Dear Dhyey,

We are pleased to inform you that you have been admitted to the Graduate College for the Fall 2021 semester as a student in the Information Sciences program. This letter is your official notice of admission.

This notice of admission is valid only for the Fall 2021 semester, requiring initial enrollment during this term.

For tuition assessment, you have been classified as a Non-Resident on the basis of currently available information. You have been assigned a University ID Number (UIN) and an Activation Code in order to access your student record. Please treat this ID information as confidential. Your

You have been admitted on Full Status.

To complete your admission, you must submit final, official academic credentials from the institution(s) below within one month of the start of the semester to the Graduate College: Univ of Mumbai

Please review our Admitted Student Final Credential Requirements <<https://grad.illinois.edu/admissions/admitted-student-final-credential-requirements>> for specifics on the documents needed to satisfy the conditions of your admission, as well as methods of submitting these credentials to the Graduate College. You will not be allowed to register for subsequent semesters until all required documents have been received. Please note that if you have already provided these final, official academic credentials to your department office, the department will work with the Graduate College to clear these conditions of your admission.

All students are required to complete immunization requirements and submit immunization history forms in order to enroll at Illinois. A complete list of required forms, deadlines and optional forms are available at <http://www.mckinley.illinois.edu/general/admission.htm>.

# COLUMBIA | ENGINEERING

The Fu Foundation School of Engineering and Applied Science

Dear Ms. Radhika Bhadbhade:

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Chemical Engineering Master of Science program beginning Fall 2021. You have been admitted to the program as a full-time student, and will be expected to register in a minimum of 12-credits in the Fall 2021 semester. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at <https://gradengineering.columbia.edu/welcome> for essential information to assist you with your transition to the Columbia Engineering and Applied Science community.

You now have the opportunity to join a School with a rich history and an expanding future. As a School of Engineering and Applied Science, we are fortunate and proud to attract students and faculty from diverse backgrounds, from across the country, and from around the world. As a community, we have the privilege to learn from one another, and to study, work, and live together in the dynamic and vibrant place that defines Columbia. It is a great benefit to be able to gather engineers and scientists of so many different backgrounds and perspectives with a commitment to learning, a focus on pushing the frontiers of knowledge and discovery, and a shared passion for translating our work to impact humanity.

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Fall 2021 class, the Office of Graduate Student Affairs must receive your response and \$4,000.00 non-refundable tuition deposit by 11:59 p.m. EST on 02/08/2021. [Click here](#) to respond to the offer. This offer is applicable only to the Fall 2021 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: <http://isso.columbia.edu/> and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post-secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: <https://www.gradengineering.columbia.edu/student-life/new-students>.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at [seasgradmit@columbia.edu](mailto:seasgradmit@columbia.edu). We look forward to working with you in your future academic endeavors.

Dear Jenil Ashw:

Congratulations on your admission and welcome to graduate study at Rutgers.

Review your personal information above. If any changes are necessary, please contact the Graduate Admissions Office. You must satisfy any special conditions cited: if conditioned for transcripts, please send to the Graduate Admissions Office within two weeks after the beginning of the term for which you have been admitted.

- **Accept or decline your offer of admission** online at <http://gradstudy.rutgers.edu/status>. Even if you decline this offer of admission, your courtesy in informing us may open a position for another applicant.
- **Registration instructions** may be accessed online at <http://nbregistrar.rutgers.edu/grad/index.htm>. Any registration questions may be addressed to [gradreq@registrar.rutgers.edu](mailto:gradreq@registrar.rutgers.edu).
- All **health and immunization requirements** and forms are found on the Rutgers Student Immunization Portal <https://rutgers.medicatconnect.com>. Select Rutgers, The State University of New Jersey from the dropdown list and then login to the Portal using your NetID and password. Follow the instructions for the four steps to complete your immunization and health requirements.
- If you are interested in **on-campus housing**, please review the Rutgers Graduate Housing website at <http://ruoncampus.rutgers.edu/graduate-student-housing/>.

Thank you for your interest in Rutgers, The State University of New Jersey. I hope that your graduate experience here will be rewarding.

Mr. Karve:

Congratulations! We are pleased to offer you admission to the Masters in Bioinformatics (Biology) program beginning in Fall 2021 semester for the Atlanta campus. Admission to this program is highly selective and your qualifications and achievements have distinguished you amongst the many exceptional applicants this year.

We look forward to welcoming you to Georgia Tech's innovative and dynamic graduate community and wish you every success. Please confirm your acceptance of admission on the [application portal](#) as soon as possible, but no later than 30 days of the receipt of this letter.

Please be advised that this offer of admission is contingent on Georgia Tech's Office of Graduate Studies verifying and evaluating your application documents for the following:

1. Receipt of [official transcripts](#) from every college or university you have attended for academic credit.
2. Proof of degree or a degree certificate. Must be a US four-year bachelor's degree from a regionally accredited institution, or the international equivalent.
3. Satisfaction of the Institute's requirement for [proof of English Proficiency](#).
4. That you are in compliance with the University System of Georgia's requirement that students who are in the United States are [Lawfully Present](#).

If additional or final documents are needed prior to you enrolling at Georgia Tech, the Office of Graduate Studies will notify you via email. You can also go to your [Application Status Portal](#) at any time to check the status of your application materials.

Georgia Tech reserves the right to rescind this offer of admission if there has been a dramatic decline in academic performance since your application was submitted, if there have been egregious behavior/disciplinary issues, or if in the verification of your documents, your application is deemed ineligible.

Please note that this offer of admission is valid only for the specific major, degree, and semester indicated above. If it is necessary for you to change any of this information, you must contact your

Dear Dhrumil Yogesh Parekh,

Congratulations! I am pleased to inform you that the admissions committee in Information Management has admitted you into their program for Fall 2021 as a Master of Science student.

Your next step in the admission process is to submit supporting documents as evidence of adequate funding in order to receive your visa forms. You will need to show evidence of having secured sufficient funding for at least the first year of graduate study.

- **Privately sponsored applicants.** Acceptable evidence of such funding consists of a certified current bank statement on official bank letterhead, signed by an authorized bank official, indicating the amount of sufficient funds that exist to meet at least first-year expenses.
- **Government-sponsored applicants.** An original award letter (or a certified copy of an award letter) must be submitted and state the annual amount of the award in U.S. dollars.
- **Educational loans.** Sanctioned loans are acceptable for submission as proof of financial support. Sanctioned loan letters must be accompanied by terms and conditions and clearly indicate the loan as "approved" or "sanctioned." The letter must be in English and

on official bank or institution letterhead. The principal of the loan amount given is to be provided in U.S. dollars and include a date of issuance.

**All financial documents must be written in English and valid within one year of the start of the semester.** When sending documentation of adequate funding, photocopies of financial documents are acceptable, and can be emailed to [grad@syr.edu](mailto:grad@syr.edu). Be sure to write your name, date of birth, name of the program you are applying to, and your SUID number 461973891 on all documents you send.

The cost of one year (twelve months) at Syracuse University is determined based on the number of credits your program expects you to take, your living habits, cost of living changes and possible changes in tuition and fees. On the [Graduate Admission Cost of Attendance](#) webpage you will find the "estimated cost" of attendance, including all university costs and living expenses for one year of study.

If you have questions about your admission, please direct them to the Information Management program department. When communicating with the University about your application, please refer to your unique, nine-digit Syracuse University identification number (SUID): 461973891.

We look forward to receiving your financial documents and welcoming you to our graduate community.

Sincerely,

Peter A. Vanable, Dean of the Graduate School

**YOU'VE MADE IT OFFICIAL — THANK YOU FOR CONFIRMING!**

**Anirudh Chandrashekhar Rao, University ID:14517171**

On behalf of the faculty and staff, I am excited to share that you have been provisionally admitted to Drexel University. You were selected from an accomplished and talented group of applicants.

The following information provides details regarding your admission to Drexel University. If you require a physical copy of your admission letter for a visa application or scholarship purposes, please print this page. This printout is considered an official copy.

### **PROGRAM INFORMATION**

You have been admitted to the following program:

**Major Admitted:** Business Analytics, MS

**Degree:** MS in Business Analytics

**College:** LeBow College of Business

**Status:** Full-time

**Starting Term:** Fall

**Student Type:** 2021-2022 Graduate

*Please note that your offer of admission is specific to the term and major above.*

### **YOUR ADMISSION DECISION**

**Congratulations!** Drexel University is pleased to provisionally offer you admission. An official admission letter has been sent to you by mail.

### **SCHOLARSHIP INFORMATION**

Scholarship funds are disbursed evenly throughout your program based on the number of courses/credits you are enrolled in per term. Valid only for the admitted program and term. Funds are not applicable to courses taken outside of the required plan of study or additional programs/certificates pursued.

### **Alumni Scholarship**

I am pleased to share that you have been selected to receive an Alumni Merit Scholarship in the amount of **\$18,000 over 45 credits**. This award is made possible from the generosity of our alumni who give back to help future generations of LeBow College of Business graduates.

### **CONDITIONS OF YOUR ADMISSION**

#### **Provisional Admission**

Your offer of admission is provisional based on needing to provide final, official transcripts from University of Mumbai. Failure to do so by September 1, 2021 may result in a hold on your account. If applicable, documentation that the provisions have been met must be received before you can begin the program.

#### **Final Transcripts**

  
  
Dr. G. T. Thampi  
PRINCIPAL  
Thadomal Shahani Engineering College  
Bandra (W), Mumbai - 400 050.

If you are currently enrolled in a college or university, you must submit final transcripts. If final transcripts are not received prior to the start of coursework at Drexel, a registration hold may be placed on your account. If other materials were requested at the time of your acceptance, these must be submitted as well.

### **Disciplinary Actions**

You are required to notify Drexel of any legal or disciplinary actions taken against you prior to enrollment. Drexel University reserves the right to withdraw your offer of admission in the event that 1) you show a significant drop in academic performance, 2) you fail to graduate, 3) you misrepresent yourself in the application process, or 4) the University learns that you have engaged in behavior prior to enrollment that indicated a serious lack of judgment or integrity.

### **NEXT STEPS**

Now that you are confirmed, there are some additional items you must complete before beginning classes at Drexel University.

#### **Pick Up Your Computer and Email Accounts**

As a Drexel student, your next step is to pick up your computer accounts, such as email and DrexelOne. You must check your Drexel email account regularly for important updates regarding placement tests and your tuition bill. Visit the Information Technology (IT) New Accounts page (<http://accounts.drexel.edu/>) to pick up your accounts using your University ID: 14517171.

#### **Submit Required I-20 Application Documents**

Students without United States Citizenship or Permanent Residence (also called a Green Card) will require a visa that permits them to study in the United States. Some foreign students already have a visa that allows them to study at an American university. It is important to know whether that visa will also allow you to work, especially if you will pursue a program at Drexel with a co-op requirement (cooperative education).

Please note that only those students who have confirmed their acceptance to Drexel can start the visa application. Drexel can support you in pursuing one of two types of student visas: an F-1 visa or a J-1 visa. If you have any concerns or questions about what type of visa you need in order to pursue your studies at Drexel University, please visit the International Students and Scholars Services Office website ([http://drexel.edu/studentlife/get\\_involved/international\\_students\\_scholars/new-international-students/](http://drexel.edu/studentlife/get_involved/international_students_scholars/new-international-students/)) to learn more about different visa types.

#### **Review Your Financial Aid Information**

To review your financial aid information, please visit the Financial Aid tab (<http://admissions.drexel.edu/apply/status>).

#### **Complete the Items on the Graduate Student Checklist**

To ensure your smooth transition to Drexel, be sure to also complete all items listed on the New Student Checklist on our Graduate Admissions Admitted Students page (<http://drexel.edu/grad/resources/admitted/>).

On behalf of the faculty and staff, I am excited to share that you have been provisionally admitted to Drexel University. You were selected from an accomplished and talented group of applicants.

The following information provides details regarding your acceptance to Drexel University.

### PROGRAM INFORMATION

You have been admitted to the following program:

**Major Admitted:** Artificial Intelligence and Machine Learning, MS

**Degree:** MS in Artificial Intelligence and Machine Learning

**College:** College of Computing & Informatics

**Status:** Full-time

**Starting Term:** Winter

**Student Type:** 2020-2021 Graduate

*Please note that your offer of admission is specific to the term and major above.*

### YOUR ADMISSION DECISION

**Congratulations!** Drexel University is pleased to offer you admission. An official admission letter has been sent to you by mail.

### CONDITIONS OF YOUR ADMISSION

#### Provisional Admission

Your offer of admission is provisional based on being initially permitted to enroll in a maximum of twelve (12) credit hours, including being required to take CS 502 as part of your plan of study. Upon completion of these twelve credits with a 3.0 (B) GPA average or better, you will be removed from provisional status. If your grade point average is below a 3.0 after the completion of these twelve credits, you will not be allowed to register for any future graduate courses at Drexel. If applicable, documentation that the provisions have been met must be received before you can begin the program.

#### Final Transcripts

If you are currently enrolled in a college or university, you must submit final transcripts. If final transcripts are not received prior to the start of coursework at Drexel, a registration hold may be placed on your account. Dear Hriday,

Congratulations! You have been conditionally admitted to the M.S. in Quantitative Finance program at the Gabelli School of Business for the 2021 Fall term. **Admittance is conditional and contingent upon receipt of your official undergraduate transcript(s) and transcript evaluation indicating your degree has been awarded. Final grades must be consistent with your prior performance.** Additionally, you have been awarded a **Dean's Scholarship** in the amount of **\$15,000** to be dispersed equally over the first two consecutive academic terms of your admitted program. Detailed scholarship information will be provided in the following weeks.

Your admission is a testament to your academic and professional accomplishments, which we are confident will make you a strong addition to the Gabelli community. It is also a reflection of our belief in your potential for career success. In addition to offering you an immersive and challenging educational experience, our degree will prepare you to become a leader of purpose.

**Your undergraduate coursework did not fulfill our pre-requisite requirements. Therefore, you must take the following course(s) during the summer:**

- **Online Basics of Finance:** The Basics of Finance course will be conducted as long-distance on-line lectures starting in early July.
- **Online Basics of Economics:** The Basics of Economics course will be conducted as long-distance on-line lectures starting in early July.
- **Basics of Accounting:** The Basics of Accounting course will be conducted as long-distance on-line lectures starting in early July.

Please note that the dates are approximate and subject to change. We will send more information soon. The pre-requisite courses (with the exception of Mathematics and Probability & Statistics) are not part of the MSQF program and are charged separately at the Gabelli School of Business tuition rate outlined in our website.

