Subject:- Requesting Correction of CGPI and SGPI
in Semester 8 Marksheet, Passing
Certificate and Degree Certificate

Respected Sir/Madam,

I, Karan Kumar D Tank, was a student
of Thadomal Shahani Engineering College, Bandra
from 2012-2016. I graduated my BE in
Computer Engineering from University of Mumbai
in 2016. Recently it was brought to my
notice that there is a discrepancy in my
Semester 8th Marksheet in which my Semester
2 SGPI was considered incorrectly for calculating
the final CGPI of the full duration.

I had not noticed the discrepancy before
but I realized that the SGPI considered for
Sem 2 [7.69] does not match the SGPI
I obtained in Semester 2 [7.61]. Therefore

Sub: Regarding question paper for the subject of CMOS & Mixed signal VLSI

Respected Sir/Madam,

We the undersigned are the students of 7th semester (choice based), Electronics & Telecommunication engineering at Thadomal Shahani engg College.

On 22nd November we had our University examination of CMOS & Mixed signal VLSI with question paper code :75805

We would like to bring to your notice as follows:

- (1) Question number Q.1(B) and Q.3(A) were out of syllabus which carry total of 15 marks
- (2) There was no question asked from the module 2 of the syllabus which consists of Op-amp Design in detail where we had put a lot of efforts .
- (3) As per the syllabus, Q.2 to Q.6 are to be selected from all the modules.

Because of these most of us could not attempt for more than 50 marks from the question paper. And this will have impact on our placement and other competitive examination which are upcoming .

Kindly look into the matter.

Thanking you.
