activity : **Joy Of Giving Week**

Date:16 September 2019 to 20 September 2019

Duration : 5 days (7hrs/day)

Place: Foyer ,Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Number of attendees:65

Number of Beneficiaries: Villagers

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity: **Blood Donation Drive 1**

Date: 25 September 2019

Duration : 8 hrs

Place: Students lounge , Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Number of attendees:87

Number of Beneficiaries: 339 Cancer patients

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity: **Yoga Day By ISHA Foundation**

Date: 23 January 2020

Duration : 3 hrs

Place: Students lounge , Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Number of attendees: 75

Number of Beneficiaries: 75

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity: **Book And Toy Library**

Date: 6 February 2020

Duration : 8 hrs

Place: Foyer , Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Number of attendees: 46

Number of Beneficiaries: School Students

Expected Outcome:

Actual Measurable Outcome:

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

87

Name of Project/Activity: **Blood Donation Drive 2**

Date: 26 february 2020

Duration : 8 hrs

Place: Students lounge , Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Number of attendees : 96

Number of Beneficiaries: 219 Cancer patients

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity: **International Yoga Day**

Date/Duration: 21 June 2019/ 5 hours

Place: Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Number of Attendees: 51

Number of Beneficiaries: 51

Expected Outcome: To make college students aware of the benefits of Yoga and Meditation. To educate them about the importance of mental health and how meditation and self-care help in maintaining a healthy state of mind.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

88

Actual Measurable Outcome: College students and teachers practised basic Yoga Asanas and learnt about the importance of maintaining a healthy state of mind, irrespective of the stress and strain caused due to their busy schedules.

Name of Project/Activity: **Book Donation Drive**

Date/Duration: 14 August 2019/ 2-3 hours

Place: Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Number of Attendees: 46

Number of Beneficiaries: 40

Expected Outcome: To collect old books, specially ones written in Marathi and Hindi and distributing them among the less fortunate kids in Neral.

Actual Measurable Outcome: Books which were not being used by individuals around the college campus were collected and made available for the ones who needed them. Village kids living in Neral were benefited.

Name of Project/Activity: **Independence Day**

Date/Duration: 15 August 2019/ 5 hours

Place: Thadomal Shahani Engineering College

Objective:

Description of Activity execution:

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Number of Attendees: 63

Number of Beneficiaries: 63

Expected Outcome: To celebrate 73 years of Independence from the British Rule. To inculcate a sense of patriotism among college students and to pay tribute to the real Heroes of our nation, our brave soldiers.

Actual Measurable Outcome: NSS-TSEC volunteers and the college faculty came together to celebrate India's 73rd Independence Day. NSS volunteers and college students were given the opportunity to showcase their talents via patriotic performances.

Name of Project/Activity: **Legal Awareness Seminar**

Date/Duration: 26 September 2019/ 6 hours

Place: Kishinchand Chellaram Law College

Objective:

Description of Activity execution:

Number of Attendees: 5

Number of Beneficiaries: 5

Expected Outcome: To spread legal awareness about laws relating to anti-ragging ad admission rules and cybercrimes, amongst NSS volunteers.

Actual Measurable Outcome: NSS volunteers were enlightened about the anti-ragging laws, admission rules and cybercrime laws since all students of this age must have adequate knowledge about the same.

Name of the Project/Activity : **Cleanliness Drive**

Date/Duration : 1st October 2019 / 3hours

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Place : Ambewadi , Neral

Objective :

Description of Project/Activity :

Number of attendees : 45

Number of Beneficiaries :200 villagers

Expected outcome : The drive was conducted to clean the areas of the village. This drive was very necessary because some of the places were very dirty and in order to maintain hygiene drive was conducted.

Actual Measurable Outcome:The places which we decided to clean were properly cleaned and plastic free. Now this will also ensure that the spread of the disease is restricted.Even we encouraged the villagers to be part of it which brought awareness amongst them also.

Name of Project/Activity: **Bhajan Sandhya**

Date/Duration: 2 October 2019/ 3 hours

Place: Gateway of India

Objective:

Description of Activity execution:

Number of Attendees: 15

Number of Beneficiaries: 12

Expected Outcome: To honour and celebrate the 150th Birth Anniversary of the father of our nation, Mahatma Gandhi.

Actual Measurable Outcome: NSS volunteers celebrated Gandhi Jayanti by attending the event where they sang patriotic songs and prayers followed by display of placards and a peaceful march.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Name of the Project/Activity : **Street Play on anti addiction**

Date/Duration : 3rd October 2019 / 6hours

Place : Ambewadi , Neral

Objective :

Description of Project/Activity :

Number of attendees : 12

Number of Beneficiaries :150 villagers

Expected outcome :Street Play always brings the basic awareness among the viewers that what is going in and around them .The basic thinking and positive thinking is inculcated and enhanced in the viewers and performers.As the villagers are quite addicted towards the tobacco , cigarettes , drugs and stuff so this street play basically depicted that the harmful effects of addiction .

Actual Measurable Outcome:This play helped the villagers how to get unaddicted from these things and once you are out of this addiction how successful you will be in your life.Basically its spread the basic awareness among them.

 Name of the Project/Activity : **Street Play on anti dowry**

Date/Duration : 4th October 2019 / 6hours

Place : Ambewadi , Neral

Objective :

Description of Project/Activity :

Number of attendees : 12

Number of Beneficiaries :150 villagers

Expected outcome : Street Play always brings the basic awareness among the viewers that what is going in and around them .The basic thinking and positive thinking is inculcated and enhanced in the viewers and performers.Still in the villages dowry system are observed so to remove these things this street play was very necessary.

