5.2.2 Number of students progressing to higher education during the year 2022-23

Name of student enrolling into higher education	Program graduated from	Name of institution joined	Name of programme admitted to
Lakshmi Varsha Prabhakar	BE Biomedical Engineering	Purdue University	MS in Engineering (MSE)
Sanskriti Iyer	BE Biomedical Engineering	Rutgers, The State University of New Jersey	Master of Science degree program in Health Informatics
Shambhvi Saiprasad Rangnekar	BE Biomedical Engineering	Pratt School of Engineering at Duke University	Master of Engineering Management Program
Shravya Shetty	BE Biomedical Engineering	McGill University	MEng Biological & Biomedical Engr (Non-Thesis)
Vedangi Palaye	BE Biomedical Engineering	NYU Tandon School of Engineering	Master's in Biomedical Engineering
Vidhi Kapoorchand Parmar	BE Biomedical Engineering	UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN	Bioengineering program.
Utkarsh Bhosekar	BE Information Technology	Indiana University Bloomington	MS CS

Snehashish De	BE Information Technology	Indiana University Bloomington	MS CS
Avantika Deshmukh	BE Information Technology	State University of New York Binghamton	MS CS
Aakash Kapadia	BE Information Technology	UIC	MS CS
Jay Mistry	BE Information Technology	Arizona State University	MS CS
Isha Nalawade	BE Information Technology	University of Massachusetts Amherst	MS CS
Dhairya Panjwani	BE Information Technology	Fordham	MS CS
Rishabh Patil	BE Information Technology	Stony Brook University	MS CS
Shreeya Vinayak Rokade	BE Information Technology	Indiana University, Bloomington	MS CS

Arya Namit Satam	BE Information Technology	State University of New York at Buffalo	MS CS
Akshat Shah	BE Information Technology	University of Maryland College Park	MS CS
Gunjan Sharma	BE Information Technology	Questrom School of Business	MS CS
Harsh Anil Talreja	BE Information Technology	University of UTAH	MS CS
Manasi Bhagwat	BE Information Technology	North Carolina State University	MS CS
Nidhi Chandarana	BE Information Technology	State University Of New York Binghamton	MS CS
Pranav Dani	BE Information Technology	SUNY Stonybrook	MS CS
Palak Devnani	BE Information Technology	King's College London	MS CS

Dishant Israni	BE Information Technology	University of Southern California (USC)	MS CS
Aayush	BE Information Technology	Rutger University	MS CS
Tanvi Khasgiwal	BE Information Technology	University of Southern California	MS CS
Leena Kirtikar	BE Information Technology	USC	MS CS
Kevin Masalia	BE Information Technology	University of Southern California	MS CS
Shubh Dhaval Mehta	BE Information Technology	Arizona State University	MS CS
Harsh Parikh	BE Information Technology	Purdue University	MS CS
Parth Shroff	BE Information Technology	Worcester Polytechnic Institute	MS CS

Ruchit Thaker	BE Information Technology	University of Southern California	MS CS
Shubh Gupta	BE Information Technology	Stevens	MS CS
Parinda Pranami	BE Information Technology	University of Southern California	MS CS
Aarya Vijay Devnani	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science
Akash Manoj Khatri:	BE Computer Engineering	University of Utah	MS program in Computer Science
Amogh Dattatray (Amogh) Agashe	BE Computer Engineering	Stony Brook University	MS program in Computer Science
Aneri Gaurang Shah	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science
Arjun Balamwar	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science

Atmaj Koppikar	BE Computer Engineering	NYU	Master of Science-Computer Science
Harsh Deepak Modi	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science
Hrishit Kotadia	BE Computer Engineering	Rochester Institute of Technology.	Master of Science-Computer Science
Jash Gautam,	BE Computer Engineering	University of California San Diego	Master of Science-Computer Science
Kavish Chirag Shah	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science
Khushal Ghansham Dodeja:	BE Computer Engineering	University of Utah	Master of Science-Computer Science
Kritanjali Sanjay Jain	BE Computer Engineering	Carnegie Mellon University	Master of Science in Artificial Intelligence and Innovation (MSAII)
Mihika Prasad Gaonkar,	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science