**You will be required to take the following course(s) during the summer.**

- **Linear Algebra**

**You will need to take this course(s) at an accredited college outside of Fordham University before you start the M.S. in Quantitative Finance program, and submit an official transcript to the Admissions Office.**

We recognize that the decision to pursue a graduate degree requires a high level of commitment and therefore needs to be carefully considered. You will find your Reply to Offer of Admission form in your **Applicant Status Page**. Please fill out this electronic form as soon as you have made your decision. Once you have done so, to reserve your place in the coming term's class, you must return to the **Applicant Status Page** and submit the non-refundable \$2000 deposit payment online via the "Enrollment Deposit" link by **May 3, 2021**. If you need additional time to make a decision and submit your Enrollment Deposit, you will need to submit the **Deposit Extension** form by **May 3, 2021**.

If you haven't already done so, I encourage you to **visit** the Gabelli School of Business prior to the start of the term. Please contact us to arrange a campus tour, class visit, or for you to meet with faculty, students and administration. If you are unable to visit, we can coordinate an alternate time for you to speak with an Office of Admissions representative or a current student.

If you have any questions, please contact us by calling (212) 636-6200 or (800) 825-4422, by e-mailing [admissionsgb@fordham.edu](mailto:admissionsgb@fordham.edu), or by visiting: [www.fordham.edu/business](http://www.fordham.edu/business).

## INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

## INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. **INSTRUCTIONS TO SCHOOLS**

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. Dear Lavin,

Congratulations! On behalf of the admissions committee, I am pleased to extend you an offer of admission to New York Institute of Technology. You have been admitted to the User Experience/User Interface (UX/UI) Design and Development, M.A. program at our New York City campus beginning in the Fall 2021 semester. I am pleased to congratulate you on this fine achievement!

As you prepare to enroll at New York Institute of Technology, there are certain conditions that you must fulfill to ensure a successful and smooth matriculation. The User Experience/User Interface (UX/UI) Design and Development, M.A. Department has granted you admission on the condition that you fulfill the below item(s). Assigned core coursework may be discussed with your academic advisor. A list of graduate advisors can be found online at [nyit.edu/advisors](http://nyit.edu/advisors). You will need to speak to your advisor in order to schedule classes.

Conditions of Acceptance:

Must submit Official Final Transcript with 7th & 8th Mark-sheets, and the Proof of Degree.

You will receive an official letter with your I-20 in your acceptance package, which will be delivered to you via UPS. This will be prepared once you have submitted your financial documents required for your I-20, including a notarized Affidavit of Support and bank statement with bank seal from your or your sponsor's bank demonstrating financial support.

Please review your official letter for more information about the terms of your admission.

Lavin, we are quite proud of your accomplishments. When you join us at New York Tech, we'll challenge you with a career-oriented curriculum that will encourage you to develop critical skills and give you hands-on experiences both inside and outside of the classroom.

Your admission is contingent upon successful completion of your academic work now in progress. We encourage you to keep up the good work.

Next Steps

Check your [Admitted Student Portal](#) frequently for details about all of your next steps and any upcoming events. We will also send you email reminders to help guide you through your next steps. We look forward to you joining New York Tech! Please accept our offer of admission and secure your place. To deposit, select the "reply to offer" button in this letter. If you are ready, select "accept offer." You will then be prompted to complete your \$500 payment within four weeks.

Dear Ms. Mrunmayee Vijay Rane,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2021 semester to the degree of Masters of Science in Computer Science & Engineering.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Computer Science & Engineering Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at [gradeng@buffalo.edu](mailto:gradeng@buffalo.edu) or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

**Immunization requirements:**

In accordance with New York State Public Health Law, UB requires that all students (undergraduate, graduate, professional) born on or after January 1, 1957 provide proof of immunity against measles, mumps, and rubella. The state also requires that all students receive information about meningococcal disease and have made an informed decision about whether or not to receive immunization against meningococcal disease. UB students will not be allowed to register for classes until they have fulfilled these requirements. To learn more, visit <http://bit.ly/32kTA2Q>

**Additional requirements for International applicants:**

Upon final approval of your credentials in the Office of International Admissions, your I-20, along with information on housing and other appropriate items, will be sent to you directly from the Office of International Admissions. This process will take approximately one month after you have notified us of your acceptance of our offer; please note your application will not be forwarded to International Admissions until we receive your response.

This offer of admission is considered provisional until receipt of an official undergraduate transcript confirming your undergraduate degree conferral. The Office of International Admissions will provide you with instructions for sending these documents to the University at Buffalo.

**Date of Offer: 28/11/2020**

Dear Gehna,

**Conditional Letter of Acceptance: Computer Science - Data Analytics (MSc) - CSD**  
**Student ID: 21230450**

I am pleased to confirm that you have been **conditionally accepted** in the course **Computer Science - Data Analytics (MSc) - CSD** for the entry term **Autumn 2021** at the National University of Ireland, Galway in accordance with the usual Rules and Regulations of the University. The details of the offer are as follows:

<b>Programme:</b>	<b>Computer Science - Data Analytics (MSc) - CSD</b>
<b>Level:</b>	<b>Taught Masters</b>
<b>Mode:</b>	<b>Full Time</b>
<b>Teaching Starts:</b>	<b>Monday, 6th September 2021</b>
<b>Annual Tuition Fee:</b>	<b>€23,750</b>
<b>Deposit Paid:</b>	<b>€1,000.00</b>

***\*Tuition fees are subject to annual review.***

Your course acceptance and payment of non-refundable deposit is acknowledged.

Please note that applicants from **VISA Required Countries (except India)** will need to pay **€6,000** towards their **Tuition Fees** in order to obtain **VISA approval**. Applicants from **India** are required to pay **50%** of their tuition fees in order to obtain **VISA approval**.

If you are an applicant from a **Visa Exempted Country**, then you can ignore the above message. A list of Visa Exempted Countries can be found [here](#).

**This offer is contingent on the following:**

#### **English Language Requirements**

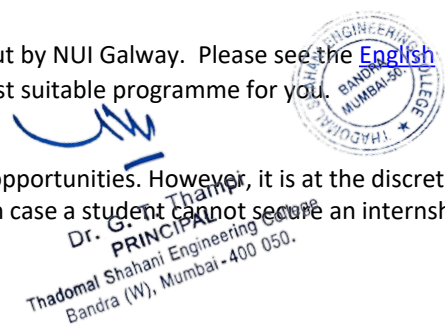

All Non-EU applicants must meet the [English language requirements](#) set out by NUI Galway. Please see the [English Language Centre](#) website for full details and to book your place on the most suitable programme for you.

#### **Internships**

In case your programme includes an internship, we will secure internship opportunities. However, it is at the discretion of employers of whether they shortlist and offer a position to applicants. In case a student cannot secure an internship, other modules must be completed to complete the programme.

#### **Student Visa and Immigration Guidelines**

All non-EU/EEA nationals are subject to immigration control at the point of entry to the Irish State. EU and United States citizens do not require a student visa to enter Ireland, however please ensure you bring a valid passport, your acceptance letter and proof of payment of fees with you to present to immigration control. Students who require a student visa should apply to the Irish Naturalisation and Immigration Service. Application may take up to 6 weeks to process. Please refer to [www.inis.gov.ie](http://www.inis.gov.ie) for details.

All non-EU/EEA nationals are required to register with the Gárda National Immigration Bureau (GNIB) within 30 days of their arrival in Ireland. Before registering with the GNIB, students are required to register with the University and collect a letter confirming their student status from the International Affairs Office at NUI Galway, upon registration with the University.

Proof of medical insurance is required for study visa applications and from registering with the GNIB. Medcover is a medical expenses insurance policy available exclusively to international students travelling to Ireland from overseas to undertake a course of study can be purchased online at [www.odon.ie/nuigalway](http://www.odon.ie/nuigalway)

### Estimated Cost of Living

In addition to the cost of tuition outlined above, we recommend international students to budget approximately €1,200 per month to cover all other associated costs, including housing, food, study materials, recreation, etc. For more information on living costs, student housing and student life at NUI Galway, please refer to our website at [www.nuigalway.ie/international-students](http://www.nuigalway.ie/international-students).

### Methods of Payment

International Students can pay their deposit or tuition fee from their home country in one of two ways:

#### Option 1: TransferMate (Recommended for non-EU Students)

Non-European Union (EU) students are strongly advised to pay their tuition fee through the TransferMate website <https://nuigalway.studentfees.ie/>. TransferMate payments usually take less than 48 hours and the receipt is accepted as proof of payment of tuition fees by the Irish National Immigration Service (INIS) for study visa applications and at the point of entry to Ireland. TransferMate also avoids international bank charges and because you pay in your own currency, the University receives the exact amount owed.

#### Option 2: Bank Transfer

Alternatively, international students can also pay their tuition fee by international bank transfer using the following details:

**Bank:** Bank of Ireland, 43 Eyre Square, Galway  
**A/C No:** 28454143  
**A/C Name:** National University of Ireland, Galway  
**IBAN:** IE43 BOFI 9038 1628 4541 43  
**Sort Code:** 90-38-16  
**Swift Code:** Bof IIE2D

Please ensure you quote your 8-digit application number on all wire transactions. Please note that the processing time and the fee for sending international wire transfers may vary from bank to bank. Please allow for up to 10 working days for processing if paying by bank transfer.

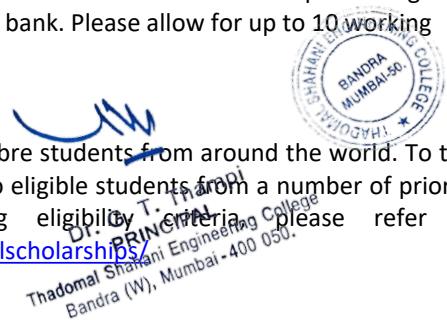

### Scholarships

National University of Ireland, Galway is committed to attracting high calibre students from around the world. To this end, the University offers a range of merit based partial tuition waivers to eligible students from a number of priority countries. For more information about the awards, including eligibility criteria, please refer to <http://www.nuigalway.ie/international-students/feesfinance/internationalscholarships/>

### Financial Guarantee

Students in receipt of a government or other third-party scholarship (from their home country) must submit an official financial guarantee letter from the awarding body to the International Affairs Office, NUI Galway upon receipt of this Letter of Acceptance. You will not be able to register as a student at NUI Galway until your financial guarantee has been received. Please check the International Affairs website for [contact details](#).

I would like to take this opportunity to congratulate you on receiving an offer from NUI Galway. I look forward to welcoming you to Galway in the near future.

OÉ Gaillimh  
NUI Galway

Yours sincerely,

---

Dear Sneh Suresh,

We are delighted to inform you that following assessment of your application, you have been offered a place on our MSc Computer Science (Negotiated Learning) FT course.

The details of your offer are as follows:

Course name:	T150 Computer Science
Course commencement date:	13 September 2021*
Offer status:	Conditional Accept
Acceptance deadline:	27 November 2020
Course duration:	1 Year Full Time
2021/2022 Tuition Fee:	EUR 25,600.00*

Your offer is conditional on:

successful completion of your degree, maintaining an overall CGPI of 8.0 or higher and submission of your final official transcripts.

Please understand that this offer is based on our belief that you have furnished us with accurate information in your application (e.g., level of programming ability and appropriate language skills). It is important that all students joining the programme are aware of this as there will be no provisions made for students that demonstrate poor performance due to inadequate programming capability for example.

The Induction Day will be held on Monday 6th September and it is obligatory for students to attend. The timetable for this will be emailed nearer to the date. Students will have their Student Needs Assessment during the period Tuesday 7th to Thursday 9th September. At this time you will have the opportunity to negotiate your individual learning contract which will specify the modules that you will be enrolled in for the Autumn and Spring terms of your course.

ILEP Prog Ref No: 0032/1929

Please note, in addition to the initial EUR500 deposit payable by the deadline detailed above, to secure your place you will be required to make a tuition fee payment of EUR5,900 by 06 January 2021

Dear Mr. Raikar,

Thank you for applying through the international direct process. It is my pleasure to inform you that you have been accepted to the Master of Science in Computer Science program at the University of Massachusetts Boston for the Fall 2021 semester as part of the International Direct application process. Your acceptance is provisional contingent on the receipt of all final official transcripts indicating receipt of a baccalaureate degree (or its US equivalent) and all official test scores. **Please be prepared to submit your official transcripts and degree certificates upon arrival, as you will not be permitted to enroll in classes until the Office of Graduate Studies receives them. Official test scores must be received directly from the testing agency by the end of your first semester.**

At UMass Boston we are committed to high-quality teaching, research, innovation and collaborative engagement. Never in our university's history has there been a more exciting time to join UMass Boston's community of scholars, athletes, researchers, activists and achievers. Here you will grow and transform on our beautiful waterfront campus as you take advantage of the many unique opportunities afforded you at Boston's premier public research university. Your personal determination and academic qualifications demonstrate your ability to be both an impactful and successful member of the University.

With this letter you will receive information about next steps: your visa documentation and instructions, and health insurance among other useful informational pieces.

As you continue to move forward with the next phase in your educational career, we are here to help you and to answer any questions you may have about UMass Boston. Please contact the UMass Boston Global Admissions Office at [admissions@umbinternationaldirect.org](mailto:admissions@umbinternationaldirect.org).

I congratulate you on your accomplishments and welcome you to the University of Massachusetts Boston community. We are confident that you will find us accessible and responsive to your needs and concerns and hope that you will not hesitate to call on us if the need arises. I wish you success in your graduate studies.

Dear Mohammed Saud,

We are pleased to inform you that you have been admitted to the Graduate College for the Fall 2021 semester as a student in the Information Sciences program. This letter is your official notice of admission.

This notice of admission is valid only for the Fall 2021 semester, requiring initial enrollment during this term.

For tuition assessment, you have been classified as a Non-Resident on the basis of currently available information. You have been assigned a University ID Number (UIN) and an Activation Code in order to access your student record. Please treat this ID information as confidential. Your UIN is 667396868 and your Activation Code is 60832727.

You have been admitted on Full Status.

To complete your admission, you must submit final, official academic credentials from the institution(s) below within one month of the start of the semester to the Graduate College: Univ of Mumbai

Please review our Admitted Student Final Credential Requirements <<https://grad.illinois.edu/admissions/admitted-student-final-credential-requirements>> for specifics on the documents needed to satisfy the conditions of your admission, as well as methods of submitting these credentials to the Graduate College. You will not be allowed to register for subsequent semesters until all required documents have been received. Please note that if you have already provided these final, official academic credentials to your department office the department will work with the Graduate College to clear these conditions of your admission.

All students are required to complete immunization requirements and submit immunization history forms in order to enroll at Illinois. A complete list of required forms, deadlines and optional forms are available at <http://www.mckinley.illinois.edu/general-admission.htm>.

## INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

## INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Yash Mahesh,

Congratulations! It is my distinct pleasure to inform you that you have been admitted as a graduate student at the University of California, Davis, for the M.S. program in Computer Science for Fall Quarter 2021.

UC Davis is a dynamic and unique campus, set in a pleasant physical environment. Graduate education is an important priority at UC Davis and you will find many opportunities here to grow professionally and personally. If you are in the process of deciding between graduate schools, we hope you will give us every chance to persuade you to choose UC Davis. In addition to the specific aspects of the graduate program to which you have been admitted, other reasons to consider UC Davis include an internationally-known faculty; a low student-faculty ratio; first-rate research facilities; and an atmosphere that promotes collaboration. UC Davis and the surrounding community are great places to live, work and study.

We sincerely hope that you will choose to enroll at UC Davis, and ask that you inform us of your decision as soon as possible. *To accept or decline your admission offer*, click on the "Return to Application Status" hyperlink which is displayed at the bottom of this letter. Then, complete the Statement of Intent to Register form located on your Application Status page, found in the Forms section of the page.

The graduate advisor or program staff member in your graduate program will be happy to discuss the program, course enrollment, and faculty interests at UC Davis. Your graduate program coordinator is your point of contact concerning any financial support that you will be offered or for which you have applied. Information on enrollment and fee payment will be sent at a later date. Please continue to check your email for additional notices from UC Davis.

Once again, congratulations on behalf of all of us here at UC Davis. We will do everything in our power to ensure that your graduate experience is a rewarding one, and I look forward to welcoming you to our university.

Sincerely,

Dear Mr. Parth Nihar Nagarkar:

Congratulations! It is my pleasure to inform you that you have been admitted to the highly selective Master's program in Computer Science at Stony Brook University starting in the Fall semester of 2021. To accept this offer, please follow the directions at the end of this letter. This offer is contingent upon receiving all the required official documents, and your enrollment as a full-time student in the program by the 15th day of each semester and maintaining a GPA of at least 3.0 in each semester. Typically, our Master's program can be completed in three semesters.

**No Financial Support.** We regret that the Department cannot offer financial support to incoming Master's students. Pending good progress, support sometimes becomes available after the first semester. Usually this comes in the form of a Teaching Assistantship from the Department or a Research Assistantship from a faculty member with research grants. Students find such support on their own after they become familiar with the various projects in our Department and on Campus.

**Accepting this offer.** Please email [graduate@cs.stonybrook.edu](mailto:graduate@cs.stonybrook.edu) a scan of the letter after signing the below, latest by **May 25, 2021**. Once your offer is processed, you will receive an automated email from the Graduate School with your student ID and other information (including On-Campus Housing details; see [http://studentaffairs.stonybrook.edu/res/housing\\_facilities/apartments.html](http://studentaffairs.stonybrook.edu/res/housing_facilities/apartments.html)). Vikyath Vivek Shetty

India

Dear Vikyath Vivek Shetty,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science (Artificial Intelligence) within the Andrew and Erna Viterbi School of Engineering for Fall 2021. Your degree objective is the Master of Science. Please include your USC ID whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at [gradwelcome.usc.edu](http://gradwelcome.usc.edu), which includes specific information about registration and enrollment. You will also find a link to the portal at [you.usc.edu](http://you.usc.edu) when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy E. Brunold

Dear Tanvi,

On behalf of the Graduate School of Virginia Tech, I am pleased to inform you that based upon the recommendation of the Computer Science & Applications faculty, we can offer you admission to the Master of Engineering in Computer Science & Applications program for Fall 2021 at the Blacksburg campus. Congratulations!

If you have not already done so, please provide an official final transcript(s) indicating that prior degree work has been completed and any applicable official test scores prior to enrollment. Please contact your academic department for further information regarding your admission, including any necessary prerequisites.

At Virginia Tech, we are committed to providing you with a quality graduate education that is intellectually stimulating and professionally focused. We believe in building a strong graduate community. During your graduate study at Virginia Tech, you will have many opportunities to participate in both academic and social activities. I look forward to welcoming you individually to the Virginia Tech graduate student community. Please let us know if you will accept our offer of admission by completing the Offer of Admission Reply form found on your student portal page.

As you prepare for your studies at Virginia Tech, I encourage you to review our comprehensive online [New Student Guide](#).

I know that financial assistance is of concern to most graduate students. It is important that you contact your department directly regarding assistantships and other funding questions. You may also visit the [Office of Scholarships and Financial Aid](#) to identify types of financial aid for which you may be eligible to receive.

- The Free Application for Federal Student Aid (FAFSA) is the application for federal student loans and is available January 1st at [www.fafsa.gov](http://www.fafsa.gov) for US citizens and permanent residents.
- You may file the FAFSA with estimated tax figures if you have not submitted your federal tax return.
- The Office of Scholarships and Financial Aid recommends you submit the FAFSA by early May to give them time to process your financial aid.

To access VT information and services, you will need a Personal Identifier (PID). Your PID and password grant access to e-mail, online course materials (Canvas), Hokie SPA (course registration), My VT (portal system), the university library databases, and more. The Graduate School and many departments communicate with you via your Virginia Tech email account that is accessed with your PID. [Please promptly create your PID](#). Your student identification number, needed to create a PID, is: 906466896. Please allow 24 hours for our systems to update before creating your PID.

Dear Abhijeet:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies' Master of Professional Studies in Analytics with a concentration in Statistical Modeling program for the Winter 2020 term with a January start date. Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):

- You must submit final official transcripts showing degree conferral and date.

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. Should any changes to your condition of acceptance and/or program requirements occur, you will be notified of the changes and be held to any new standards put in place.

Now that you have been accepted, **please confirm that you plan to attend by completing the enrollment confirmation form.** This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at <https://cps.northeastern.edu/academic-resources/registration/courses>. It is important to note that you are required to follow the program curriculum that is in effect during the Winter 2020 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Winter 2020 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

Dear Aditya,

I am delighted to inform you that you have been recommended for admission to the Master of Science in Computer Science program in the College of Information and Computer Sciences at the University of Massachusetts Amherst beginning in Fall 2020.

Our graduate program is among the highest ranked and highest impact research programs in the world. We have a faculty of 50 tenure-track professors engaged in cutting-edge research. The College of Information and Computer Sciences is distinguished by its unique culture of collaboration within the college and across other departments on campus. Students have opportunities to take courses in other departments to complement their computer science coursework in order to prepare for industry or academia.

The University of Massachusetts is the Commonwealth of Massachusetts' flagship campus and is located in a beautiful and bustling college town ranked as one of the top 10 College Towns in America by U.S. News. UMass Amherst sits in the scenic Pioneer Valley and is located 90 miles from Boston and 175 miles from New York City.

You will receive an official admission letter of acceptance from the Graduate School. We ask that students reply to the offer of admission via SPIRE by April 15<sup>th</sup> in order to allow time for enrollment in our fall semester courses. Please be aware that teaching and research assistantships are not available to master's students. Tuition and fees for the master's degree for out-of-state students is approximately \$52,440. The most recent tuition information can be found here: <https://www.umass.edu/bursar/tuition/graduate-tuition-rates>.

We look forward to your response!

# NEW YORK UNIVERSITY

Dear Ashay Changwani:

On behalf of Dean Phillip Brian Harper and the Graduate School of Arts and Science, I am very pleased to tell you that you have been admitted to the Master of Science program in Computer Science. You may register for the Fall 2020 semester. We congratulate you on this achievement.

We regret to add that there are no fellowships or scholarships available to you through the Graduate School or your program. In the Other Resources section of the Admitted Student Resource Page (see link below), you will find information detailing other sources of funding. I encourage you to explore the many options available.

We very much hope that you will accept this offer of admission. As you consider your decision, you will find the following information important to know:

Admitted Student Resource Page: [gsas.nyu.edu/admissions/AD](https://gsas.nyu.edu/admissions/AD)

Date by which you must notify the Graduate School of your decision: 04 May 2020

University ID (UID): N19283120

NetID: ac8832

To notify us of your decision, please follow the instructions on the Admitted Student Resource Page. To officially accept the offer of admission, we require a \$250 enrollment deposit (U.S.). The enrollment deposit is non-refundable and must be paid by credit card. It will be applied as a credit against your first term's tuition. If you choose not to accept the offer, we also ask that you notify us.

Please be advised that enrollment in the Graduate School requires conferral of the baccalaureate degree or equivalent. Your enrollment is conditional on your having provided official transcript(s) showing conferral of all degree(s) and all graduate-level work (if applicable). Each document must be an original, official document with the registrar's stamp or signature. Scanned, photocopied or uploaded documents submitted as part of your application for admission do not fulfill this requirement. Certified English translations must accompany all documents written in languages other than English. Translations must be literal and complete versions of the original records. Official documents are required, as follows:

One final transcript from each institution at which a degree was conferred (undergraduate or graduate). Recent graduates should confirm that the document shows the degree and graduation date.

One transcript from each institution in which you enrolled in graduate-level courses (if applicable), even if a degree was not conferred.

## NEW YORK UNIVERSITY

To avoid jeopardizing your enrollment at GSAS, you must mail your official documents to Graduate Enrollment Services prior to your first term of registration. Please visit Academic Transcript Information for New Students Enrolling in GSAS <<http://gsas.nyu.edu/student-life/Student-Affairs/academic-transcript-information-for-new-students-enrolling-in-gs.html>> for full details.

Please pay particular attention to the guidance provided in our New Student Checklist which is available through your Admitted Student Resource Page. There you will find information about student health insurance, immunization requirements, registration and other important matters. If you have any questions about studying in the Graduate School, please contact your department, staff in Graduate Enrollment Services, or visit the GSAS homepage at [gsas.nyu.edu](http://gsas.nyu.edu).

Again, congratulations on your many accomplishments. All of us here in the Graduate School look forward to meeting you and wish you success with your graduate studies.

**NAME:** Prof. Kal Bugrara

**EMAIL:** Program-related inquiries may be sent to:

<https://coe.northeastern.edu/admissions/help>

You are encouraged to visit the [department or program website](#) for your program of acceptance and to read the Degree Requirements section carefully. If you have questions pertaining to your program of acceptance, please direct them to the person named above under ACADEMIC PROGRAM POINT OF CONTACT. Questions pertaining to health insurance, immunization requirements, and student tuition, billing and accounts should be directed to the appropriate offices referenced below. Otherwise for answers to common admissions questions (e.g. orientation, registration, visa-related) or to send an inquiry, visit <https://coe.northeastern.edu/admissions/help>

## NEW STUDENT INFORMATION

The below information is provided to assist you during your preparation to begin or to continue your graduate studies at Northeastern University. It is important to note that new students should not register for courses until orientation or until receiving official guidance (typically provided via email within a month of the start of the term). Meanwhile, feel free to visit our [new student information](#) page to review pre-orientation information that was provided to new students who began here over the past year. This page will be updated as your term of entry approaches. Also visit <https://coe.northeastern.edu/admissions/help> for answers to common questions or to send an inquiry.

### Accept or Decline Your Enrollment:

Please **CLICK HERE to ACCEPT or to DECLINE** this offer of acceptance. If you decide to Accept this offer, you will be prompted to provide a non-refundable deposit to confirm your attendance. This deposit is applied towards student fees, which all students will eventually incur upon enrollment. For planning purposes, ask that you confirm your enrollment by paying the deposit by the enrollment deposit deadline. Print a receipt for your records.

### Activate Your Northeastern University Student Account (myNortheastern):

-If eligible, you will receive an email from Northeastern to your personal email ID that you used during the application process, and is associated with your Applicant ID/Record: [kanishkbht@gmail.com](mailto:kanishkbht@gmail.com)  
-The email is/was launched on or around the date published on this decision letter: 2/6/2021

-The email will come from the following generic Northeastern email ID: **do-not-reply@northeastern.edu**

-The subject of the email is **Claim Your Northeastern University Online Account**, and will contain a unique link, which will be valid for 30 days from the date of the email

-Claiming your myNortheastern account will allow you to check your brand new Northeastern email account, and will allow you access to a variety of university services, systems, and resources

If you need assistance or have questions about claiming your online account, or for any of your Northeastern technology needs, the university's IT Service Desk is available to support you 24/7 by phone at 617.373.HELP (4357) or email at [help@northeastern.edu](mailto:help@northeastern.edu). If you send an email, include the personal email address that you provided on your application, include your NUID (referenced above as NU ID No.), and include your first name, last name, and your phone number.

For more information on how to claim your student account, please [visit this website](#).

### Student Financial Services:

### I-20/F-1 Visa Request Process and Instructions:

If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.
- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.
- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.
- Our electronic system is referred to as **myOGS**.
- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).
- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.
- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.
- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport
2. Financial documents that meet the following criteria to avoid denial of your request:

- Dated within 9 months of the program start date
- Maturity date does not exceed the program start date
- If fixed deposits: funds must mature before start date **or** confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

### Problems?

If you attempt to use the myOGS system within 48 hours of setting up your **myNortheastern** account, you may experience technical problems since university systems typically take 1-2 days to update. If 2 days pass after you set up your **myNortheastern** account, and you experience problems with myOGS, send an email to: [help@northeastern.edu](mailto:help@northeastern.edu) for assistance. If you send such email, include the following information in the body of your email: (1) your NUID number (accessible by logging into your **myNortheastern** account), (2) the link that you are trying to use which is not working/causing problems, (3) a screen shot of the error, and (4) your email address.

**Office of Global Services (OGS) orientation** is mandatory for all international students. Please visit [www.northeastern.edu/ogs/](http://www.northeastern.edu/ogs/) for further information.

### Graduate Cooperative Education (Co-op) Program:

The [Graduate Cooperative Education program](#) in the Northeastern University College of Engineering provides students with the preparation for professional work experiences and enables students who are eligible to participate in a cooperative education experience. Cooperative education policies and eligibility requirements are provided at: <http://www.coe.neu.edu/graduate-co-op/graduate-co-op-eligibility-and-requirements>

### Completing Your Official Admissions File:

As soon as you decide that you plan to enroll at Northeastern University, arrange to send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to mail to us your official transcripts (or their equivalent) to complete your official admissions file. Official transcripts are those that are sent from your previous institution directly to Northeastern University. Your goal should be to complete your admissions file/record before you enroll in courses, if possible. Mail to:

ATTN: Admissions

Official transcripts should include information on all courses, grades, and credits taken at any and all university-level institutions attended and if a degree was conferred, the transcripts should include information about the degree conferred and date of conferral. If your transcripts do not reflect your degree conferred and date of conferral, please also arrange to provide your final, official diploma or degree certificate. If your documents are in a language other than English, arrange also to send to us official English language translations. Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned.

If you already made the appropriate arrangements to complete your file, please do not be concerned with your status as shown on your electronic application, as it may take us several weeks to update our records. If additional information is needed, you will be contacted.