Actual Measurable Outcome:This play helped more to womens to feel safe and free to fight for their rights .Also it was beneficiary for the family having a girl child and may be by few percent it must have helped them to change their mindset.

Name of the Project/Activity :**Street Play on women empowerment**

Date/Duration : 5th October 2019 / 6hours

Place : Ambewadi , Neral

Objective :

Description of Project/Activity :

Number of attendees : 12

Number of Beneficiaries :150 villagers

Expected outcome : Street Play always brings the basic awareness among the viewers that what is going in and around them .The basic thinking and positive thinking is inculcated and enhanced in the viewers and performers.Empowerment of women's is the necessity.As we observed majority women in the village were homemaker so this event was to motivate them and encourage their families so that they can support their women to work.

Actual Measurable Outcome:We had ensure that the message must reach to each of the home in the village that every women is capable of doing job and can earn on their own in any circumstances

Name of Project/Activity: **Election Rally**

Date/Duration: 18 October 2019/ 2 hours

Place: R.D. National College, Bandra.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Objective:

Description of Activity execution:

Number of Attendees: 36

Number of Beneficiaries: 36

Expected Outcome: To spread awareness about the importance of voting, in the vicinity of the college premises.

Actual Measurable Outcome: Students helped the Election Commission by conducting an Election Rally in the vicinity of their college in Bandra West. They carried placards that portrayed the importance of voting, in hopes of encouraging maximum citizens to vote.

Name of Project/Activity:**Disaster Management**

Date: 6 january 2019 , 7 january 2019

Duration : 6 hrs

Place: Niranjana Majithia College Kandivali

Objective:

Description of Activity execution:

Number of attendees: 8

Number of Beneficiaries: 8

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**Republic day**

Date: 26 january 2020

Duration : 4 hrs

Place: Seminar hall,Thadomal Shahani Engineering college

Objective:

Description of Activity execution:

Number of attendees: 32

Number of Beneficiaries: 32

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**EBSB film screening**

Date: 22 february 2020

Duration : 3 hrs

Place:Seminar hall,Thadomal Shahani Engineering college

Objective:

Description of Activity execution:

Number of attendees: 75

Number of Beneficiaries: 75

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**EBSB quiz**

Date: 27 february 2020

Duration : 4 hrs

Place: Seminar hall,Thadomal Shahani Engineering college

95

Objective:

Description of Activity execution:

Number of attendees: 70

Number of Beneficiaries: 70

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**CYP camp in KC college**

Date: 29 february 2020

Duration : 4 hrs

Place: KC college,churchgate

Objective:

Description of Activity execution:

Number of attendees: 14

Number of Beneficiaries: 14

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity: **Tree Plantation**

Date: 21 July 2019

Duration: 1 days (3 hrs)

Place: Pali Hill Railways Colony Garden, Carter Road, Bandra(W)

Objective:

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

96

Description of Activity execution:

Number of attendees:86

Number of Beneficiaries: All the colonies situated in the vicinity

Expected Outcome: Encouraging students to plant more trees

Actual Measurable Outcome: 71 students actively planted saplings in the garden

 Name of Project/Activity: **Bamboo Rakhi Promotion & Sale**

Date: 11 July 2019 to 15 July 2019

Duration: 5 days (47 hrs)

Place: Thadomal Shahani Engineering College, Bandra(W)

Objective:

Description of Activity execution:

Number of attendees: 61

Number of Beneficiaries: Villagers

Expected Outcome: Encouraging Adivasi women to make more rakhis to become more independent and self-sufficient.

Actual Measurable Outcome: The Adivasi women were able to make a living out of these rakhis
 Name of Project/Activity: **Poster Making**

Date: 15 August 2019 to 27 August 2019

Duration: 8 days (4 hrs)

Place: Thadomal Shahani Engineering College, Bandra(W)

Objective:

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Description of Activity execution:

Number of attendees: 39

Number of Beneficiaries: Students

Expected Outcome: Making students more aware about the current environmental issues through a creative technique

Actual Measurable Outcome: 39

Name of Project/Activity: **Cauvery Calling (Save Rivers Campaign by Isha Foundation)**

Date: 4 September 2019

Duration: 1 day (2 hrs)

Place: Linking Road and SV Road, Bandra(W)

Objective:

Description of Activity execution:

Number of attendees: 10

Number of Beneficiaries: The public commoners

Expected Outcome: Spreading awareness about the poor state of Cauvery river and encouraging people to help revitalise and restore it

Actual Measurable Outcome: 10 students actively protested for the restoration of Cauvery river

Name of Project/Activity: **Beach Cleaning**

Date: 8 September 2019

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

98

Duration: 1 day (4 hrs)

Place: Juhu Beach, Vile Parle(W)

Objective:

Description of Activity execution:

Number of attendees: 68

Number of Beneficiaries: The public commoners who came to the beach

Expected Outcome: Encourage students to be more involved in keeping their surroundings clean

Actual Measurable Outcome: Made the beach much cleaner than it was before with the help of 68 volunteers

Name of Project/Activity: **Use of plastic seminar**

Date: 13 September 2019

Duration: 1 day (3 hrs)

Place: Thadomal Shahani Engineering College, Bandra(W)

Objective:

Description of Activity execution:

Number of attendees: 70

Number of Beneficiaries: 70

Expected Outcome: Making students aware about the harmful effects of using plastic products

Actual Measurable Outcome: Students learnt innovative ways to recycle plastic

Name of the Project/Activity : **Railway Painting**

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

99

Date / Duration : 26th September 2019 : 6hours

Place : Bandra Railway Station

Objective:

Description of the Project/Activity:

Number of attendees : 83

Number of Beneficiary :83+ people to see the paintings

Expected Outcome : To spread awareness about various issues in a very mild way. And make our railway stations beautiful with the paintings and stop people from spitting on the railway stations.

