# THADOMAL SHAHANI ENGINEERING COLLEGE

24/ 07/ 2013

Circular

All teaching and non-teaching staff are advised to preserve, optimize and augment the existing facilities/ equipment and resources.

Every staff is expected to eliminate waste (non-value adding activities) and there by reduce expenditure in general.

We are exhorting every one to develop a sense of ownership towards the institute and contribute to the financial closure of our activities.

We are also suggesting following activities to be undertaken for additional revenue generation

On / Off line Testing and Consultancy

Sharing honorarium, remuneration from sources other than one's own college with the institute

Getting financial aides from funding agencies like AICTE/ DST/ University etc.

Organize scholarships / financial assistance from private parties.

Private NGOs and philanthropists

Revenue generation through short term/ Faculty Development programs courses for students and professionals