#### **Health Insurance:**

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further information, <http://www.northeastern.edu/uahcs/>

#### **Immunization Requirements:**

In accordance with state law, full-time students must provide documentation of immunity to certain diseases. Students will be blocked from registration for the next semester until this requirement is met. Contact your clinician for completion of the Health Form: <http://www.northeastern.edu/uahcs/wp-content/uploads/2016/03/2016-17-Health-Report-Meningitis-Waiver.pdf>. You can contact the **University Health and Counseling Services Center** for further information.

#### **On-Campus Housing:**

All full-time students enrolled in a graduate program at Northeastern may apply to live in campus housing. Because space is limited, housing is not guaranteed. The application form is available on the On-Campus Housing and Residential Services web site, <https://www.northeastern.edu/housing/university-housing/>

#### **Off-Campus Housing:**

Students may search for housing, sublets, and roommates through the listings and message boards on <http://www.northeastern.edu/offcampus/> This free service requires account registration with your Northeastern e-mail account.

#### **Contact a Current Student!**

You are invited to contact one or more currently enrolled *Graduate School of Engineering* students to learn more about the graduate student experience at Northeastern! For more information, visit <http://web.northeastern.edu/coe-graduate-student-ambassadors>

#### **Northeastern Videos:**

Dear Milind Samir:

RE: University ID: 2000722347  
Computer Science MS

It is my pleasure to inform you that you have been accepted for graduate study in the Computer Science MS program at Indiana University's School of Informatics, Computing, and Engineering beginning in **Spring 2021**.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School. Your financial documentation must show satisfactory evidence that you now have or will have sufficient funds to finance your proposed program of study at Indiana University. **Your financial documentation must be uploaded in Atlas before the Office of International Services can process the appropriate visa eligibility certificate (Form I-20 or DS-2019).** After the Office of International Services receives your financial documentation, they will process the appropriate visa eligibility certificate (Form I-20 or DS-2019) and will send you formal notification of admission along with the visa eligibility certificate.

If you have questions about your financial documentation or visa eligibility certificate, you will need to contact the Office of International Services at [newtoiu@indiana.edu](mailto:newtoiu@indiana.edu). Be sure to include your first name, last name, and University ID number.

Dr. G. T. Thampi  
PRINCIPAL

Thadomal Shahani Engineering College  
Bandra (W), Mumbai-400 050

Additionally, this offer is contingent upon you remaining in good academic standing and making satisfactory progress in the program, as defined in the University Graduate School Bulletin, the Luddy MS Handbook, and the program handbook.

We have an outstanding graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. It is our hope that you will join our program.

Our offer **expires on August 31, 2020**. Once you have made your decision, please let us know by completing the [Luddy Spring 2021 Student Decision Survey](#) .

If you have any questions or need additional information, please contact [admit2iu@indiana.edu](mailto:admit2iu@indiana.edu).

We congratulate you on your academic achievements. We are very excited at the prospect of having you in our graduate program, and we look forward to learning of your decision.

Warm regards,

Dear Milind Samir

We are pleased to offer you admission to pursue graduate study in the **Computer Science MS** for Full time study for the Fall 2020. We are delighted that you elected to apply to Stony Brook and believe that you will be very satisfied with both the academic and social climate here. We feel that your presence here will contribute to our well-established reputation for excellence in graduate education.

This offer does not include financial support for you in your first Fall 2020. Please contact the Financial Aid Office to ensure that you have applied for any other assistance such as College Work-Study, Student Loans, etc., for which you might be eligible. We would appreciate knowing whether or not you wish to accept this offer as soon as possible, but no later than 4/15/2020.

To notify us of your decision, please [click here](#) to respond.

As a newly admitted student, you are also required to view the online orientation podcasts and acknowledge you have successfully done so in your SOLAR account (found under "Holds" in the Action Center" section). The online orientation podcasts can be found under the New & Current Students tab on the Graduate School website ([https://grad.stonybrook.edu/current\\_students/orientation\\_videos.php](https://grad.stonybrook.edu/current_students/orientation_videos.php)). This offer reflects our high opinion of your academic abilities. We hope that you will accept.

Also, please note that effective January 1, 2016, Stony Brook implemented a tobacco-free policy. This includes all tobacco and smoke/vapor producing products. For more information regarding the policy, click here: [stonybrook.edu/commcms/tobaccofree/index.html](https://stonybrook.edu/commcms/tobaccofree/index.html).

This offer is subject to the following conditions being met:

### Offer conditions

#### English Language

You are required to provide evidence of your proficiency in English by supplying a copy of a secure English language test certificate. We accept any of the following:

- [IELTS Academic](#) - 6.5 overall and 6.0 in all components.
- [TOEFL iBT](#) - 92 total and minimum component scores of 18 Reading, 19 Listening, 19 Speaking and 23 Writing.
- [PTE Academic](#) - 65 overall.
- [Cambridge Assessment English tests](#) - Cambridge English Score of 180 overall.
- [Trinity College London Integrated Skills in English III](#) - Pass overall.

We verify all test scores with the test providers and we are only able to accept tests taken within two years of the course start date.

All elements of the test results must be demonstrated in one test, we are unable to accept a combination of scores across two or more tests.

In extremely rare circumstances we may reject a test score if one element of the test has a very low score. This would only occur if we believed this would impact on your ability to study with us or if the score did not meet UK Visas and Immigration (UKVI) requirements to study in the UK.

---

I hope you are able to accept this offer and I look forward to hearing from you soon.

Yours sincerely

# Accompanying Information and Conditions of Offer

## University Laws

1. In accepting an offer of a place at Cranfield University you are agreeing to comply with:
  1. the provisions of all the Laws of the University that concern registered students
  2. the documents which are referred to in the Laws and which supplement them, including the General Student Handbook, which is issued annually
  3. the terms and conditions of this document ('these terms')

**You are strongly advised to read these terms and the General Student Handbook before accepting an offer of a place at Cranfield.**

2. In addition to complying with these terms, the University is also required to comply with various legal duties, for example:
  1. under the Equality Act 2010, including the duty to have due regard to the need to advance equality of opportunity and to eliminate discrimination, harassment, victimisation and other conduct prohibited under the Equality Act
  2. in respect of freedom of speech pursuant to the Education (No 2) Act 1986.

These legal duties can change if the law changes.

3. The Laws of the University can be found at:

[www.cranfield.ac.uk/about/governance-and-policies](http://www.cranfield.ac.uk/about/governance-and-policies)

The General Student Handbook along with other Senate Handbooks can be found at:

[www.cranfield.ac.uk/about/governance-and-policies/quality-assurance](http://www.cranfield.ac.uk/about/governance-and-policies/quality-assurance)

Please note that the Laws of the University, the General Student Handbook and the documents which are referred to in the Laws may be updated periodically to reflect best practice or to improve the running of the university and the student experience. You are required to abide by such changes whilst you are a registered student.

## Payment of Tuition Fees

4. Tuition fees are payable annually in advance. <sup>[1]</sup> Where courses extend beyond a 12 month period, tuition fees will usually be due for each year of study. The first year's fees must be paid on or before initial registration, unless satisfactory guarantee of payment has been provided, in the form of a written acceptance of liability to pay from a recognised award making body, an overseas government or a recognised employer. Your sponsor must provide written evidence of accepting such financial liability before you register at the University. An undertaking from a private individual is not sufficient. If your sponsor fails to honour their commitment to pay your tuition fees, you will be personally liable for their payment to ensure your continuing registration.
5. Tuition fees for subsequent years must be paid on an annual basis at the beginning of each year of study unless alternative arrangements are outlined in your course offer letter. For degree programmes lasting more than one year, the tuition fees for subsequent years will be as stated in your offer letter, and will not increase in line with inflation or other measure. Where your offer for a masters course is dependent on successful completion of a pre-masters course at the University, the tuition fee for both the pre-masters course and the masters course onto which you may then progress will be as stated in your offer letter, and will not increase in line with inflation or other measure.

PRINCIPAL

Thadomal Shahani Engineering College  
Bandra (W), Mumbai - 400050

6. The tuition fee includes all fees for registration, tuition and the initial assessment during the specified registration period. The University reserves the right to charge additional tuition fees for changes or extensions to the registration period, for example for additional or remedial tuition and assessment. Fees for extensions will be calculated on a monthly basis as set out in the fees information, which can be found at [www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding](http://www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding).
7. The tuition fee also includes membership of the Cranfield Student Association, while you are a registered student of the University, but does not include membership of the Shrivenham Station Officers' Mess for students based at the Shrivenham Campus.
8. The tuition fee does not include accommodation costs, or materials required of you for your private study.
9. Failure to pay your tuition fee may result in the early termination of studies: there is no right of appeal against the decision of the University under these circumstances.
10. If you withdraw from your course of study, or if your registration is terminated early by the University, you are not entitled to a refund of your tuition fee. You may also be liable to repay any form of grant, bursary or other form of financial assistance already paid to you subject to an apportionment for that part of the course that you attended prior to your withdrawal.

## Other Expenses

11. You are responsible for your own living expenses, and must therefore ensure that you have secured the necessary funding before starting your course. Guidance on appropriate levels of living expenses is provided in the University prospectus. No assistance from the University may be assumed, except for bursaries as notified in writing in advance of registration.

## Intellectual Property Rights

12. Intellectual property rights (as used in this paragraph) means all rights to inventions, patents, copyright and related rights, moral rights, trade marks, rights in designs, rights in computer software, database rights, plant breeders rights, know-how, trademarks and all other intellectual property rights, in each case whether registered or unregistered and including all applications, and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist existing now or in the future in any part of the world.
13. Intellectual property may arise or be created by you in the course of work carried out as part of your course of studies, including in any theses or other work or results prepared and/or submitted by you in the course of your studies. All such intellectual property shall, except where specifically agreed otherwise in writing between you and the University, belong to and vest in the University, and all rights in such intellectual property are and shall be assigned to and vested in the University. The University will not withhold permission to publish your work unreasonably.

Dr. G. T. Thampi  
PRINCIPAL  
Thadomal Shahani Engineering College  
Bandra (W), Mumbai - 400 050.

## Duration of Study

14. The dates in your offer letter indicate the 'period of study' associated with the course you have applied for. For full-time students, this represents continuous study throughout this period. For part-time students, this represents the period of time within which the University would normally have expected you to complete all elements of the course.
15. Please note that you will be registered with the University for longer than the defined period of study. Your registration period may also include any approved periods of time relating to the deferment of submission of a thesis, or any re-presentation or correction of a thesis. It will also include the period of time between the submission of the final piece of work for assessment and confirmation of a final result. These terms will continue to apply whilst you remain registered.

## Period of Offer

16. Except where agreed otherwise in writing, an offer of admission will remain open for 28 days only or up to the start date of the course whichever is earlier. Your attention is also drawn to the limited circumstances in which an offer may be withdrawn by the University (see paragraphs 17 and 18).

## Withdrawal of Offer

17. The University reserves the right to withdraw this offer if any of the information provided by you at the point of offer is found to be incorrect or incomplete or if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in this letter.
18. The University may also withdraw this offer prior to the start of the course if it unexpectedly is unable to provide the advertised course of study. This will only happen in circumstances outside of the control of the University (e.g. unplanned absences of key members of academic staff, changes to external regulatory environments, insufficient demand for a course to the extent where the University believes the student experience would be significantly impacted). In these circumstances, the University will refund any monies already paid to it by you or your sponsor and will endeavour to recommend alternative courses of study which may suit your learning requirements.

## Right to Cancel

19. You have the right to cancel your contract with the University within 14 days of the date on which the contract is concluded.

## Proof of Identity and Qualifications

20. On registration, you must provide proof of your identity, which is normally limited to your passport, or original birth certificate with a form of photo identification. You must also provide proof of your right to study in the United Kingdom, and proof of your academic and professional qualifications.

## Permission to Study in the UK

21. If you require a visa or similar permission (for example an Academic Technology Approval Scheme certificate) to study in the UK, you must ensure that you have the correct visa or permission and that you abide by its terms. If you do not have the correct visa or permission, or if you do not comply with its terms, this may result in the early termination of your studies and registration. It is your responsibility to ensure that you have the correct visa and permissions.

## Permission to Study at the Shrivvenham Campus

22. If you have applied for a course at the Shrivvenham Campus your offer (and registration) is subject to on-going appropriate security clearance to attend a UK Ministry of Defence site. Generally this clearance is in line with the national BPSS<sup>[3]</sup> protocols (or equivalent) but may be revised from time to time dependent on national security requirements. Inability to access the Shrivvenham Campus will result in a withdrawal of offer or, if already registered, a termination of registration. You should also note that personnel in financial debt to the MOD will also be refused entry to the site until such debts are settled.

## Data Protection

23. The University will need to process your personal information (whether supplied by you or by third parties) to process this offer and (if you register as a student of Cranfield University) to manage your student record and student experience. This will include the University sharing your data with other bodies where this may be required for managing your experience and for statutory or other legal reasons.
24. Your attention is drawn to the University's Data Protection and Privacy Policy contained in the Senate

Dr. G. I. Thampi  
Thadomal Shahani Engineering College  
Bandra (W), Mumbai

General Student Handbook. This includes further detail on data sharing with other bodies.

## Support for Students with Disabilities or Learning Difficulties

25. If you think that you are likely to require any support because of a disability and/or learning difficulty while you are on the course, you are strongly advised to contact the University for further advice or guidance. All requests for support will be considered in line with the criteria for 'reasonable adjustments' as outlined in the Equality Act 2010. The University encourages you to contact it as soon as possible to allow for a full discussion of support arrangements available and to ensure that these can be put in place at the earliest opportunity.

## Proper Law and Jurisdiction

26. In accepting an offer of a place at Cranfield University, you are agreeing that the resulting contract between us shall be governed by and construed in accordance with the law of England and you submit to the exclusive jurisdiction of the courts of England.

## Changes to the Advertised Academic Provision

27. The University undertakes to use all reasonable endeavours to provide the necessary teaching, supervision and academic facilities. The University cannot guarantee that teaching or supervision will be provided by any particular named individuals.
28. Our courses are subject to continuing development and changed circumstances may necessitate alteration to them. Whilst the University makes every effort to keep changes to a minimum, printed literature may become out of date and you should check the website for up to date information. The University will make every effort to provide the course as outlined in the prospectus of the University at the time of offer, subject to paragraph 29 below.
29. The University reserves the right to make variations due to circumstances outside of its control (including but not limited to unplanned absences of key members of academic staff, and changes to external regulatory environments), and will make every effort to minimise any disruption to the student experience. Other circumstances which involve changes to the programme of study (limited to changes to courses deemed by the University to be beneficial to the learning experience) will only be made in consultation with the registered students affected by the proposed change.