Actual Measurable Outcome: People were getting aware about the issues which are painted at the railway station and less number of people spit on the railway station.

Name of the Project/Activity : **Nature Trail**

Date/Duration : 27th September / 12hours

Place : Sanjay Gandhi National Park

Objective :

Description of Project/Activity :

Number of attendees : 70

Number of Beneficiary : 70

Expected outcome : To take students close to nature , provide them with the information regarding various plants which are found in forest and their uses .

Actual Measurable Outcome : Students learnt about various medical herbs that are found in forest which can be used as first aid.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

100

Name of the Project/Activity : **Visit to an Old Age Home**

Date/Duration : 19th October 2019/6 hours

Place : Aai Ji Devi care Foundation (Kandivali)

Objective :

Description of Project/Activity :

Number of attendees: 25

Number of Beneficiary: 25+people at old age.

Expected outcome: To go there and talk to them , interact with them , listen to their stories and make them happy and smile.

Actual Measurable Outcome : Everybody at the old age was happy , smiling and enjoying the company of the students.

Name of the Project/Activity : **Plogging (Jogging + Rag picking)**

Date/Duration : 17th January 2020/ 2hours

Place : In and around college (TSEC)

Objective:

Description of the Project/Activity :

Number of attendees: 42

Number of Beneficiary : 50 + people who walk on those streets.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

101

Expected outcome: To keep our streets clean , beautiful and disease free.

Actual Measurable Outcome : Streets were clean and beautiful and disease free.

Name of the Project/Activity: **CAR Heart Marshal (Session 2)**

Date/Duration: 24 january /2 hours

Place : Holy Family Hospital (Andheri East)

Objective:

Description of Project/Activity:

Number of attendees: 28

Number of Beneficiary: 28

Expected outcome: Students learning how to give CPR and first aid if someone gets a cardiac arrest.

Actual Measurable Outcome: Spreading the knowledge of first aid and CPR has reduced the number of deaths or victim survival rate after cardiac arrest

Name of the Project/Activity: **Heart Marshal**

Date/Duration: 15thFeburary/6hours

Place : Holy Family Hospital (Andheri East)

Objective:

Description of Project/Activity:

Number of attendees: 31

Number of Beneficiary: 31

Expected outcome: Students learning how to give CPR and first aid if someone gets a heart attack.

102

Actual Measurable Outcome: Spreading the knowledge of first aid and CPR has reduced the death by heart attack.

Name of the Project/Activity: **Fire Drill**

Date/Duration: 25th February/ 2hours

Place: Thadomal Shahani Engineering College(TSEC)

Objective:

Description of Project/ Activity:

Number of attendees: 70

Number of Beneficiary : 70+ college staff

Expected outcome: During the crisis of fire outbreak students and college staff will have knowledge about the fire extinguisher and other equipment.

Actual Measurable Outcome:During the crisis of fire outbreak students and college staff will have knowledge about the fire extinguisher and other equipment.

Name of the Project/Activity: **Swatchta Abhiyan**

Date/Duration: 25th February 2020/2 hours

Place: In and around the college (TSEC)

Objective:

Description of Project/Activity:

Number of attendees: 60

Number of Beneficiary: 60+ People walking in the street

Expected outcome: Streets are clean, beautiful and disease free.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai-400 050.

103

Actual Measurable Outcome: Streets were clean , beautiful and disease free.

Name of Project/Activity: **Street Play**

Date:25th December 2019 to 6th March 2020

Duration : 9 days (4hrs/day)

Place: Foyer ,Thadomal Shahani Engineering College, Bandra station road, khar station road, Patwardhan park, Carter road, Hill road

Objective:

Description of Activity execution:

Number of attendees:16

Number of Beneficiaries: 300 commoners

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**WaterShed Management**

Date: 5 june 2019 to 10 June 2019

Duration : 24 hrs

Place: Anandwadi,Neral

Objective:

Description of Activity execution:

Number of attendees: 49

Number of Beneficiaries: 150 Villagers

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**Tree Plantation**

Date: 17 August 2019 to 18 August 2019

Duration : 6 hrs

Place: Anandwadi,Neral

Objective:

Description of Activity execution:

Number of attendees: 46

Number of Beneficiaries:150 Villagers

Expected Outcome:

Actual Measurable Outcome:

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Name of Project/Activity:**Technovation**

Date: 7 october 2019

Duration : 6 hrs

Place: Anandwadi,Neral

Objective:

Description of Activity execution:

Number of attendees: 34

Number of Beneficiaries: 150 Villagers

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**Gyaandan**

Date: 19 october 2019, 14 december 2019, 21 december 2019,24 january 2020,1 february 2020

Duration : 4 hrs/day

Place: Anandwadi,Neral

Objective:

Description of Activity execution:

Number of attendees: 79

Number of Beneficiaries: 120 School Students

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**Book And Toy Implementation**

Date: 21 january 2020

106

Duration : 6

Place: Anandwadi,Neral

Objective:

Description of Activity execution:

Number of attendees: 16

Number of Beneficiaries:

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**Gram Sabha**

Date: 25 january 2020

Duration : 5

Place: Anandwadi,Neral

Objective:

Description of Activity execution:

Number of attendees: 14

Number of Beneficiaries:

Expected Outcome:

Actual Measurable Outcome:

Name of Project/Activity:**Meeting with youngsters for school training and survey**

