TSEC Alumni

TSEC Alumni association was formed in 1994 and since then there has been a constant interaction with the alma mater.

TSEC has engaged Univibe Network as their Alumni Management Software vendor. The two organizations have partnered to strengthen the associations between the institute and the alumni network through a web portal and an app created by Univibe Network.

The partnership is aimed to provide tools and systems that will be highly effective in meeting the challenges with respect to alumni management and strengthening the connection between the institute and alumni. Some of the ways we will utilize the software are:

- As an active platform for the institute and alumni to stay connected
- As an opportunity for the institute to add value to alumni community
- As an opportunity for the institute to leverage alumni in building their brand
- As a platform with up-to-date information about alumni members
- As an interactive platform for various purposes for the institute and alumni

TSEC's partnership with Univibe Network has been a fruitful association. We have been able to find solutions to some of the most complex challenges that both, the alumni and institute had been facing. We see a fundamental shift in the way the institute and alumni engage and interact. We have managed to build innovative programmes, opportunities for students, and are committed to work together for enhancing the institute's relationship with alumni and vice versa. Our alumni are now a significant stakeholder and active participants in all developmental activity.

Alumni Meet on 18th January, 2020 Report

Thadomal Shahani Engineering College had organized an Alumni Meet on 18th January 2020 (Saturday) in the college seminar hall from 4:00 p.m. to 7:00 p.m. The meet was proposed to be free of charge backed by our college Principal Dr. G.T. Thampi.

The Alumni started arriving in college by 4:00 p.m. and they were received by the student volunteers at the registration desks. A multimedia presentation, "Trip down memory lane…" was playing in the background, which chronicled the journey of the alumni of TSEC. The hosts of the event, our student volunteers invited the dignitaries to occupy the dais. The dais consisted of Dr G.T.Thampi (Principal), **Prof. Kranti Kumar (Ex-Principal), Dr Madhuri Rao (HOD IT Department), Dr Tanuja Sarode (HOD Computer Department**), Prof Tasneem Mirza (Convenor). There were many faculty members present in the audience too. Dr G.T.Thampi, welcomed all the dignitaries and all the alumni for responding to the invitation from college and thanked them for being present in spite of their busy schedule. He then proceeded with presenting the college report highlighting the various milestones reached in the past year. After this, to start the occasion on an auspicious note, the chief guest **Prof. Kranti Kumar** gave a welcome speech to the students and reminisced his good old days **in TSEC. This was proceeded by a few current TSEC students performing various acts of their talent and interest. Prof Mudita Dixit and Prof Gauri played a round of games with the alumni where they had to recognize the voices of their teachers, recognize different college rooms and labs from pictures, etc. The alumni thoroughly enjoyed and participated in these activities. The winners were given small gifts as a reward. The alumni members who had completed 25 years of graduation were given a special token of appreciation and acknowledged in front of the audience. The alumni enjoyed snacks and refreshments during the event. After the event got over, the alumni went ahead to meet their teachers and personally interact with them. This was followed by a photo session department-wise.**

All in all, it was a successful event, and everyone had a great time catching up with their friends and teachers.