## Limitation of the University's Liability to You and Others, and Matters Outside Your or our Control

30. Nothing in these terms shall limit the University's liability to you:
1. for death or personal injury resulting from negligence (as defined in the Consumer Rights Act 2015);
  2. for fraud or fraudulent misrepresentation;
  3. under the Equality Act 2010;
  4. under section 57 of the Consumer Rights Act 2015.

## References to legislation include reference to any amendments, extensions or re-enactments of such legislation.

31. Subject to paragraph 30 above, the University's liability under or in connection with these terms whether arising in contract, tort, negligence, breach of statutory duty or in any other way, shall not exceed the total of the course fees paid and due to be paid by you under this agreement to the University.
32. For the purposes of paragraphs 30 and 31 'University' also includes the officers, employees and agents of the University, and those paragraphs may be enforced by such officers, employees and agents. Otherwise, neither party intends that any of these terms will be enforceable by any third party.

33. Neither party to this agreement shall be liable to the other arising from matters outside the party's control and which could not have been foreseen or prevented even if that party had taken reasonable care. This includes but is not limited to: strikes, other industrial action, staff illness, severe weather, fire, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not), natural disaster, restrictions imposed by government or public authorities, epidemic or pandemic disease, or failure of public utilities or transport systems.

Congratulations! You have met the requirements for admission to the masters program in Supply Chain Management at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2021 semester. We share your excitement as you begin this next stage in your educational career. Your program director, David Widdifield (scm@utdallas.edu), and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog, JSOM Policies page, and on the Academic Calendar, all of which are available online. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management page.
- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.
- Closer to the beginning of your semester, you will receive an email with information regarding the Jindal School of Management's Graduate Orientation. Please make it a priority to attend this important event. It will provide an opportunity for you to meet your program director.
- When you reach the final semester of degree plan requirements you must fill out a graduation application by the posted deadline of your graduating semester. Failure to apply for graduation by the applicable deadline will result in a semester's delay in your graduation.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study.

Sincerely,

Monica Powell - Associate Dean, Graduate Programs

Dear Srishti,

On behalf of Carnegie Mellon University and our Admission Selection Committee, it is my great pleasure to offer you admission to the Master of Information Systems Management program. You have been selected to enroll in the MISM 16-month track beginning in August 2020. Your notable accomplishments, both academic and non-academic, have set you apart and established your potential as a leader and an agent of positive change.

Please respond to our offer of admission by completing the online **Admission Response Form** by **April 15, 2020**. Your Admission Response Form is available on your application status page (near the bottom of the page). All admitted students must successfully complete the Credentials Verification Process to be eligible to enroll. Additional information regarding this step of the enrollment process is posted on the website for admitted students mentioned below. You will also be required to submit a final, official transcript from your undergraduate institution confirming the completion of your bachelor's degree with your date of graduation before starting classes at the Heinz College. Carnegie Mellon cannot confer graduate degrees to students who have not submitted proof of completing an undergraduate degree.

Unfortunately, we are unable to offer you any financial assistance at this time. If you have not made arrangements for financing your education, I encourage you to visit the financial aid section of our website for more information.

We have created a website for all of our admitted students (<https://www.heinz.cmu.edu/admitted-students/full-time/>). Visit the site to learn more about your offer of admission, the Credential Verification Process, the student visa application process for international students, and preparing for your first semester of study. You are responsible for completing the Credential Verification Process and returning all applicable forms in a timely manner.

After submitting your response form, a nonrefundable, nontransferable deposit of \$500 must be paid either online (via credit card) or by mail (via check or money order) in order to secure your position in the program. Please make your check or money order payable to "Carnegie Mellon University" (please mail to the Office of Admissions). The credit card payment method may be completed via a secure website (<https://commerce.cashnet.com/CMU151?itemcode=151-HNZ-EDEP>). The admission deposit payment is required in addition to completing the Response Form. After you have paid this fee, you will see the payment reflected on your application status page. Once you have enrolled in your first semester of classes, the admission deposit will be credited to your student account.

Dear Simran:

Congratulations! It is my pleasure to offer you admission into the Engineering Management program at Stevens Institute of Technology.

Since 1870, Stevens has welcomed students who combine a passion for learning with a desire to apply their training to improve the world around them. Upon thorough review of your impressive credentials, it's clear you would be an excellent fit for our master's programs, which prepare students for leadership roles with innovative organizations around the globe.

A student with your talents and aspirations likely has received multiple letters similar to this one, but we're confident you'll find Stevens is best aligned with your future. Our classrooms are windows into tomorrow — we emphasize innovative instruction from leading faculty members, we create high-tech laboratories that make cutting-edge research possible, and we leverage our proximity to industry to bring corporate leaders and their perspectives to your learning. Our network of alumni and industry partners helps graduate students find internships, understand where their field is going and learn what it takes to manage a bustling enterprise. And our students enjoy pursuing their studies in one of the best locations in the world — our picturesque campus in lively Hoboken is just minutes from New York City by train or ferry.

At Stevens, we call ourselves "The Innovation University." That's partly because of the programs we offer, the faculty we recruit and our legacy of technological vision — and it's also because of students like you, Simran, who possess the vision and passion to take the top-flight educational experience you'll receive here and apply it to the challenges facing the world. Again, congratulations on your achievement, and I look forward to welcoming you to our campus shortly.

For more details on your admission, please read below. To respond to this offer of admission, please complete the Admission Reply Form here (<https://gradadmissions.stevens.edu/apply/form?id=ccbd0838-13e9-459d-9401-973595f01f61>).

Dear Ms. Simrin Ketan Shah:

Congratulations! We are pleased to inform you that you have been granted admission to the Computer Science - Professional MS program for the Fall 2021 term. For tuition classification purposes you are considered a Non Resident. As a CU Boulder student, you will join a community of faculty, staff and students committed to outstanding scholarly achievement, diversity and collaborative research that will prepare you to be a leader in your field.

Details about the curriculum, requirements, and structure of the program can be found at <https://www.colorado.edu/cs/current-students/graduate-students>. Upon arrival in Boulder, please make sure to meet with the senior graduate program advisor, Rajshree Shrestha ([Rajshree.Shrestha@colorado.edu](mailto:Rajshree.Shrestha@colorado.edu)), and work with her to fill out the **MSCPS Plan of Study** and submit it by the end of your first semester.

On your status page you will find a link with information regarding additional visa requirements needed to confirm your admission. If you have any questions about these requirements please contact the international admissions office by emailing [intlgrad@colorado.edu](mailto:intlgrad@colorado.edu). Once all visa requirements have been submitted and reviewed, you will be able to confirm your intent to enroll and pay the \$200 confirmation deposit on your application status page.

The deadline to confirm your intent to enroll in our program is May 31st. Any offers that have no response by this deadline will be considered as a DECLINE to our offer and will be processed accordingly.

On behalf of our faculty, we congratulate you on your promising academic record, and we sincerely hope that you decide to join us at the University of Colorado **Boulder**. Our program, faculty, and students are outstanding, and I think you will find that the department provides an exciting environment for your graduate work. If you have any questions concerning your admission, or any other aspect of the graduate program, please do not hesitate to contact our senior graduate program advisor, Rajshree Shrestha.

Dear Vikramaditya Poddar:

Congratulations! The Graduate Program in Electrical Engineering has reviewed your application and has recommended to Penn State's Graduate School that you be admitted to our program for Fall 2019. Graduate Enrollment Services at the Graduate School also reviews the admission offer of all credentials including the diploma, academic transcripts, verification of authenticity, etc. We appreciate your patience while this necessary step in the graduate admissions process is being conducted. You should expect to receive confirmation of this information by mail from Penn State's Graduate School.

We are recommending you for admission to our MS program in the area of Communications and Networking. If you decide to accept our offer of admission, we will notify you about your temporary advisor. We will not be able to provide financial aid. Please do not contact our faculty members regarding funding opportunities. We ask for you to wait until your arrival and contact only faculty members who advertised an assistantship position.

When you have made a decision about attending Penn State this fall, please contact the Graduate Staff Assistant by email at [sdj2@psu.edu](mailto:sdj2@psu.edu). After you formally accept our offer of admission, you will be contacted by Penn State's Directorate of International Student and Scholars Advising (DISSA). DISSA will send you instructions and a link to enter immigration information and upload financial documentation directly into an electronic file within DISSA's database. DISSA will not review any visa application materials until you formally accept admission. More information for new international students is available on the following web page, <https://global.psu.edu/category/office-global-programs>.

You are among the small percentage of applicants who were recommended for admission. Thank you for your patience throughout the application process; we evaluate a large number of highly qualified applicants which is time consuming. We look forward to welcoming you as a student in our graduate program at Penn State University.

Sincerely,

**Studienplatzzusage unter Auflagen im Studiengang Media Informatics (Master 1  
Fach, 1. Fachsemester) zum Wintersemester 2018/19****Ihr Antrag auf Überprüfung der fachlichen Vorbildung vom 27. Februar 2018**

Sehr geehrter Herr parth wadhwa,

nach der zwischenzeitlich erfolgten Prüfung Ihrer Antragsunterlagen durch den zuständigen Prüfungsausschuss kann ich Ihnen mitteilen, dass Sie zur Studienaufnahme im o.g. Masterstudiengang zum Wintersemester 2018/19 zugelassen werden können.

Zugangsvoraussetzung für das Masterstudium ist gemäß § 3 Abs. 4 der Übergreifenden Prüfungsordnung für alle Bachelor- und Masterstudiengänge der RWTH Aachen mit Ausnahme der Lehramtsstudiengänge (ÜPO) vom 03.11.2014 in der jeweils gültigen Fassung ein anerkannter erster Hochschulabschluss, durch den die fachliche Vorbildung für den Masterstudiengang nachgewiesen wird. Die erforderlichen Kenntnisse bzw. Prüfungsleistungen werden in § 3 Abs. 2 der studiengangspezifischen Prüfungsordnung für den Masterstudiengang Media Informatics vom 1. Oktober 2005 (MPO) in der jeweils gültigen Fassung konkretisiert. Die Feststellung, ob die geforderten Zugangsvoraussetzungen erfüllt sind, trifft der zuständige Prüfungsausschuss.

Gemäß § 3 Abs. 6 S. 1 ÜPO kann der Prüfungsausschuss eine Zulassung unter Auflagen aussprechen, wenn die fachliche Vorbildung nicht vollumfänglich nachgewiesen werden kann. Diese Auflagen müssen spätestens bis zur Anmeldung der Masterarbeit nachgewiesen werden, sofern nicht in den studiengangspezifischen Prüfungsordnungen ein früherer Zeitpunkt festgelegt ist.

Die Überprüfung Ihrer fachlichen Vorbildung hat ergeben, dass Sie zum o.g. Masterstudiengang mit der Auflage zugelassen werden können, die nachfolgend aufgeführten Module mit den dazugehörigen Prüfungsleistungen bis zur Anmeldung der Masterarbeit erfolgreich zu absolvieren:

Aachen, 7. June 2018

**Admission to the Master's course of study in Media Informatics (Master (1-Subject))beginning Winter semester 2018/19 with provisions**

**Your application to have your background education reviewed dated 27. February 2018**

**Please be informed that the German version of this document is the only legally relevant version and an English version of this document has been uploaded for your convenience.**

Dear Mr. parth wadhwa,  
after the Examination Board's review of your documents, I am glad to inform you that you have been admitted to the above master's course of study for enrollment in the Winter semester 2018/19 under the provision that you fulfill certain additional requirements.

Pursuant to Section 3 (4) of the currently valid Comprehensive Examination Regulations (ÜPO) dated November 3, 2014, which is applicable to all RWTH Bachelor's and Master's courses except for teacher training courses, a prerequisite for admission to the Master's course is a first, recognized university degree. This university degree must prove that the subject-specific educational background for the Master's course of study has been obtained. The required skills and assessments are defined in Section 3 (2) of the currently valid course-specific examination regulations for the Master's course of study Media Informatics dated 1. October 2005 MPO for short. The Examination Board is in charge of determining whether these prerequisites have been fulfilled.

Pursuant to Section 3 (6), Sentence 1 of the ÜPO, the examination board can grant provisional admission to the course of study even if the candidate does not fulfill all educational prerequisites for study at the time of application. Admission is granted with the provision that the candidate complete additional requirements. Evidence of the completion of these additional requirements must be provided when registering for the Master's thesis at the latest, unless the course-specific examination regulations specify an earlier point in time.

The review of your subject-specific educational background has revealed that you can be admitted for enrollment to the above Master's course of study under the assumption that you successfully complete the listed modules and their respective exams by the time you register your Master's thesis:

Covers all the required subjects required for admission. Selected for the Program.

Admission is granted under the condition that you provide proof of successful completion of the Bachelor's course of study in \* **Computer Science**

**(Bachelor of Engineering)** by the time of enrollment.

Please complete the application for enrollment using SelfService and provide any information that is still missing at this time. Please enroll in person (International Office, Super C, 5th floor, Room 5.27-5.29) to the International Office until 31st October 2018.

Our office hours are: Mon, Tue, Thu, Fri 9:30am – 12:30pm and Wed 1 – 4pm.

You can view which documents are needed to enroll in your Selfservice section of RWTHonline (see "einzureichende Dokumente für die Einschreibung").

If you have questions about enrollment, please contact the colleagues responsible.

Dear Omkaar Prakash,

It is my pleasure to offer you admission to the Master's in Computer Science program at NYU Tandon School of Engineering as a Full-Time student. If you have not already done so, please request that official copies of your academic record be sent immediately or you will not be permitted to register. If you enroll, you will also be required to provide official documentation of proof of university degrees completed.

This is an exciting time to be joining the NYU Tandon School of Engineering, the second oldest private engineering school in the United States. You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a hallmark of NYU School of Engineering for more than 110 years. The Graduate Admissions Committee is confident you are well prepared to make significant contributions to your field through our rigorous graduate program.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. The incorporation of research into classroom teaching fosters a dynamic environment where students and faculty

DR. S. PINESAL

share a passion for the creation and execution of world class research and projects with global impact.

- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions in your career.
- A diverse environment for worldwide academic collaboration. New York University is a global network university with portal campuses in multiple international academic centers. You will have the opportunity to work with students and faculty from around the world.

To accept your offer of admission and pay the \$500 non-refundable tuition deposit, go to [home.nyu.edu](http://home.nyu.edu). Once you are signed in to NYUHome, access [NYUAlbert](#) and click on "Applicants", followed by "Application Status," and then "Admissions Offer." Navigate through the online accept/decline process by following the instructions. Omkaar Prakash, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Sincerely,

Susan Reantillo

Dear Aditya,

Congratulations! The Admissions Committee has recommended you for admission to the UCLA Anderson School of Management Master of Financial Engineering (MFE) program. Our selection decision was based on your outstanding scholarship as well as the distinctive perspective you will bring to the UCLA Anderson MFE Class of 2019.