Date: 25 january 2020

Dr. G. T. Thampi
PRINCIPAL

Training Program Proposal

Target Audience
FE

Prepared For
Thadomal Shahani Engineering College

Date
21st Mar 2019

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

1. Program Summary

The program includes multiple modules with each module covering various topics in depth to ensure students are well trained and job ready by the time they graduate

2. Modules

Modules to be covered for first year students

- **Coding & Development**
  1. Introduction to Python
  2. Introduction to Git
  3. Introduction to Bitbucket
  4. Web development using WordPress
  5. Web development using Wix
  6. Introduction to creating Bots
- **Product Management**
  1. Wireframing
     - Adobe XD
     - Pencil
  2. Launching mobile apps on ap stores
  3. Introduction to Amazon Web Services
     - EC2, S3, SNS, Route 53, DynamoDB, Lex, Lambda
  4. Using Facebook Business & FB Ads
  5. Using Google for Business

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

3. Delivery Methodology & Schedule

Each module shall be delivered through class room training along with assignments/projects to ensure reinforcement. Training for each course/module shall be conducted over a fixed number of hours in a semester. Recommended duration would be 40 hours per semester.

The entire course shall be delivered over 3 weeks. Focus would be on tools and topics related to Product design & development and project management. Some of the topics included would be:

4. Fee Structure

Batch Size	Charges (per student)
25 to 75	₹3499
76 to 150	₹2999
151 to 300	₹2499
300+	₹1999

5. Terms & Conditions

- Sessions shall not be repeated in case of absenteeism
- 100% fees to be paid upfront
- Only students with an attendance of more than 75% shall be awarded the certification

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

6. About Us

Mihir K. Malani
Current Role:

- Founder, Nerve Solutions
- Visiting Faculty, BSE Institute Mumbai University

Past Role:

- Head of Risk (Algorithmic Trading), Edelweiss Broking

Nikhil K. Malani
Current Role:

- Founder, Illuminatus Technologies

Past Role:

- Visiting Lecturer, Ngee Ann Polytechnic Singapore (Applications of IT in Business)
- Product Manager, Elevate Learning
- Business Analyst, Infosys Australia

2019 Training Letter

This is to confirm that we have trained students from Thadomal Shahani Engineering College in 2019 to get them ready for their Placements. It was a 30 hour syllabus mentioned below. Training Dates: 15th to 20th July 2019. Timings: 9am-5pm.

Campus Placement Training Syllabus	
Sr. No.	**Session Details**
1	Averages and Percentages
2	Ratio, Proportion and Mixtures
3	Averages and Percentages, Ratio, Proportion and Mixtures, Age Problems, Simple and Compound Interest, Profit & Loss
4	Age Problems
5	Profit & Loss
6	Time and Work
7	Permutation and Combination
8	Time, Speed, Distance,
9	Logical Puzzles
10	Comprehension
11	Vocabulary
12	Syllogisms
13	Grammar
14	Family Relations and Arrangements
15	Groups, Conditionality and Numeric Logic
16	Group Discussion
17	Personal Interview Training

TSEC Hacks 2019: Event Summary

Convener: Dr. G. T. Thampi (Principal)
Co-convener: Prof. Tasneem Mirza
Co-ordinator (Computers): Prof. Dr. Pallavi Halarnkar
Co-ordinator (IT): Prof. Kumkum Saxena

TSEC Hacks was held for the first time on 6th - 7th February 2019.

Registration Statistics

Event saw 422 registrations in 122 teams from 22 colleges. Each team was asked to specify their top 3 domain choices in order of preference :

First choice:
E-commerce 42 teams - 34.42%
App Development for non-profits – 48 teams - 39.34%
ML in Healthcare 27 teams – 22.13%
Cybersecurity 4 teams – 3.27%
Gamification 1 team – 0.81%

Second choice:
E-commerce 39 teams - 31.96%
App Development for non-profits – 40 teams - 32.78%
ML in Healthcare 19 teams – 15.57%
Cybersecurity 8 teams – 6.55%
Gamification 16 teams – 13.11%

Third choice:
E-commerce 22 teams - 18%
App Development for non-profits – 20 teams - 16.39%
ML in Healthcare 27 teams – 22.1%
Cybersecurity 23 teams – 18.85%
Gamification 30 teams – 24.59%

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

50 Teams were shortlisted with 176 participants.

Initial Registration Sheet:
https://docs.google.com/spreadsheets/d/1kWtOU90hJ3T9Q_XUiQ4Qs9AlmxscbiGCfL5eJRk1Woc/edit?usp=sharing

Shortlisted Teams Sheet:
https://docs.google.com/spreadsheets/d/1YKolsQJ75v1DWMLsLQ1Iu0DuSUVdZaD5Hj0mHKHQ_1M/edit?usp=sharing

Problem Statement Domains

1. App Development for NGOs
   Design a Mobile or a Web Application that uses the concept of Data Visualization and provides the Logistics Information for the smooth running of a Non-Governmental Organization. The NGO would be the one that directly benefits children by helping them in Education, Healthcare and Livelihood in remote villages and slums across different states of India.

2. Cybersecurity
   Security is the main concern for data sharing due to its vulnerabilities and confidentiality. Create a portal for sharing of files and data between many clients (users), keeping in mind security concerns that such an application would have to take into account.

3. Ecommerce
   Identity Management | Verification, Personalization and more
   The expected solution: needs to have the presented ideas fleshed out as a working prototype. API's, Database design, Co-relation logic needs to be working. The UI focus will not be on the e-commerce platform but to demonstrate multiple interactions with a brand. An e-commerce business should be able to personalize their online site based on the data collected. Possibilities for personalization need to be demonstrated with a minimum of three examples

4. Gamification
   The Engineering syllabus consists upto 6 new subjects every semester. The concept is "Serious learning, not so boring." The intent of this problem statement is to develop a smart and engaging solution to gamify learning experiences. Choice of engineering subject is left to you.

