Dear *Head of Institute,*

We are aware of the environmental and other benefits which come from trees and plants. Most of the campuses of Central Higher Education Institutions have ample scope for planting trees. It would be a worthwhile exercise if more trees and plants are planted in these campuses.

Following a master plan approach is always good way of doing it. Therefore, it is suggested that your institute may prepare a 'Plantation Master Plan' for the whole campus, involving experts in landscaping, horticulture, forestry etc. and accordingly, plant maximum number of trees and plants, wherever possible example along boundary walls/roads/tracks, in empty spaces which are not to used for any other purpose.

It will be useful to coordinate and collaborate with the local Municipal and Development Authorities, as well as with the forest and Horticulture departments of the State Government, who have their own annual targets and budget to plant trees in large numbers.

It would be appreciated if you can give your personal attention to this good cause.

With regards,

Yours sincerely,

F.No. AICTE/P&AP/Tree-Plantation/2019

Date: 31st July 2019

To
All Directors/Principals/Vice Chancellor
AICTE approved Institutions & Deemed Universities

Subject: Plantation Drive from 1st to 15th August by MHRD in all AICTE approved Institutions as a part of "One Student, One Tree" initiative.

Dear Sir/Madam,

Hon'ble HRD Minister Dr. Ramesh Pokhriyal "Nishank" has launched a new campaign "**One Student, One Tree**" on 20th July 2019. This initiative is in line with the **Hon'ble Prime Minister's idea of a green and healthy environment**. Kendriya Vidyalayas (KVs) have already initiated this project with a target of planting 10 lakh trees. This initiative need support of our young dynamic students and teachers.

As a responsibility towards mother nature and contribution to this initiative, I urge your institute to carry out a plantation drive on any suitable day from **1st to 15th August**. We strongly recommend **plantation of a minimum of 1 tree per student** by your institute. Diverse species of trees should be planted with focus on minimum water consumption in an ecofriendly manner. Also, these trees should have suitable utility in the nearby area.

Planting a tree is not enough. Taking care of it for first 1-2 years is equally important. Take care of this too. In case of unavailability of land for plantation, Institutes are requested to approach nearest "Forest Department" to carry out the same. As an incentive for carrying out plantation, student will be awarded 20 "AICTE Activity Points" as defined in Chapter 6 of AICTE Internship Policy.

Your institute needs to submit data of planted trees along with one picture of plantation drive (preferably group of students with the saplings) on "<http://www.fdp-si.aicte-india.org/onestudentonetree/>" **by 20th of August, 2019**

Based on suitable criteria, Institutes will be awarded by Hon'ble HRD Minister on 5th September 2019 i.e. on Teacher's Day. In near future, further information shall be asked by AICTE regarding survival rate of these trees. We further request you to display attached posters on the Notice Board of the Institute and make "**One Student, One Tree**" a huge success.

All the Directors/ Principals of AICTE Approved Institutions.

Subject: Plan of action on Ek Bharat Shrestha Bharat (EBSB) in Higher Education Institutions.

Dear Madam/ Sir,

India is unique nation, whose fabric has been woven by diverse linguistic, cultural and religious threads, held together into a composite national identity by a rich history of cultural evolution, coupled with a rousing freedom struggle that was built around the tenets of non-violence and justice. The spirit of mutual understanding amidst a shared history has enabled a special unity in diversity, which stands out as a tall flame of nationhood that needs to be nourished and cherished into the future.

With a view to foster national integration by a co-ordinated mutual engagement process between States, Union Territories, Central Ministries, Educational Institutions and general public through linguistic, literary, cultural, sports, tourism and other forms of people-to-people exchanges, the Government of India has launched an initiative Ek Bharat Shrestha Bharat (EBSB).