Please note that by University of California policy, applicants recommended for admission to any graduate level program are subject to an official admissions review process conducted by the UCLA Graduate Division. Once this process is completed you will receive official notification of the Graduate Division's decision. The email will come from [UCLA\\_Application\\_Decision@gdnet.ucla.edu](mailto:UCLA_Application_Decision@gdnet.ucla.edu) and will ask that you check your UCLA Graduate Application Decision status online. This important email will have a password which will allow you to access the official decision letter from the Dean of the Graduate Division, a checklist detailing contingencies of your admission (if any), a deadline for sending us all official transcripts AND official degree certificates/diplomas in your native language and official English translation and access to the online Statement of Intention to Register (SIR). Please disregard information pertaining to the Statement of Legal Residence (SLR) since this is not required for enrollment in the MFE program. You will not receive a hard copy of your admissions letter; however, you can print a copy of this letter for your records.

After completion of the Graduate Division's review, should you decide to accept the offer of admission, you will be required to submit a non-refundable \$2,000 enrollment deposit online by **April 15, 2018**. If the email from the Graduate Division comes *after* April 15, 2018, you will have **two weeks from the date you receive notification**, to pay the non-refundable \$2,000 enrollment deposit. Your deposit will be credited toward your first quarter fees.

Information regarding local housing, financial aid and enrollment will be made available to you soon after you have accepted the Graduate Division's offer of admission.

Should your enrollment deposit *not* be received within the allotted timeframe we will assume that you are declining our offer and we will be unable to hold your place in the class.

Once you have submitted the SIR and have paid the non-refundable \$2,000 enrollment deposit, please mail your official documents in envelopes which have been sealed, stamped and signed by your university to the following address:

**UCLA Anderson MFE Program**  
**110 Westwood Plaza, Suite C401**  
**Los Angeles, CA 90095-1481**

**Dr. G. T. Thampi**  
**PRINCIPAL**  
Thadomal Shahani Engineering College  
Bandra (W), Mumbai - 400 050.

Our contact phone number is **(310) 825-3103** in case you are using DHL, FedEx or UPS.

As an international student, you will receive an email notification from the Dashew Center for International Students and Scholars (DCISS) office after completing the SIR with instructions on how to request your I-20. The Confidential Financial Statement form will be required as part of that process. Please see our "International Students" webpage [here](#) for further details.

In your application, you acknowledged that all of the information you provided is true and accurate. As such, all admitted students will go through a background check through Re Vera Services, LLC, which will cost \$80usd, and is to be paid by you to the vendor. UCLA Graduate Division reserves the right to revoke an offer of admission if any information is found to be falsified or other fraudulent action has been taken.

You may now begin your background check process by clicking on the following link: <https://www.reveraservices.com/uclamfe.html>. Once you enter the site the MFE program is pre-selected within the dropdown menu, so you will simply hit the "Next" button which will take you to the following screen. Please fill in your personal information including your applicant ID which is your University ID (this number is included at the top of this letter). You will then E-sign the document and submit your payment to Re Vera Services, LLC to complete the background check.

The Admissions Committee would like to strongly recommend that you take the [UCLA Anderson MFE Preparatory Online Classes](#) before the start of the Program. We believe you will find these classes helpful in ensuring that you are prepared for the rigorous MFE curriculum. As an additional incentive, we are offering a discounted rate of \$500 per course for admitted students.

**New Student Orientation** will begin Monday, September 17, 2018 and end Friday, September 21, 2018. Classes will officially begin Thursday, September 27, 2018. For planning purposes, please be aware that your time in the MFE program officially begins with orientation and that workshops/events may be scheduled before the start of your classes. As such, please do not make other travel plans anytime between the end of orientation and the beginning of class instruction. (Please note: there will be a mandatory iSTART Visa Check-In for international students on Wednesday, September 26, 2018, from 12PM to 4PM.)

UCLA Anderson is a great place to learn and develop your potential. We strongly believe that you will reap significant benefits from being a part of the UCLA Anderson community, and that in turn, our community will be enhanced by your many contributions.

Congratulations, once again, on your admission to the MFE Program! We look forward to having you join us at UCLA Anderson this September.

Sincerely,

Elisa Dunn

Dear Mr. Wagh,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Fall 2018. Your degree objective is the Master of Science. Please include your USC ID (3430-9373-95) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at [gradwelcome.usc.edu](http://gradwelcome.usc.edu), which includes specific information about registration and enrollment. You will also find a link to the portal at [you.usc.edu](http://you.usc.edu) when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

#### CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation ([www.ierf.org/usc](http://www.ierf.org/usc)) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

Dear Aakash Dinesh:

It is my pleasure to inform you that our Graduate Admissions Committee has granted you admission to the Telecommunications Engineering Technology, MS program beginning with the 2018-19 Fall term. This offer recognizes your past accomplishments and, especially, your extraordinary academic promise.

This offer of admission is subject to meeting the conditions described on the enclosed Graduate Admission Contingency Form. Should you not meet the conditions for admission outlined by your graduate department, RIT may withdraw this offer of admission and may not allow you to enter or continue in your degree program. If you have any questions regarding your admission, I encourage you to contact the graduate program director in your department.

To accept our offer of admission, please complete the online "Reply to Offer of Admission" form, which can be found on your Application Status page at [join.rit.edu/account/login](http://join.rit.edu/account/login). After accepting our offer of admission, please pay the \$300.00 Advance Tuition Deposit. This reserves your place in the program, allows you to apply for campus housing, and access online resources. Your academic department will provide you with registration procedures and course schedules.

Please read the enclosed information carefully. Your understanding of the instructions and deadlines within this material will enable faculty and staff to assist you effectively as you make plans to join us at RIT. If any questions arise regarding your admission, we are available to help you. Please check our website [[www.rit.edu/grad](http://www.rit.edu/grad)], contact us at [gradinfo@rit.edu](mailto:gradinfo@rit.edu) or call us at the number listed above. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add [gradinfo@rit.edu](mailto:gradinfo@rit.edu) to your "allowed" emails section of your email system.

I extend to you my congratulations and wish you the best as you finalize your plans to continue your education at RIT.

## Northeastern University Graduate School of Engineering

Dear Srushti Arjun,

**Congratulations** on your acceptance to the Master of Science in Information Systems program at Northeastern University's College of Engineering! I look forward to you joining our innovative multidisciplinary program, specifically designed to advance your career and prepare you as a future leader.

With an ever-increasing importance of technology in our everyday lives, an MS in Information Systems has the opportunity to open the door to a promising, prosperous career in a variety of IT areas while moving you beyond just software development and programming to also understanding business to become an IT solutions leader.

Our graduates have gone on to work at leading companies such as Google, Amazon, Tesla and Apple, in a variety of roles such as project management, business analysis, and business design and process architecture, data architecture, and IT management, to name a few.

I am also very proud to share that 50% of our graduates are women. Northeastern, and the Information Systems program in particular, is committed to offering a diverse and inclusive community, and we are an advocate for increasing the number of women in STEM fields. Our program is rigorous, innovative, and designed to meet the interests and needs of women.

As an Information Systems graduate student at Northeastern, you will join a vibrant engineering community with an established support system of administrators and accomplished faculty focused on your success. Many programs are in place to foster the academic, social, and career opportunities for women. At Northeastern, you will have an opportunity to engage with fellow women in STEM fields, participate in networking opportunities with women alumna, join a variety of women's student groups, receive help in finding scholarships and other resources geared toward women, benefit from programs to prepare women for careers in STEM, and create meaningful relationships with potential employers who are committed to fostering the next generation of women in engineering. The flexibility of the program also enables students to customize their education in ways that fit their needs, enabling them to develop the specialty of their choice, and prepare for market demand.

As a graduate student at Northeastern, you will have the opportunity to participate in our world-renowned cooperative education program, and gain up to eight months of real-world industry experience. Our graduate multidisciplinary master's students have earned an average salary of \$22,000 while on co-op, helping to finance their education, while giving them the competitive edge upon graduation.

As you can see, our comprehensive and innovative program is designed to give you the education, support, and experience you need to be successful and advance your career.

In support of our legacy of women in Information Systems, **our alumni will host a conversational series with three of our Information Systems alumni on Friday, May 4 at 9:00 AM EST.** I invite you to join the conversation to learn more about their experience, and the future for women in Information Systems:  
<https://zoom.us/j/372677662>

Once again, congratulations on your acceptance to the MS in Information Systems program at Northeastern. We are excited for you to join our engineering community and I look forward to welcoming you to our campus.

On behalf of the Executive Board of TU Delft we are pleased to inform you that you, Shubham Ghatge, born on 29-01-1997 at Osmanabad, Maharashtra, India, have been conditionally admitted to the two year MSc programme, Master Systems and Control 2018-2020.

Your admission is based on the following condition(s):

- That you obtain your (provisional) bachelor's degree before the start of your MSc programme at TU Delft.

Please note that you need to present an original or certified copy of your diploma during your registration at the Introduction Programme. If these documents are not in English, French, German or Dutch, you need to bring a certified translation. Presenting the original or copy of your diploma, whether or not translated, is the final and necessary step to finalise your enrolment at TU Delft.  
Pay attention: Without these documents you cannot enrol at TU Delft.

The tuition fee for the academic year 2018-2019 is: € 15575  
Total to be paid is: € 15575

Within five working days you will receive an e-mail invitation to become a member of our online community Delftulip. In Delftulip you will find all the necessary information about becoming a TU Delft student such as payment details, required documents for enrolment, visa requirements, housing, and the official Introduction Programme.

Please take the following steps to proceed with your enrolment at TU Delft:

1. Login to [osiaan.tudelft.nl](http://osiaan.tudelft.nl) and submit your Confirmation Statement preferably **within 4 weeks, but at 1 June at the latest**.  
Please realise that without your Confirmation Statement, the enrolment process cannot continue.
2. After submission of your Confirmation Statement, you will receive your Financial Letter. Pay the full amount stated in the letter **before 1 July 2018**.
3. **Housing is offered on a first come, first served basis**, based on the date of your payment. Therefore, please confirm your participation and make the payment as soon as possible for us to continue the process.
4. Check Delftulip regularly for all important information regarding your upcoming stay at TU Delft.

The academic year starts on **Monday 3 September 2018**. Please take into account that your Registration and Introduction Programme will start around two weeks before the start of the academic year.

In case of any further questions, please contact [internationaloffice@tudelft.nl](mailto:internationaloffice@tudelft.nl).

We look forward to welcoming you at TU Delft.

Yours sincerely,

Chantal Brokerhof

Dear Ms. Mane;

It is with a great sense of pride that I welcome you to the University of Maryland's Graduate School. The university is committed to offering programs that combine rigorous academic and technical preparation in a nurturing, diverse and engaging environment. Our graduate programs are designed to prepare graduates for a wide range of opportunities in local, national and international settings.

I am pleased to offer you admission to the M.S. program in Telecommunications (ENTS) for the Fall - 2018 term.

Your tuition and charge-differential classification: Out-of-State

Your condition(s) of enrollment:

- Submission of final official baccalaureate transcripts from all previous institutions by the end of the first semester of study.

Each required transcript (except from the University of Maryland, College Park) must show the date and conferral of the awarded degree. If your transcript does not state that a degree was granted, an attested copy of your diploma/degree certificate is required. Future registration will not be possible without the receipt of these documents.

New graduate student information is provided [here](#) should you wish to take a look at what lies ahead as you enroll. The [International Student and Scholar Services](#) will be contacting you directly regarding the visa process. It is also important to note that your University ID (UID) is 116204606 and the last five digits of your Student ID (SID) are 04508. These numbers will be needed for registration and other administrative purposes.

Please [navigate here](#) to indicate your acceptance or rejection of this offer. Again, we welcome you with best wishes for a rewarding graduate experience at the University of Maryland.

Sincerely,

Steve Fetter

Dear Priyanka:

Congratulations! It is my pleasure to offer you admission into the Information Systems program at Stevens Institute of Technology.

Since 1870, Stevens has welcomed students who combine a passion for learning with a desire to apply their training to improve the world around them. Upon thorough review of your impressive credentials, it's clear you would be an excellent fit for our master's programs, which prepare students for leadership roles with innovative organizations around the globe.

A student with your talents and aspirations likely has received multiple letters similar to this one, but we're confident you'll find Stevens is best aligned with your future. Our classrooms are windows into tomorrow — we emphasize innovative instruction from leading faculty members, we create high-tech laboratories that make cutting-edge research possible, and we leverage our proximity to industry to bring corporate leaders and their perspectives to your learning. Our network of alumni and industry partners helps graduate students find internships, understand where their field is going and learn what it takes to manage a bustling enterprise. And our students enjoy pursuing their studies in one of the best locations in the world — our picturesque campus in lively Hoboken is just minutes from New York City by train or ferry.

At Stevens, we call ourselves "The Innovation University." That's partly because of the programs we offer, the faculty we recruit and our legacy of technological vision — and it's also because of students like you, Priyanka, who possess the vision and passion to take the top-flight educational experience you'll receive here and apply it to the challenges facing the world. Again, congratulations on your achievement, and I look forward to welcoming you to our campus shortly.

### Studienplatzzusage unter Auflagen im Studiengang Media Informatics (Master 1 Fach, 1. Fachsemester) zum Wintersemester 2018/19

#### Ihr Antrag auf Überprüfung der fachlichen Vorbildung vom 27. Februar 2018

Sehr geehrter Herr parth wadhwa,

nach der zwischenzeitlich erfolgten Prüfung Ihrer Antragsunterlagen durch den zuständigen Prüfungsausschuss kann ich Ihnen mitteilen, dass Sie zur Studienaufnahme im o.g. Masterstudiengang zum Wintersemester 2018/19 zugelassen werden können.

Zugangsvoraussetzung für das Masterstudium ist gemäß § 3 Abs. 4 der Übergreifenden Prüfungsordnung für alle Bachelor- und Masterstudiengänge der RWTH Aachen mit Ausnahme der Lehramtsstudiengänge (ÜPO) vom 03.11.2014 in der jeweils gültigen Fassung ein anerkannter erster Hochschulabschluss, durch den die fachliche Vorbildung für den Masterstudiengang nachgewiesen wird. Die erforderlichen Kenntnisse bzw. Prüfungsleistungen werden in § 3 Abs. 2 der studiengangspezifischen Prüfungsordnung für den Masterstudiengang Media Informatics vom 1. Oktober 2005 (MPO) in der jeweils gültigen Fassung konkretisiert. Die Feststellung, ob die geforderten Zugangsvoraussetzungen erfüllt sind, trifft der zuständige Prüfungsausschuss.