5. ML in Healthcare
   Cancer is the second leading cause of death globally, and is responsible for an estimated 9.6 million deaths in 2018. Globally, about 1 in 6 deaths is due to cancer. Can we use open data available to gain insights to help with the human effort against cancer by aiding any of the given objectives?
   - Personal point of view: To predicting likelihood of incidence using a person's demographic / medical history
   - Insurance company point of view: To assess cancer risk and decide appropriate policy premium
   - Medical researchers point of view: To devise a method to infer the effectiveness of two different treatment plans

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

- Pharmaceutical companies point of view: To decide which research areas are promising in the coming decade

Judges

➔ Mr. Kiran Choudhary

He is currently the Assistant Vice President of Reliance Industry in Ghansoli. He has 20+ years of experience in the domain of Information Technology and holds the degree of Instrumentation Engineering from Pune University. He enjoys working in new technologies like AI, IOT and 3D printing and is an expert in Machine Learning. Since last 2 years he is leading the Data Science Center of Excellence in Reliance industries Ltd., Navi Mumbai. His team is actively involved use of AI/ML in real life business problems.

➔ Mr. Bharat Tolani

He is currently a Senior Consultant at Capgemini in Mumbai. He has over 6.5 years of experience in Data warehousing project with tools like Erwin, Teradata, Datastage, Oracle, Tableau, VBA. He has been part of Physical Data Modeler as a Technical Lead and is actively learning new technologies like AWS, Python, Jira Roles.

➔ Mr. Gaurav Deshpande

He is currently the Regional Sales Leader in the domain of Cyber Security working all over the world at Tata Communications. He holds special interest for areas such as Information Security, IoT, Mobile Computing and Abstract Technologies. He has also worked in many big companies in the past such as EY, IBM, KPMG etc. Has a strong academic background in Business Administration, Information Security, Network Technology and IT Infrastructure Management.

➔ Mr. Nihar Shah

He is the Chief Technology Officer at The MediaHolic Co. He is and experienced Chief Technical Officer & Head of Design and has a good history of working in the information technology, marketing and advertising industries. He is skilled in many languages and technologies such as Java, Spring, SQL, PHP, HTML5, CSS, Javascript, Mobile Applications, Web Design and many more. He completed his Bachelor of Engineering (BE) in Information Technology from Thadomal Shahani Engineering College.
He has co-founded the company Mediaholic and is currently it's Chief Technical Officer. Previously, he has worked in Accenture in the domain of software development.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

➔ Mr. Manish Tamhankar

He is currently a Senior Architect in Capgemini. He has over 15 years of experience in software industry and over 6 years of experience as a Software architect. He is interested in Solution Architect opportunities in Emerging Technologies and is a Lead Architect in many domains such as IoT, Natural User Interface Technologies (NUI), Application Portfolio Rationalization etc. He has worked at various big companies like Larson & Tourbo, Hexaware, Directi and many more.

Winners

1st place: ZeroDay - DJ Sanghavi College, App Development for NGOs
Aniket Shahane
Dharmik Parikh
Jashan Banga
Aniruddha Das

2nd place: Django and Mango - DJ Sanghavi College, App Development for NGOs
Harshil Jhaveri
Ananya Malik
Shreya Desai
Swapnil Kadakia

3rd place: Novice - Shree LR Tiwari College, ML in Healthcare
Siddharth Singh
Avinash Chourasiya

4th place: Brogrammers - Rajiv Gandhi Institute of Technology, E-commerce
Nitish Talekar
Saad Ghojaria
Aayush Singh
Deepanshu Sonparote

5th place: Bit by Bit - TSEC, Gamification
Hiba Hussain
Mahima Gupta
Surya Halwasia
Maitreyee Koli

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Sponsors

➔ Adapty
   Problem Statement Sponsors, Deliverables: Rs. 35,000/-
➔ HackerEarth
   Innovation and Platform Partner, Deliverables: Use of HackerEarth platform, Tshirts for winning teams
➔ Cloudsploit
   Deliverables: Winners receive 4 months of Plus service (worth $440) while top 10 teams win 4 months of Basic Service
➔ Wolfram
   Deliverables: Winners receive 4 months of Plus service (worth $440) while top 10 teams win 4 months of Basic Service
➔ Hasura
   Deliverables: The best app built using the Hasura GraphQL Engine will win a Rs.5000 gift coupon from Flipkart.
➔ La Pinoz Pizza
   Deliverables: Rs. 7,000/-
➔ Safarnama Cafe
   Deliverables: Rs. 1,000/-
➔ Melting Morsels
   Deliverables: 10 food boxes for judges
➔ Hell Energy Drink
   Deliverables: 240 cans of Hell Energy Drink

TSEC HACKS 2020

Date held: 05/02/2020 - 06/02/2020

Duration: 24 Hour Hackathon

Registration fee: Rs 210.16/- per team (all inclusive of taxes)

Registration statistics:

	Original	Shortlisted
Number of participants	776	189
Number of teams	211	59

Sponsors:

Organization Name	Task	Sponsorship amount
IIDE	Distributed pamphlets, 2 seminars	Rs 50,000 /-
IMFS	1 seminar	Rs 18,000 /-
IMS	2 seminars	Rs 8,000/-
HELL Energy	Publicity and banner in college	250 cans of energy drink
Dominos	Pizza stall in college	Rs 7,500 /-
Mojo-jojo	Publicity and banner in college	Free coconut water drink
Safarnama	Banner in college	Rs 1500 /-