All the 36 States/ UTs in India have been paired for an entire year and mandated to sign MoUs with each other, delineating a set of activities that they would carry out together through the year. Such interaction between deferent segments of the population of each pair of States/ UTs at the cultural level, would generate the vibrancy of understanding & appreciation amongst the people and forge mutual bonding, thus securing an enriched value system of unity in the nation. Detailed background of the scheme, its objectives, implementation strategy/ methodology and the pairing of the States/ Union Territories are available in www.ekbharat.gov.in

It has been decided by Government of India to intensify the EBSB by spreading it to all the higher education institutions in the country, including all AICTE regulated colleges. A plan of action has been worked out (Annexure-I) and accordingly, your institution is now required to

- Prepare a date-wise action plan covering all activities (As per Annexure-II)
- Identify a Nodal Officer for this activity

We request you to accord high priority to the action sought and maintain a record of activities under EBSB for sharing with AICTE. Your cooperation is ever asked for.

Plan of action on Ek Bharat Shreshtha Bharat in Higher Educational institutions

It has been decided in the meeting in PMO that the Ek Bharat Shreshtha Bharat (EBSB) should be intensified and spread to the all the Higher Educational Institutions in the Country with special emphasis on the following institutions:

- A) All Central Universities (40) (Action: JS CU)
- B) All NITs (32) (Action: Addl DG)
- C) All IITs (23) (Action: AS TE)
- D) Other Central Institutions (5) (Action: JS A)
- E) All RUSA funded State Universities/Colleges (Action: RUSA unit)
- F) All AICTE regulated colleges (Action: Chairman AICTE)

Programme of action for EBSB :-

1. Student exchanges:

Every year, at least (50) students of a HEI in one State will travel and spend 10 days in the paired institution of the paired State. (The pairing of States would be intimated in due course). The purpose would be to learn the language, culture, living styles, festivals, social customs, food habits and such other aspects of the social and cultural affairs of the paired State. The contingent would be led by one or more teachers who will be responsible for the proper organisation of the visit and also for the safety of the students.

The organisation of the student exchange would be done in the following manner:-

- a) Identification of the contingent: Students in each institution may be invited to participate in a competition, such as a quiz regarding paired State. Such students who have exhibited minimum knowledge and understanding of the paired State should be selected.
- b) Conduct of the visit:- The visit will be done in accordance with the dates agreed with the paired institution. Since Indian Railways is expected to give concession for the movement of students under EBSB, it is advised to use the Railways for movement of students to the extent possible. The visiting students would be housed in the hostels of the paired institution. Suitable facilities should be provided by the paired institution for this purpose. The contingent will not only interact with the local students, but would also go out to visit historical sites, villages around the institution and would learn the language of the paired State. They would also learn the dance and customs of the paired State. Each

of the learning process should be properly documented through photos, videos, write-ups etc.

c) Preparing reports: Each member of the visiting contingents is expected to focus on one aspect of the culture of the State which has been visited; and prepare a small write-up along with photographs within 30 days from the date of return from the visit.

d) Dissemination: The report so prepared would be printed and should be shared using social media accounts like Facebook and Twitter, duly tagging the social media accounts of the Ministry, and EBSB. Apart from above, they will share the findings of the visit with the larger audience in the college.

The cost of the student visit should be locally managed by the institution.

2. Youth Festival:

One institution in every State with adequate infrastructure would be identified to conduct EBSB Youth Festival in which all the Universities (and their affiliated colleges) in their State, and all Universities and affiliated colleges in the paired State, should be invited to participate in various cultural and sports competitions. Similarly, wherever there is TECH festival in IITs etc. there could be special events with the paired State.

3. Exchange by teachers:

In every State, about (50) teachers would be selected (by the RUSA State Coordinator) for exchange visit to the paired State. Teachers so selected should have in-depth knowledge of the culture, music, dance and life style of their State. The teachers' visit would be organised by the paired State RUSA unit, and should facilitate talks and in various HEIs of the State covering as many institutions as possible.

4. Screening of films etc:-

All Higher Educational Institutions in each State should organise screening of the films of the paired State for which the institutions should make suitable arrangements.