Gemäß § 3 Abs. 6 S. 1 ÜPO kann der Prüfungsausschuss eine Zulassung unter Auflagen aussprechen, wenn die fachliche Vorbildung nicht vollumfänglich nachgewiesen werden kann. Diese Auflagen müssen spätestens bis zur Anmeldung der Masterarbeit nachgewiesen werden, sofern nicht in den studiengangspezifischen Prüfungsordnungen ein früherer Zeitpunkt festgelegt ist.

Die Überprüfung Ihrer fachlichen Vorbildung hat ergeben, dass Sie zum o.g. Masterstudiengang mit der Auflage zugelassen werden können, die nachfolgend aufgeführten Module mit den dazugehörigen Prüfungsleistungen bis zur Anmeldung der Masterarbeit erfolgreich zu absolvieren:

Covers all the required subjects required for admission. Selected for the Program.

Dr. G. T. Thampi  
Principal  
Jyoti Chavan Engineering College

**(Bachelor of Engineering)** spätestens bis zum Ende des ersten Vorlesungsmonats (d.h. bis zum 30.04. bei einer Einschreibung für ein Sommersemester und bis zum 31.10. bei einer Einschreibung für ein Wintersemester) erfolgreich abschließen werden und diesen bei der Immatrikulation nachweisen.

Bitte durchlaufen Sie im Selfservice den Antrag auf Einschreibung bzw. die Restdatenerfassung. Bitte nehmen Sie anschließend die Einschreibung bis zum 31. Oktober 2018 persönlich im International Office (Super C, 5. Etage, Raum 5.27-5.29) vor.  
Unsere Öffnungszeiten: Mo., Di., Do., Fr. 09:30 - 12:30 Uhr sowie Mi. 13:00 - 16:00 Uhr.

Welche Unterlagen Sie für die Einschreibung einreichen müssen, ist in Ihrem Selfservice in RWTHonline hinterlegt ("einzureichende Dokumente für die Einschreibung").

Bei Rückfragen zur Einschreibung wenden Sie sich bitte an die zuständigen Kolleginnen und Kollegen.

Bitte beachten Sie:

Dieser Bescheid gilt nur für das Wintersemester 2018/19 und kann nicht auf das folgende Semester übertragen werden. Sofern Sie die Einschreibung nach diesem Zeitraum vornehmen möchten, ist eine erneute Bewerbung erforderlich.

Für weitere Informationen stehe ich Ihnen gerne zur Verfügung.

**Admission to the Master's course of study in Media Informatics (Master (1-Subject))beginning Winter semester 2018/19 with provisions**

**Your application to have your background education reviewed dated 27. February 2018**

**Please be informed that the German version of this document is the only legally relevant version and an English version of this document has been uploaded for your convenience.**

Dear Mr. parth wadhwa,  
after the Examination Board's review of your documents, I am glad to inform you that you have been admitted to the above master's course of study for enrollment in the Winter semester 2018/19 under the provision that you fulfill certain additional requirements.

Pursuant to Section 3 (4) of the currently valid Comprehensive Examination Regulations (ÜPO) dated November 3, 2014, which is applicable to all RWTH Bachelor's and Master's courses except for teacher training courses, a prerequisite for admission to the Master's course is a first, recognized university degree. This university degree must prove that the subject-specific educational background for the Master's course of study has been obtained. The required skills and assessments are defined in Section 3 (2) of the currently valid course-specific examination regulations for the Master's course of study Media Informatics dated 1. October 2005 MPO for short. The Examination Board is in charge of determining whether these prerequisites have been fulfilled.

Pursuant to Section 3 (6), Sentence 1 of the ÜPO, the examination board can grant provisional admission to the course of study even if the candidate does not fulfill all educational prerequisites for study at the time of application. Admission is granted with the provision that the candidate complete additional requirements. Evidence of the completion of these additional requirements must be provided when registering for the Master's thesis at the latest, unless the course-specific examination regulations specify an earlier point in time.

The review of your subject-specific educational background has revealed that you can be admitted for enrollment to the above Master's course of study under the assumption that you successfully complete the listed modules and their respective exams by the time you register your Master's thesis:

Covers all the required subjects required for admission. Selected for the Program.

Admission is granted under the condition that you provide proof of successful completion of the Bachelor's course of study in \* **Computer Science**

**(Bachelor of Engineering)** by the time of enrollment.

Dear Aditya,

Congratulations! The Admissions Committee has recommended you for admission to the UCLA Anderson School of Management Master of Financial Engineering (MFE) program. Our selection decision was based on your outstanding scholarship as well as the distinctive perspective you will bring to the UCLA Anderson MFE Class of 2019.

Please note that by University of California policy, applicants recommended for admission to any graduate level program are subject to an official admissions review process conducted by the UCLA Graduate Division. Once this process is completed you will receive official notification of the Graduate Division's decision. The email will come from [UCLA\\_Application\\_Decision@gdnet.ucla.edu](mailto:UCLA_Application_Decision@gdnet.ucla.edu) and will ask that you check your UCLA Graduate Application Decision status online. This important email will have a password which will allow you to access the official decision letter from the Dean of the Graduate Division, a checklist detailing contingencies of your admission (if any), a deadline for sending us all official transcripts AND official degree certificates/diplomas in your native language and official English translation and access to the online Statement of Intention to Register (SIR). Please disregard information pertaining to the Statement of Legal Residence (SLR) since this is not required for enrollment in the MFE program. You will not receive a hard copy of your admissions letter; however, you can print a copy of this letter for your records.

After completion of the Graduate Division's review, should you decide to accept the offer of admission, you will be required to submit a non-refundable \$2,000 enrollment deposit online by **April 15, 2018**. If the email from the Graduate Division comes *after* April 15, 2018, you will have **two weeks from the date you receive notification**, to pay the non-refundable \$2,000 enrollment deposit. Your deposit will be credited toward your first quarter fees.

Information regarding local housing, financial aid and enrollment will be made available to you soon after you have accepted the Graduate Division's offer of admission.

Should your enrollment deposit *not* be received within the allotted timeframe we will assume that you are declining our offer and we will be unable to hold your place in the class.

Once you have submitted the SIR and have paid the non-refundable \$2,000 enrollment deposit, please mail your official documents in envelopes which have been sealed, stamped and signed by your university to the following address:

**UCLA Anderson MFE Program**  
**110 Westwood Plaza, Suite C401**  
**Los Angeles, CA 90095-1481**

110 Westwood Plaza, Entrepreneurs Hall  
Suite C401, Box 951481 Los Angeles, California 90095-1481

Our contact phone number is **(310) 825-3103** in case you are using DHL, FedEx or UPS.

As an international student, you will receive an email notification from the Dashew Center for International Students and Scholars (DCISS) office after completing the SIR with instructions on how to request your I-20. The Confidential Financial Statement form will be required as part of that process. Please see our "International Students" webpage [here](#) for further details.

In your application, you acknowledged that all of the information you provided is true and accurate. As such, all admitted students will go through a background check through Re Vera Services, LLC, which will cost \$80usd, and is to be paid by you to the vendor. UCLA Graduate Division reserves the right to revoke an offer of admission if any information is found to be falsified or other fraudulent action has been taken.

You may now begin your background check process by clicking on the following link: <https://www.reveraservices.com/uclamfe.html>. Once you enter the site the MFE program is pre-selected within the dropdown menu, so you will simply hit the "Next" button which will take you to the following screen. Please fill in your personal information including your applicant ID which is your University ID (this number is included at the top of this letter). You will then E-sign the document and submit your payment to Re Vera Services, LLC to complete the background check.

The Admissions Committee would like to strongly recommend that you take the [UCLA Anderson MFE Preparatory Online Classes](#) before the start of the Program. We believe you will find these classes helpful in ensuring that you are prepared for the rigorous MFE curriculum. As an additional incentive, we are offering a discounted rate of \$500 per course for admitted students.

**New Student Orientation** will begin Monday, September 17, 2018 and end Friday, September 21, 2018. Classes will officially begin Thursday, September 27, 2018. For planning purposes, please be aware that your time in the MFE program officially begins with orientation and that workshops/events may be scheduled before the start of your classes. As such, please do not make other travel plans anytime between the end of orientation and the beginning of class instruction. (Please note: there will be a mandatory iSTART Visa Check-In for international students on Wednesday, September 26, 2018, from 12PM to 4PM.)

UCLA Anderson is a great place to learn and develop your potential. We strongly believe that you will reap significant benefits from being a part of the UCLA Anderson community, and that in turn, our community will be enhanced by your many contributions.

Congratulations, once again, on your admission to the MFE Program! We look forward to having you join us at UCLA Anderson this September.

Sincerely,

This is an exciting time to be joining the NYU Tandon School of Engineering, the second oldest private engineering school in the United States. You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a hallmark of NYU School of Engineering for more than 110 years. The Graduate Admissions Committee is confident you are well prepared to make significant contributions to your field through our rigorous graduate program.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. The incorporation of research into classroom teaching fosters a dynamic environment where students and faculty share a passion for the creation and execution of world class research and projects with global impact.

- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions in your career.
- A diverse environment for worldwide academic collaboration. New York University is a global network university with portal campuses in multiple international academic centers. You will have the opportunity to work with students and faculty from around the world.

To accept your offer of admission and pay the \$500 non-refundable tuition deposit, go to [home.nyu.edu](http://home.nyu.edu). Once you are signed in to NYUHome, access [NYUAlbert](#) and click on "Applicants", followed by "Application Status," and then "Admissions Offer." Navigate through the online accept/decline process by following the instructions. Hardik, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Dear Mr. Wagh,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Fall 2018. Your degree objective is the Master of Science. Please include your USC ID (3430-9373-95) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at [gradwelcome.usc.edu](http://gradwelcome.usc.edu), which includes specific information about registration and enrollment. You will also find a link to the portal at [you.usc.edu](http://you.usc.edu) when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

#### CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation ([www.ierf.org/usc](http://www.ierf.org/usc)) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

Dear Aakash Dinesh:

It is my pleasure to inform you that our Graduate Admissions Committee has granted you admission to the Telecommunications Engineering Technology, MS program beginning with the 2018-19 Fall term. This offer recognizes your past accomplishments and, especially, your extraordinary academic promise.

This offer of admission is subject to meeting the conditions described on the enclosed Graduate Admission Contingency Form. Should you not meet the conditions for admission outlined by your graduate department, RIT may withdraw this offer of admission and may not allow you to enter or continue in your degree program. If you have any questions regarding your admission, I encourage you to contact the graduate program director in your department.

To accept our offer of admission, please complete the online "Reply to Offer of Admission" form, which can be found on your Application Status page at [join.rit.edu/account/login](http://join.rit.edu/account/login). After accepting our offer of admission, please pay the \$300.00 Advance Tuition Deposit. This reserves your place in the program, allows you to apply for campus housing, and access online resources. Your academic department will provide you with registration procedures and course schedules.

Please read the enclosed information carefully. Your understanding of the instructions and deadlines within this material will enable faculty and staff to assist you effectively as you make plans to join us at RIT. If any questions arise regarding your admission, we are available to help you. Please check our website [[www.rit.edu/grad](http://www.rit.edu/grad)], contact us at [gradinfo@rit.edu](mailto:gradinfo@rit.edu) or call us at the number listed above. ## Northeastern University Graduate School of Engineering

Dear Srushti Arjun,

**Congratulations** on your acceptance to the Master of Science in Information Systems program at Northeastern University's College of Engineering! I look forward to you joining our innovative multidisciplinary program, specifically designed to advance your career and prepare you as a future leader.

With an ever-increasing importance of technology in our everyday lives, an MS in Information Systems has the opportunity to open the door to a promising, prosperous career in a variety of IT areas while moving you beyond just software development and programming to also understanding business to become an IT solutions leader.

Our graduates have gone on to work at leading companies such as Google, Amazon, Tesla and Apple, in a variety of roles such as project management, business analysis, and business design and process architecture, data architecture, and IT management, to name a few.

I am also very proud to share that 50% of our graduates are women. Northeastern, and the Information Systems program in particular, is committed to offering a diverse and inclusive community, and we are an advocate for increasing the number of women in STEM fields. Our program is rigorous, innovative, and designed to meet the interests and needs of women.

As an Information Systems graduate student at Northeastern, you will join a vibrant engineering community with an established support system of administrators and accomplished faculty focused on your success. Many programs are in place to foster the academic, social, and career opportunities for women. At Northeastern, you will have an opportunity to engage with fellow women in STEM fields, participate in networking opportunities with women alumna, join a variety of women's student groups, receive help in finding scholarships and other resources geared toward women, benefit from programs to prepare women for careers in STEM, and create meaningful relationships with potential employers who are committed to fostering the next generation of women in engineering. The flexibility of the program also enables students to customize their education in ways that fit their needs, enabling them to develop the specialty of their choice, and prepare for market demand.

As a graduate student at Northeastern, you will have the opportunity to participate in our world-renowned cooperative education program, and gain up to eight months of real-world industry experience. Our graduate multidisciplinary master's students have earned an average salary of \$22,000 while on co-op, helping to finance their education, while giving them the competitive edge upon graduation.

As you can see, our comprehensive and innovative program is designed to give you the education, support, and experience you need to be successful and advance your career.

In support of our legacy of women in Information Systems, **our alumni will host a conversational series with three of our Information Systems alumni on Friday, May 4 at 9:00 AM EST**. I invite you to join the conversation to learn more about their experience, and the future for women in Information Systems.

Dear Mr. Ghatge,

On behalf of the Executive Board of TU Delft we are pleased to inform you that you, Shubham Ghatge, born on 29-01-1997 at Osmanabad, Maharashtra, India, have been conditionally admitted to the two year MSc programme, Master Systems and Control 2018-2020.

Your admission is based on the following condition(s):

- That you obtain your (provisional) bachelor's degree before the start of your MSc programme at TU Delft.

Please note that you need to present an original or certified copy of your diploma during your registration at the Introduction Programme. If these documents are not in English, French, German or Dutch, you need to bring a certified translation. Presenting the original or copy of your diploma, whether or not translated, is the final and necessary step to finalise your enrolment at TU Delft.  
Pay attention: Without these documents you cannot enrol at TU Delft.

The tuition fee for the academic year 2018-2019 is: € 15575  
Total to be paid is: € 15575

Within five working days you will receive an e-mail invitation to become a member of our online community Delftulip. In Delftulip you will find all the necessary information about becoming a TU Delft student such as payment details, required documents for enrolment, visa requirements, housing, and the official Introduction Programme.