Prize money (cash):
1st place - Rs 25,000/-
2nd place - Rs 15,000/-
3rd place - Rs 10,000/-

Winners:
- **1st place -** Syntax terror(TSEC)
- **2nd place -** Bits N Bytes (FCRCE)
- **3rd place -** Wanc Coders(AIKTC) **and** Reactive error(Rizvi)

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Judges:

- Dr.V.K. Dhar, Senior Scientist, B.A.R.C
- Mr.Prateek Gupte, VP Product, Haptik
- Mr.Darshan Pania, Lead Android Engineer, CleverTap
- Mr.Bharat Tolani, Senior Consultant, Capgemini
- Dr. Irfan Siddaratam, HOD I.T., K.J. Somaiya
- Mr. Rohan Arora, Co-founder, Bloombench
- Mr.Shravan Agarwal, Co-founder, Rirev

Convener: Dr. G.T. Thampi

Co-conveners: Prof. Tasneem Mirza and Dr. Tanuja Sarode

Co-ordinators: Prof. Darakhshan Khan and Dr. Shilpa Verma

Problem Statements:

Machine Learning:

1) Movie Recommendation System.

The prototype should be able to solve the following problems.

a. Given a particular user_id, find the genre he is most likely will love watching.

b. Given a particular user_id, find the users he is most similar to

c. Given a particular movie_id, find the other movies which are the most similar to it.

Dataset: https://grouplens.org/datasets/movielens/
Use 'Recommended for education and development section' full dataset of 265 MB.

2) Topic Detection System

If-else is a popular topic in Computer Programming in the Java language.

1.Problem Statement: Create an application using NLP that detects whether a given statement is from If-Else chapter or not.

2.Dataset: Link for a few books is given below. Extract the data from the pdfs by scraping..

Example :
Input: "If - Else is a conditional statement."
Output: From the If-Else Chapter.
Input: "I will give a party if Sachin scores a century today."
Output: Not from the If-Else Chapter.

https://drive.google.com/drive/u/0/folders/1ScmXLB_pMKylTIQVY_bqX4yMNM5hoXM

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

You can use this link to find other books – https://libgen.is/

Blockchain:

1) <u>Blockchain based E-Voting system</u>

Currently, voting in India is done using an Electronic Voting Machine(EVM), which has several problems, namely time-consuming nature, needs a human resource for counting votes/managing, can be tampered with, etc.

A Blockchain-based e-voting system can not only make the whole voting procedure, secured and tamperproof but also allows voters to vote from their smart devices, thus reducing the time consumed.

Counting votes would also be easier and will be subject to fewer inaccuracies and more transparency.

2) <u>Blockchain in Healthcare</u>

Healthcare is an industry where the ability to access information or any omission in a patient's record could be the difference between life and death.

Maintaining patients' previous records is an integral part of the Healthcare Industry. The current scenario puts the onus on the patients to retain physical copies of their medical history which pose inherent challenges like portability and accessibility.

A blockchain-based solution is required that allows patients to add their medical records to the blockchain securely.

This information should be encrypted and only accessible by authorized personnel, which is allowed by the patient.

Such a tamper-proof and secured system would easily bypass the drawbacks of the current paradigm, without sacrificing functionality.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Web/Android App

1)   Ecommerce

According to <u>a recent report by Accenture</u>, 91% of consumers are more likely to buy from companies who remember them and provide relevant offers. Further, 83% of them are also willing to share their data in exchange for a personalised experience.

Personalisation can change the current scenario in the Ecommerce Industry.

Make a personalised Ecommerce Website of your choice.

Suggestions :
1)The website should be able to track customers purchases and social media accounts and make a profile out of it.
2)Using this profile:
   1. Personalised Home Page can be created; for example, a fitness enthusiast can be automatically redirected to the sports section. It could also have a 'pick up where you left off' section for incomplete orders.
   2. Recommendations can be made based on the customers browsing history and purchases/inventory.
   3. Further geotargeting can be used to make campaigns based on the user's location.
   4. Unique campaigns can be made for the customer during special occasions, for example - 10% discount on cakes on birthdays.
   5. Exit-intent campaigns can be used to encourage customers to complete transactions.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

2)   Social Cause

The Apprentice Project

Brief :

The Apprentice Project (TAP) team (alumni from IIM, TFI, and YIF) aims to build life skills in low-income kids by placing selected high-skilled volunteers in under-resourced schools for one year.

Currently, TAP works with 2500 students across 20+ schools with 200 facilitators.

Every Saturday for three hours the volunteers/facilitators mentor and teach in one of the following verticals based on their skills: Drama, Dance, Music, Public Speaking, Ultimate Frisbee, Electronics & Coding and Visual Arts.

Problem Statement:

1) Selection

The primary job of the TAP team is to select 250 facilitators from 2500 applications; for this, they currently use manual and excel based methods for sending emails and keeping information about the volunteer.

Create a volunteer management solution which can help the TAP team select the facilitators from the three-stage process so that all the emails are automated, and the serial numbers are generated automatically, etc.

The solution should make it easier for one person to manage everything, similar to CRM and ERP software.

2) Operation
For TAP's Operations team create a solution which can automate the communication with facilitators & provide a dashboard to the admin for facilitator management.

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

Currently, they use Google forms & sheets to collect data from facilitators, and admin staff manually do everything, including sending out Whatsapp messages.

Resources :
Refer "Selections" and "Operations" from TAP Processes PDF

https://drive.google.com/file/d/1-GqtA6AeHPtCKHWdNnxk63_P578SP06j/view

PS: This problem statement requires WhatsApp integration. Please attempt to utilize the relevant API queries.