5. EBSB Day in all Central Institutions:

In every Central Institution like IIT, NIT, CU, who are having students from various parts of the country, there shall be (10) EBSB days per year @ 1 day per every month depicting the culture of the paired State.

Dr. G. T. Thampur
PRINCIPAL

Thadomal Shahani Engineering College
Bandra, Mumbai-400050.

During these days, there shall be food, cultural demonstrations of the paired States along with screening of popular films in both the languages.

6. EBSB Clubs:

Every Higher Educational Institution should have a EBSB Club whose aim would be to propagate language, culture of the paired State through various activities (**Action: UGC**). The best EBSB Club would be awarded by Hon'ble Minister on 31st October, 2020.

7. Translation of popular books:

CILL, Mysore may be asked to translate the popular books of the paired State into other Indian language. An action plan will be prepared by the CILL for this purpose.

Action Plan by HEIs

In accordance with the above, every institution under MHRD control would need to prepare a date-wise action plan covering all the activities before **22nd October 2019**. This will be printed and released on 31st October 2019. A format in which these activities are to be listed is enclosed.

All HEIs should also identify a nodal officer for this activity for their institution.

EBSB Campaign Office

EBSB Campaign Office will be set up in MHRD with the help of 5 young professional to be recruited by EdCIL with organisational skills and skills for launching media campaign, content writing and social media management. This Unit should start functioning from 1st week of November, 2019 and shall be responsible for coordination the above effort.

Annexure

This is regarding the activities to be performed by higher educational institutions under the Ek Bharat Shrestha Bharat Campaign.

- So far, pairings have been done for all HE institutions across the paired states – for example, IIT of state 1 has been paired with IIT of paired state and similarly for NITs/IITs/ CU/ IISers/ IIMs/ RUSA institutions / AICTE institutions
- The paired institutions were asked to carry out the following activities :
 - **Student Exchange** involving 5 day mutual exchange visit of 50 students between paired institutions
 - **Teacher Exchange** involving visit of 50 teachers from every state to the paired state
 - **Youth Festival** in one selected institution in every state with participation of students from various institutions in the paired state
 - **EBSB Day**
 - **EBSB Club**
 - **Translation of Books** of Paired States
- Based on feedback from institutions, it is understood that several of them are finding it difficult to organize the Student Exchange activity owing to time, budget and other logistic constraints.
- The Action Plan has therefore been reconsidered and redrawn with focus on low cost, high volume activities which can be easily woven into the curriculum of the institution . The proposed Action Plan is as follows :

I. ACTIVITIES AT THE INSTITUTION LEVEL

1. **EBSB Day** – one day in every month will be observed as EBSB Day in every HE institution where activities like cultural demonstrations -songs, dance, drama of paired state, film shows of paired states, food festivals, reading of translated books of paired states can be undertaken. The list is indicative, there can be other similar activities.
2. **EBSB Clubs** – Every HEI will have an EBSB club. Objective is to propagate the culture, language, art forms etc of the paired state by organizing appropriate activities. These can include reading of books from paired states, cultural programmes, cuisine, listening to news from the paired state, listening to/ watching a language Radio/ TV News / other programme from the paired state, holding quiz about the paired state etc. In addition to the above the EBSB Clubs can lead/ drive other EBSB activities being organized by the institution.
The Best EBSB club to be awarded by Hon'ble Minister on 31st Oct 2020
3. **Celebrating Statehood Day** of the paired state
4. **Notice/ Display Boards about paired state** - Each institution can have one or two notice / display boards where students will put up information/pictures/ write-ups etc about the paired state. This activity can be lead by the EBSB Club

Dr. G. T. Thampi
PRINCIPAL

Thadomal Shahani Engineering College
Bandra (W), Mumbai - 400 050.

