Report Name : Odisha Film Festival

Report Description :

The Odia short film, Ghubukudu, which is based on the struggle for survival of traditional stunt artistes, has been officially selected in two international film festivals is watched by students in college campus.

“The film shows how a family, which survives on this art form, suffers in poverty, while no one comes forward to help them in their time of need. These artistes live in abject poverty despite being so talented. The music and songs have the real feel — the way the performers sing and appeal to people to pay them by narrating their own pain,”

The film features Pabitra Kumar Dandasena, Rejina Behera and Srijit Shubhankar Raiguru playing the roles of the **Ghubukudu** artiste and family members.

## 7. PPT presentation

17<sup>th</sup> March, 2021

Volunteers discussed problems in villages and their solutions through the making of PPTs and sharing them on an online platform. This not only encouraged an open discussion about the adopted villages but also gave them an opportunity to present in safe space.

## 8. Educational PPTs

30<sup>th</sup> April, 2021

With the kind donation of college, NSS TSEC has been arranging to provide the adopted villages with a few computers. Volunteers worked in groups to create presentations with voice overs explaining Mathematics for village children to be installed in those computers as additional educational aid. These were made in simple language using mainly Hindi and Marathi.

# Report on International Day of Yoga (IDY'20)

## NSS-TSEC presents Yoga for Health Webinar by ISHA Foundation-21/06/20

Due to the COVID Lockdown, 6<sup>th</sup> International Day of Yoga(IDY'20) was celebrated in the form of an online webinar organized by **ISHA Foundation** and presented by the NSS-TSEC team with strong support of the Principal, enthusiastic Teachers & Students.

On the 19th and 20th of June, a yoga challenge was conducted on instagram by the NSS TSEC team where our respected Principal and the POs invited students to do their favourite yoga asana and post it on instagram. About 45 people participated in the same. The aim of this was to promote yoga in the younger generation. Volunteers and non volunteers both took part in this.

The Online Webinar was conducted on Youtube by ISHA Foundation for TSEC. The webinar was 90 minutes long, consisting of three yoga practice sessions and valuable insights about yoga from SADHGURU himself.

During the **first session**, training on **Yoga Namaskar** was shown and was sincerely performed by the participants. The experience of this session was refreshing with composure and enthusiasm among all the participants.

For the **second session**, a video clip of SADHGURU was shown practicing **Simha Kriya**, a kind of breathing exercise to boost immunity and respiratory health. It made participants aware about the importance of respiratory health and increasing immunity power which is needed to fight the current COVID Pandemic situation.

The **third session** was a 20 minutes **CHITSHAKTI Meditation**. An audio clip of SADHGURU was played giving instructions to perform a guided meditation. It was a relaxing session that helps the participants to manifest love, health, peace and success in their lives.

An insightful talk was also given by the Isha foundation volunteer regarding the maintenance of health and well being during the lockdown along with general instructions like being respectful towards the lockdown and protecting oneself from the illness.

All the participants showed patience and enthusiasm during the IDY'20 webinar. They also showed their happiness and gratitude for conducting such events on a regular basis for the benefit of their personal wellbeing in the feedback forms filled by them. They also suggested/requested conducting such Yoga and wellbeing practices in the institute on a regular basis as it helps in an individual's performance enhancement and improvement in all the activities in the Institute. The total number of participants were 86 of which 39 were volunteers in 2019-20 and 47 non volunteers including people from other colleges, faculties, etc.

We, **NSS-TSEC** are highly obliged towards our Principal, **Dr. G.T. Thampi** and our Program Officers **Mr. Sachit Nalaskar** and **Dr. Gauri Shukla** for constant help through their guidance, instant approvals, providing funds and motivation to all the necessities. They motivated all by proposing to conduct such an event on a continuous basis in the institution to benefit all.