TSEC Hacks 2021 Report

Website : http://www.tseccodecell.com/tsec-hacks/

TSEC CodeCell, under the able guidance of Prof.Tasneem Mirza, hosted its annual flagship event **TSEC Hacks**, a **40 hour Online Hackathon**, that was conducted from the 26th of March to the 28th of March, 2021. The aim of this competition was to nurture innovation, motivate the participants to code, and foster healthy competition among the participants. The event had participants from different colleges, different streams and different undergraduate levels.

The 40 hour Hackathon was conducted as follows:

- **Day 1 (26th March) -** The Opening Ceremony began at 5 pm followed by the Problem Statement Explanation. The Coding Period for the participants began at 7 pm.
- **Day 2 (27th March) -** The Mentoring Sessions commenced at 10 am and went on till 8:30 pm where the students received guidance from the mentors as to how to improve upon their projects.
- **Day 3 (28th March)** - The Coding Round ended at 11 am, subsequently followed by the Phase 1 of judging. Phase 2 of Judging commenced at 3 pm, and after deliberation by the judges, the winners were announced at the Closing Ceremony.

The Hackathon being an online event was conducted on numerous platforms, particularly WhatsApp, Zoom and Discord.The teams consisted of 2-4 members, with each team having to pay a registration fee of ₹100 after getting shortlisted.The hackathon saw an overwhelming response with a total of 138 teams, consisting of aspiring students from 43 colleges, registering for the event. After much consideration and discussion, out of the 138 teams, 63 teams were shortlisted to compete in the hackathon.

The Publicity for the event was done on CodeCell social media handles (Instagram, LinkedIn, Facebook, Whatsapp), as well as on online event websites such as Dare2Compete. Information about the Hackathon was also circulated among various college groups, and the event was publicized by the CodeCell team in all classes of the Computer, IT, EXTC and BioMedical departments of TSEC.

The participants were required to upload their code to Github at the end of the Hackathon. To aid the participants who were unfamiliar with the framework, a 3-hour workshop on '*Git and Github*' was conducted by Harsh Kapadia, a CodeCell committee

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

member, on the 21st of March. This workshop, attended by approximately 100 people, helped the participants unfamiliar with Git and Github gain a basic understanding of the frameworks and use it for collaboration during the course of the hackathon.

The Domains for the Hackathon were:

1. Web Development
2. App Development
3. Artificial Intelligence and Machine Learning
4. Blockchain
5. Social Cause

Besides the cash prizes the participants/winners were rewarded with other incentives such as:

1. Wolfram Award For Top 10 Teams (Worth $375 Per User)
2. 90%-70% Discount Coupons For Any Coding Blocks Course
3. SITH Free Course
4. Pair A Dice Cafe Coupons
5. Internships And Mentorship Provided By CertifyMe And SITH

All participants also got access to:
1. Wolfram|One ($25 For A Month)
2. Repl.It HackerPlan ($21 For 3 Months)
3. Taskade Unlimited Plan ($60 For 1 Year)
4. SashiDo Platform Credits
5. 65% Discount Coupons For Coding Blocks Courses

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

REGISTRATION STATISTICS

Domain	Number of Teams
Web/App Development	37
Artificial Intelligence and Machine Learning	15
Social Cause	9
Blockchain	2

PROBLEM STATEMENTS

Machine Learning

1. **Video KYC Application**

Analysis of Covid Vaccine
Earlier KYC verification was done in person, but due to COVID-19, banks are trying to implement a way to perform KYC virtually.

KYC: It means Know Your Customer, in which the organization makes some extra effort to verify the identity, suitability and risks involved with maintaining a professional relationship.

Your task is to create a web application in which the user will upload the government documents. The ML model will try to perform some type of verification and verify that the person uploading those documents is a legit user.

Optional Features:
What should happen if the model predicts a false negative?
Try to add any fraud detection system

Your solution will be judged on the basis of the uniqueness of your ML approach and different types of verification methods

2. **Invoice Processing System**

One major problem in the finance world is that invoice formats are not standard and structured. Extracting useful information from these documents is easy for humans but a challenging task for machines.

Your task is to create a platform where a user will

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

- upload their invoices in PDF/scanned image
- ML model will extract all of the required information
- Export the data into a JSON/CSV format

ML Model: You need to train a model from scratch on the given dataset or you may use your own data.

Dataset : https://drive.google.com/drive/folders/1ShItNWXyiY1tFDM5W02bceHuJjyeeJl2

Example of important information from Invoices:
- Invoice Number
- PO Number
- Invoice Date
- Due Date
- Terms
- Subtotal
- Tax
- Amount Due
- Currency
- Vendor Name
- Vendor Address
- Customer Name
- Other

Optional Features:
The user should have an option to review and validate the captured information from the model

Your solution will be judged heavily on the accuracy of your model.

Blockchain

1. *Cryptocurrencies Problem Statement:*

A cryptocurrency is a digital or virtual currency that is secured by cryptography, which makes it nearly impossible to counterfeit or double-spend. Many cryptocurrencies are decentralized networks based on blockchain technology—a distributed ledger enforced by a disparate network of computers.

Your task is to create a **Cryptocurrency of your own** and demonstrate Cryptocurrency transactions using animations and dynamic visualisations (wherever applicable).