5. **Optional classes to teach language** of the paired state. Alternatively, students can be encouraged to learn the language of paired state through many available online apps. Each student must learn at least **the alphabets, 100 sentences, 5 songs, 20 proverbs in the language** of the paired state,
6. **Essay Writing/ Debates/ Drama / Quiz / Cultural Programme** based on some aspect of the paired state, preferably in the language of the paired state. This can be linked to the area of study of the students. For eg students of Economics can be asked to write an essay on an economic problem of the paired state, Political Science students can debate on some political issue on the paired state, Engineering students can look for technical applications suited to the paired state.
7. **Pledge on Swachhta/Single use plastic/water saving/ National Unity** in the language of partnering states/UTs.
8. **Ek Bharat Shreshtha Bharat Utsav.**
9. Bringing out **Bi-Annual Ek Bharat Shrestha Bharat Newsletter / Report**

II. ACTIVITIES BETWEEN PAIRED INSTITUTIONS

1. **Skype / Email Friends** – Students should make skype / email friends from among students of the paired institutions and interact with them on a regular basis like penfriends
2. **Video Conferencing / Skype sessions** between groups of students of the paired institutions. These sessions will help the students get to know each other and learn about each other's states. Subjects for these interactions in can be related to the study area of the interacting groups to make it more meaningful. There can be literary discussions, debates on socio-economic issues, discussions on political , technical, engineering, environment and other such issues, or even song and dance recitals, poetry sessions as part of these interactions.
3. **Hackathon between paired states** – AICTE will organize the hackathons. All HE institutions in a state can participate. Institutions will be asked to identify both technical and socio-economic problems in their states. Two problems from each state (one technical, one socio-economic) can be decided upon finally and paired states can work to find solutions to these.
4. **Teacher Exchange** – 50 Teachers from each state will visit the paired state.
5. **Youth Festivals** – One identified institution in every state will organize the festival. All He institutions of the paired state will be invited. Students who have done well / showed interest in the institutions level EBSB activities can participate in these festivals.

Dr. G. T. Thampi

III. Translation of Popular Books

- CIL Mysore will translate popular books of the paired states. Books of Sahitya Academy winners can be translated

Subject: "Matribhasha Diwas" (Mother Language day) on 21.02.2021 – Celebration regarding.

The undersigned is directed to refer to the subject mentioned above and to say that UNESCO in 1999, declared 21st February of every year be celebrated as "International Mother Language day". Accordingly, the International Mother Language Day celebrations are held every year on this date by this Ministry in the name of "Matribhasha Diwas". The significance of this day is to promote dissemination of mother Language of all and create maximum awareness of linguistic and cultural traditions throughout the world and to inspire solidarity amongst the people speaking many languages.

2. However, "Matribhasha Diwas" is celebrated this year jointly by the Ministry of Education and Ministry of Culture through virtual medium from 21.02.2021 to 23.02.2021 to promote and preserve Mother Language. It has been proposed that the inaugural function of the Matribhasha Diwas will be inaugurated by the Hon'ble Vice President of India at 11.00 AM on 21.02.2021 in which Hon'ble Education Minister, Minister of State for Culture (I/C) and Minister of State for Education will participate as Guest of Honours.

3. It is requested that this may be conveyed to all the Higher Educational Institutions/Educational Institutions/Schools under your administrative control to advice the students to participate in the webinar without fail. The link to the webinar will be intimated separately.

Letter of Appreciation

The student chapter of the Institution of Electronics and Telecommunication Engineers at Thadomal Shahani Engineering College (IETE-TSEC) provides research and leadership opportunities in Scientific and Technical areas of direct importance. The Government of India has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and also notified as an Educational Institution of national eminence.

The letter has been issued in appreciation of the contribution of **Mr. Roshan Shetty** for his role as the **Publicity Executive** of Junior Committee of **IETE-TSEC** for the academic year **2018-2019**. The technical proficiency and the practical skills of **Mr. Roshan Shetty** assisted the society in constructing and implementing successful strategies. During the year, IETE-TSEC conducted an annual **national** level intercollegiate technical festival for which he was an organizing committee member.

IETE would like to express sincere gratitude to **Mr. Roshan Shetty** for his time and willingness to share his insight and wisdom. His tireless support and efforts are much appreciated.