Please take the following steps to proceed with your enrolment at TU Delft:

1. Login to [osiaan.tudelft.nl](http://osiaan.tudelft.nl) and submit your Confirmation Statement preferably **within 4 weeks, but at 1 June at the latest.**

Please realise that without your Confirmation Statement, the enrolment process cannot continue.

2. After submission of your Confirmation Statement, you will receive your Financial Letter. Pay the full amount stated in the letter **before 1 July 2018.**

3. **Housing is offered on a first come, first served basis**, based on the date of your payment. Therefore, please confirm your participation and make the payment as soon as possible for us to continue the process.

4. Check Delftulip regularly for all important information regarding your upcoming stay at TU Delft.

The academic year starts on **Monday 3 September 2018**. Please take into account that your enrolment and Introduction Programme will start around two weeks before the start of the academic year.

In case of any further questions, please contact [internationaloffice@tudelft.nl](mailto:internationaloffice@tudelft.nl)

Dear Ms. Mane;

It is with a great sense of pride that I welcome you to the University of Maryland's Graduate School. The university is committed to offering programs that combine rigorous academic and technical preparation in a nurturing, diverse and engaging environment. Our graduate programs are designed to prepare graduates for a wide range of opportunities in local, national and international settings.

I am pleased to offer you admission to the M.S. program in Telecommunications (ENTS) for the Fall - 2018 term.

Your tuition and charge-differential classification: Out-of-State

Your condition(s) of enrollment:

- Submission of final official baccalaureate transcripts from all previous institutions by the end of the first semester of study.

Each required transcript (except from the University of Maryland, College Park) must show the date and conferral of the awarded degree. If your transcript does not state that a degree was granted, an attested copy of your diploma/degree certificate is required. Future registration will not be possible without the receipt of these documents.

Dear Priyanka:

Congratulations! It is my pleasure to offer you admission into the Information Systems program at Stevens Institute of Technology.

Since 1870, Stevens has welcomed students who combine a passion for learning with a desire to apply their training to improve the world around them. Upon thorough review of your impressive credentials, it's clear you would be an excellent fit for our master's programs, which prepare students for leadership roles with innovative organizations around the globe.

A student with your talents and aspirations likely has received multiple letters similar to this one, but we're confident you'll find Stevens is best aligned with your future. Our classrooms are windows into tomorrow — we emphasize innovative instruction from leading faculty members, we create high-tech laboratories that make cutting-edge research possible, and we leverage our proximity to industry to bring corporate leaders and their perspectives to your learning. Our network of alumni and industry partners helps graduate students find internships, understand where their field is going and learn what it takes to manage a bustling enterprise. And our students enjoy pursuing their studies in one of the best locations in the world — our picturesque campus in lively Hoboken is just minutes from New York City by train or ferry.

At Stevens, we call ourselves "The Innovation University." That's partly because of the programs we offer, the faculty we recruit and our legacy of technological vision — and it's also because of students like you, Priyanka, who possess the vision and passion to take the top-flight educational experience you'll receive here and apply it to the challenges facing the world. Again, congratulations on your achievement, and I look forward to welcoming you to our campus shortly.

Admission 1. to the Pre-Master Course ((Preparatory course for international prospective students for English-taught master's programmes) at Ulm University

2. to the Programme ' Master of Science in Chemical Engineering' at Ulm University

Dear Mr Ashish Vazirani

We are pleased to inform you that you have been admitted to the

- 1. Pre-Master Course** starting 21 August 2017 (summer semester 2017)  
To enrol formally you will have to appear in person at the Student Administration and Examinations Office **by 01 September 2017 at the latest**; otherwise, the admission (No.1 and No.2) is forfeited.  
Please find the documents/requirements for enrolment on the following website  
<https://www.uni-ulm.de/en/study/application-and-enrolment/immatrikulationsinformationen/>
- 2. Two-year Master's Programme in Chemical Engineering at Ulm University** starting 16 October 2017 (winter semester 2017/18)

**Please note:** This admission is valid subject to the conditions that

- you have **successfully completed the above mentioned (No. 1) Pre-Master Course** (Preparatory course for international prospective students for English-taught master's programmes) at Ulm University
- you have completed your bachelor's or equivalent programme
- you have provided proof of English language competence at **Level C1** of the Common European Framework of Reference for Languages (CEFR), through the TOEFL with a minimum score of 95 (internet based), the IELTS with a minimum score of 7.0 or a comparable proof.

Dear Vidhi,

Congratulations! You have been admitted with a conditional senior status to the Polymers and Coatings Technology graduate program at Eastern Michigan University for the Fall 2017 semester. EMU offers outstanding academic programs. I am confident you will find your decision to pursue your graduate studies at Eastern to be one of the best you have made.

Conditional senior status is valid for ONE ENROLLMENT PERIOD ONLY. Your status will be reviewed upon receipt of your official degree-posted baccalaureate transcript. If your undergraduate degree will be granted by an institution other than Eastern Michigan University, it is your responsibility to send this transcript to the Office of Admissions, P.O. Box 970, Ypsilanti, MI 48197, before the end of your first semester in order to continue to register for classes in subsequent semesters.

Your student identification number is E01712987 and should be included on all correspondence with the University. Your NetID, needed to establish your my.emich e-mail account and web-based registration, is **vshah3**. Please retain this information for your records.

Enclosed is your I-20 and pre-arrival guide. When you arrive at Eastern, you must report to the Office of International Students in 244 Student Center. Please remember to bring your I-94 form and your passport with you. Call 734.487.3116 to schedule your appointment. Please note: your I-20 has been issued with the provision that you will be enrolled for at least eight credit hours for both the fall and winter semesters. You must return this I-20 if you are unable to do so or if you are unable to arrive on the scheduled date.

For questions regarding your admit status or if you are unable to start your enrollment for the admitted semester and need to update, contact International Admissions at 734.487.0205 or e-mail [international.admissions@emich.edu](mailto:international.admissions@emich.edu)

Please contact your graduate advisor who will assist you in planning your program of study. Your signed, approved program should be on file in the Office of Records and Registration, 303 Pierce Hall, no later than the end of your first semester of enrollment.

Eastern Michigan University students register for classes through a web-based information technology system. The course schedule book will be available on our web site at [www.emich.edu](http://www.emich.edu). Please check our web site often for the most current information about class schedules. For registration and course schedule questions, please contact 734.487.2300 or e-mail [records\\_and\\_registration@emich.edu](mailto:records_and_registration@emich.edu).

I encourage you to explore the Graduate School's web site at [www.emich.edu/graduate](http://www.emich.edu/graduate) to obtain information about orientation and access to the Graduate Catalog.

I am pleased you have chosen to pursue your educational goals at Eastern Michigan University. I wish you success in your graduate studies.

Sincerely,

Kevin Kucera

Padova, 5<sup>th</sup> July 2018

## Confirmation of University Offer for Academic Year 2018-2019

I, the undersigned Giacomo Boesso, Associate professor in Business Administration and director of the Master in Business and Management of the University of Padova, state the following:

**Full Name:** Ishpreet Kaur Sanghar  
**Date of birth:** 25<sup>th</sup> November 1995 **Place of Birth:** Chandigarh  
**Nationality:** Indian

The student above has been selected to take part in the Master in Business and Management (MBM), a postgraduate course from the 5<sup>th</sup> September 2018 to the end of December 2019.

This activity comes under an agreement between the University of Padova, the University of Versailles St Quentin in France and the *Institut Supérieur International du Parfum, de la Cosmétique et de l'Aromatique Alimentaire* (ISIPCA) in France. The programme is fully taught in English and the student will be awarded the Master in Business and Management by The University of Padova after completing successfully the course. The student will also receive the European Fragrance and Cosmetics Master (EFCM) by the University of Versailles (France) after successfully completing both years.

The program consists of lessons taught by university professors, discussions of case studies and project works, while the second part consists of an internship in a company of the field and the preparation of the final thesis that shall be discussed in front of an international committee. The internship can be carried out in Italy or abroad.

This declaration has been requested by the above named person and must be used within the limits permitted by law.

Dear Sidharth Suresh:

It is my pleasure to inform you that our Graduate Admissions Committee has granted you admission to the Computer Engineering, MS program beginning with the 2017-18 Fall term. This offer recognizes your past accomplishments and, especially, your extraordinary academic promise.

This offer of admission is contingent upon successful completion of requirements for your baccalaureate degree. It is your responsibility to submit an official college transcript showing completion of your baccalaureate degree to the Office of Graduate Enrollment Services prior to completion of your first term of graduate study at RIT.

To accept our offer of admission, please pay the \$300.00 Advance Tuition Deposit. This reserves your place in the program, allows you to apply for campus housing, and access online resources. Your academic department will provide you with registration procedures and course schedules. After you have paid the tuition deposit, your existing RIT Account will transition to a full student account.

Please read the enclosed information carefully. Your understanding of the instructions and deadlines within this material will enable faculty and staff to assist you effectively as you make plans to join us at RIT. If any questions arise regarding your admission, we are available to help you. Please check our website [[www.rit.edu/grad](http://www.rit.edu/grad)], contact us at [gradinfo@rit.edu](mailto:gradinfo@rit.edu) or call us at the number listed above. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add [gradinfo@rit.edu](mailto:gradinfo@rit.edu) to your "allowed" emails section of your email system.

I extend to you my congratulations and wish you the best as you finalize your plans to continue your education at RIT.

Sincerely,

Diane M. Ellison

Dear Mr. Chavan:

Congratulations! We are very impressed with your academic qualifications and we are recommending you for admission to the Master of Science in Electrical & Computer Engineering program in the School of Electrical and Computer Engineering at Georgia Institute of Technology, to matriculate on the GT-Atlanta campus in Fall 2018 with full graduate standing. We are confident that our ECE graduate program can provide you with an outstanding academic environment that will help you achieve your educational and professional goals.

This admission offer is valid only for the specific major, degree program, campus and matriculation term indicated above. **To confirm or deny your acceptance in our program, you must respond no later than April 15th.**

If you need additional information to help you make your decision, please contact us via e-mail, [grad-help@ece.gatech.edu](mailto:grad-help@ece.gatech.edu). You should also review the graduate student handbook available at: [www.ece.gatech.edu/academics/graduate/internal/index.html](http://www.ece.gatech.edu/academics/graduate/internal/index.html).

For information regarding Institute policies that concern graduate students, please refer to the General Catalog under the sections, "Information for Graduate Students" and "Rules and Regulations" at [www.catalog.gatech.edu](http://www.catalog.gatech.edu). The first section deals with degree requirements, intellectual property rights, and other graduate policies, while the latter section concerns scholastic regulations and other general policies.

Please note acceptance into this program is not final until confirmed by Georgia Tech's Office of Graduate Studies. Once they have made their review of your application and noted any final documents needed, they will send you notification.

**THE GEORGE WASHINGTON UNIVERSITY**

April 21, 2017

Dear Naina Lohana

This letter supersedes all previously dated letters.

Congratulations! You have been admitted to the M.S. in Telecommunications Engineering in the Department of Engineering Management and Systems Engineering at the George Washington University's School of Engineering and Applied Science.

You have an impressive record of accomplishments that clearly show you are capable of superior work in a rigorous graduate program. As you may know, the Washington, DC area is culturally rich and diverse. It is also one of the largest high technology areas in the United States. Your studies here will provide you with a wealth of opportunities and exposure to cutting-edge technology and state-of-the-science research.

Our records indicate that you have accepted the offer of admission and will be enrolling in the Fall 2017 semester. Please visit [this page](#) for the next steps you should take as an admitted student and consult the [George Washington University Bulletin](#) for general rules and regulations regarding your program.

You will be admitted with the following conditions: You must maintain a 3.0 GPA in your first semester.

You must submit official transcript to the Office of Graduate Admissions upon your arrival to the university. Please [click here](#) to review our official transcript policy.

We look forward to having you join our student body. On behalf of the faculty, we look forward to meeting you in the Fall and working with you in the future.

Sincerely,

Dr. Thomas Mazzuchi  
Professor and Chair

Dear Harit Mukesh:

Congratulations — you're in!

Each year, our admissions team sees more applications from an increasingly stronger pool of prospective students. After reviewing your impressive credentials, it's clear you've got what it takes to be a star in the Financial Engineering program at Stevens.

Stevens isn't a business school for everyone. Not only do you need the right academic excellence, you need a deep appreciation for technology and its role in solving business

### Electrical and Computer Engineering

March 13, 2018

Chirag Wadhvani

1, Prabhav CHS, 2nd Road, TPS III  
Santacruz East  
Mumbai Maharashtra 400055  
India

Dear Chirag:

We have recommended to the Dean of the Graduate School that you be admitted to the Master of Engineering program in Electrical and Computer Engineering at Cornell University beginning **Fall 2018**. Congratulations! Your record stood out among the many strong candidates from our competitive pool this year. We are confident that you will contribute to our program through your energy and efforts, and you will benefit from the opportunities available from our faculty and facilities.

We are not able to offer financial support for the MEng degree. For your planning purposes, estimated expenses for the 9-month academic year **2018-2019** are approximately **\$77,472.00** for two semesters, based on a single student's living expenses without dependents. The breakdown is as follows:

- \$54,584.00 – Annual Tuition
- \$19,820.00 – Estimated Living Expenses (\$2,202.00 per month) of rent, food, utilities, etc...
- \$ 2,983.00 – Mandatory Student Health Insurance Package (for the 2018-19 academic year)
- \$ 85.00 – Student Activity Fee (\$42.50 per semester)

#### MEng Program Details.

The Master of Engineering degree is designed to strengthen your technical skills through advanced course instruction, enhance your abilities to function within a design team setting, and provide professional skills such as writing, communicating, and decision-making. Our flexible degree requirements allow you to learn leading edge technology from a world-class faculty, and practice these skills on a supervised design project. Recruiters uniformly tell us that the design project is what distinguishes the MEng degree from the typical course-only MS degree. This is the reason top companies come to Cornell to recruit new talent. The breadth of Cornell's Electrical and Computer Engineering program will allow you to gain technical depth in many critically emerging areas. Please check our [website](#), for more detail on our [degree requirements](#) and many available [options](#).

Many students have elected to take three semesters to complete this degree, graduating at the end of their second fall semester for an eighteen-month total program. This option allows a student to spend more time on the project, possibly secure a summer internship, and be better prepared for job interviews. It also allows students to take a few more courses that may not directly count toward the MEng degree, but which are professionally useful. A decision to stay for the third semester must be made by the beginning of your second semester, and it will require an additional semester of tuition, health insurance and living expenses (there are no pro-rated amounts).

#### Graduate Study / Housing at Cornell.

The Cornell Graduate School has two helpful and informative online brochures that have been created for new incoming graduate students. Please go [online here](#) to download them both to save for future reference. They are: [You Belong at Cornell](#) and [Cornell Graduate Housing Guide](#).