Your application should demonstrate the process of adding new blocks to the blockchain. The visualization of the block should contain:

1. Index of the Block: Block #1
2. Hash: #00001834d29f33…
3. Previous Hash: #000dc75…
4. Timestamp: Tue, 19 Dec 2017 …
5. Data
6. Nonce: 1263

It should be capable of demonstrating 3 types of transactions:

1. Reward: Satoshi rewarded with 100 coins for mining a new block.
2. Regular: Satoshi paid Dean 5 coins with a change of 94 coins.
3. Fee: Mining fee of 1 for whoever mines the transaction (Satoshi in the example above).

It is necessary to address the following:

1. How is the value assigned?
2. How can people trust Cryptocurrency?

Reference: https://coindemo.io/

You can use:

1. Non-Linear Blockchain structures such as DAG
2. Consensus algorithms like BFT and EOS - dPoS

2.   Fake Product Detection System:

There are many fake products that exist in the supply chain and to ensure the genuineness of the product, a system is needed. To check the genuineness of a product, the ownership history of the product needs to be maintained.
Every popular brand has fake manufacturers selling a counterfeited item at cheaper rates. Even the company experts may not be able to distinguish between fake ones and real ones.
Your task is to use Blockchain to find if a product is authentic or not.

The system should work as follows:

1. The manufacturer marks the goods with 2D barcode / QR Code and packs them.
2. At each stop along the supply chain, anyone handling the product will create a record on the blockchain before sending it along to the next link using the 2D Barcode / QR-code.
3. The customers can scan the item's 2D Barcode / QR-code to ensure their authenticity.
4. Once the item is sold, the blockchain should mark the particular product as "sold".

If the product is authentic the application should provide all the details about the product along with the manufacturer, location of the manufacturer, distributor, location of the warehouse,

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.
transportation companies and retailers. The application should also notify the user if the product is fake.

Web/App Dev

1. *On-demand car service application*

Travelling by automobile has been the most widely used mode of transport. Often while travelling, passengers face the situation of a vehicular breakdown. Passengers are unaware of the car service centres available at remote places.

Create a web/mobile app that will help connect passengers and mechanics when in need.

Suggestions :

- The web/app should support all vehicles like cars, buses or trucks,etc.
- It should display the nearby service centres/mechanics to the passengers.
- Passengers should get the contact information and the scope of service the centres/mechanics provide (Cost charges should be mentioned).
- Once a mechanic is hired by the passenger, a confirmation receipt along with the arrival time should be displayed.
- In case of failure of any mechanical parts of the vehicle, the passengers should have an option to purchase mechanical parts from nearby centres.

2. *Course Tracker Companion*

Students usually do not have access to resources related to the session they attend. Student's might also miss the session due to technical difficulties.

Create a course tracker that tracks a series of recorded lectures and assists students.

Suggestions :

The course tracker should provide functionalities such as:
  a. Ability to upload recorded lectures.
  b. The teacher should be able to attach lecture notes and references.
The system should be able to crawl the internet for resources to supplement the lecture. The resources can be:
- Book references
- Academic and/or professional papers
- Tutorials and any other beneficial information.

3. _Job reviews for Students_

Students don't have a lot of information about the companies that could provide them with job opportunities. Most of the time this information is scattered.

Develop a system for Students to create a Company profile & a score for Campus job opportunities from the following sources -
1. Company website
2. Company Social Media account
3. Posts from the company's officeholders
4. Reviews on Google My Business and Glassdoor

Suggestions -
a. Students should be able to rate on parameters like
   ● Work-Life balance
   ● Types of projects
   ● Work culture
   ● Pay
b. Students should be able to plan their preparation for placements according to the company
c. Students should have the option to add company-specific questions to every company
d. A dashboard for students that helps them track their preparation

4. _Online IDE_
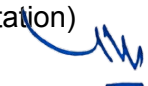

Build a Real-Time Collaborative coding ide/text editor.
Feature Set:
1. Related to Coding:
   A. Autocompletion
   B. Linting
   C. Syntax Highlighter
   D. Snippets
   E. Bracket Matching
2. Cross-Platform Support
3. File System Navigator
4. Language Server Protocol(LSP) Support(Client Implementation)

References:
LSP Client Implementation

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

(https://blog.logrocket.com/how-to-use-the-language-server-protocol-to-extending-a-client-764d a0e7863c/)

Social Cause

1. *Vatsalya Trust*

Due to the pandemic school children need access to electronic devices like phones, laptops, desktops for their online lectures. Sometimes children could misuse these things by skipping the lectures and instead could access websites and social media platforms. This has resulted in an alarming increase in internet exposure to children.

Vatsalya Trust is looking for a solution that could help the guardians/parents/supervisors of children to get notified in case of any misuse detected. Considering the time constraints, you are expected to come up with a solution with the following features (feel free to add your own ideas):

1. Build a Web/Mobile app/extension where the parents could register a device along with some other contact information.
2. Everytime a browser is accessed from this device and in case of any social media page is accessed during online lectures (for simplicity you may consider Google Meet) or tab is switched, issue a warning to the user. If ignored, report it to the parent/guardian email/phone.
3. Create a log of all the browsing activity the child is doing during online lectures.
4. Disabling this control/tracing should require parents'/guardian's permission.

BONUS:
- Cross-platform integration (mobile and desktop)
- Digital wellbeing reminders

2. *Aapka Sahara Foundation*

Design a senior-friendly website/app where senior citizens can connect to an ASF volunteer via phone-call/physical meetup
There should be registration pages for both - senior citizen and volunteer along with verification for both using some document

The website/app should show the nearest volunteers(for physical meetup) and then they can schedule a meet-up with the volunteer.

Optional feature
Implement a chat system wherein a senior citizen can chat with other senior citizens (individually and/or in the group) with similar interests

Dr. G. T. Thampi
PRINCIPAL
Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

The system should suggest people the senior citizen can/should chat with.