Mitali Prakash Juvekar	BE Computer Engineering	University of Massachusetts Amherst.	Master of Science-Computer Science
Mittul Daswani,	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science
Nimit Sandeep Jhunjhunwala	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science
Nishita Matlani	BE Computer Engineering	NORTHEASTERN UNIVERSITY	MIS
Piyush,	BE Computer Engineering	University of Utah	Master of Science-Computer Science
Prisha Nirav Panchmia	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science
Ronak D	BE Computer Engineering	Illinos Institute of Technology	Master of Science-Computer Science
Roshan B	BE Computer Engineering	Arizona State University	Master of Science-Computer Science

Sahil A	BE Computer Engineering	Penn State University	Master of Science-Computer Science
Ishan Saksena	BE Computer Engineering	University of Michigan, Ann Arbor	Master's of Science in Data Science program
Sakshi Bhanage	BE Computer Engineering	Arizona State University	Master of Science-Computer Science
Shanvi Kamlesh Mehta	BE Computer Engineering	University of Illinois Chicago (UIC)	Management Information Systems
Trushant Sunil Narwani	BE Computer Engineering	City, University of London	MSc Human-Computer Interaction Design
Tushar Parmanand Budhwani	BE Computer Engineering	University of Massachusetts Amherst.	Master of Science-Computer Science
Vanshika Ram Gurbani	BE Computer Engineering	Rutgers University	Master of Science-Computer Science
Yashvi Kishor Vaghela	BE Computer Engineering	University of Southern California.	Master of Science-Computer Science

Jash Karanjikar	BE Chemical Engineering	Hamburg University of Technology (TUHH)	MS in Environment Engineering
Ishika Shyam Kishore	BE Chemical Engineering	Purdue University	MS in Chemical Engineering (MSCHE)
Rishabh Yogesh Bhingarde	BE Chemical Engineering	MIT World Peace University	M.Tech. Chemical Engineering
Saket Rajeev Mundra	BE Chemical Engineering	Carnegie Mellon University	Master of Science (M.S.) in Chemical Engineering--Project Option
ritvik kokal	BE Chemical Engineering	UIC	MS in Chemical Engineering (MSCHE)
Srishti Sanjay Bhardwaj	BE Chemical Engineering	NYU Tandon School of Engineering	Master's in Environmental Engineering
Vaishnavi Nambiar	BE Chemical Engineering	Pratt School of Engineering at Duke University	Master of Engineering Management Program-Master of Engineering Management Program
Yogesh Dharmesh Jadhav:	BE Chemical Engineering	Columbia University	Chemical Engineering Master of Science

Sidharth Kanjoor	BE Chemical Engineering	Hamburg University of Technology (TUHH)	Chemical and Bioprocess Engineering (Master of Science)
Jishnu Venkata Madabhushi,	BE Chemical Engineering	Texas A&M University	Master of Science in Industrial Engineering.
Eshan Kadam	BE Chemical Engineering	Hamburg University of Technology (TUHH)	Environmental Engineering (Master of Science)
Siddhant Valmik Garje	BE Chemical Engineering	Hamburg University of Technology (TUHH)	Chemical and Bioprocess Engineering (Master of Science)
Riya Kadulkar	BE Electronics & Telecommunication	NORTHEASTERN UNIVERSITY	Master of Science in Engineering Management
kanva trivedi	BE Electronics & Telecommunication	Arizona State University	Master of Science-Computer Science
Vidit Agrawal	BE Electronics & Telecommunication	Syracuse University	Master of Science-Computer Science
Hirtika (Hirtika) Mirghani	BE Electronics & Telecommunication	Johns Hopkins University	M.S.E. program in Computer Science

Kalash Desai	BE Electronics & Telecommunication	NORTHEASTERN UNIVERSITY	Master of Science-Information Systems
Gargee P. Bansode	BE Electronics & Telecommunication	Duke University	Master of Engineering Management Program-Management Program Management Program
Krisshiv Hinduja	BE Electronics & Telecommunication	NORTHEASTERN UNIVERSITY	Electrical and Computer Engineering
