1	IQAC Framework and Quality Parameters

IQAC Frame Work of TSEC

We as an institute completely align with frame work decided by NAAC on IQAC composition, objective and scope. We are enlisting following extended objective to facilitate easy implementation and operationalization.

Extended Objective: IQAC frame work envisages building quality systems in the institute for the enlisted outcomes:

1. Positive experiences of various actors of the institute.
2. Eliminate waste (non-value adding activities).
3. Improving the brand value and the visibility of the institute in the evolving competitive professional education market place.
4. Build processes to go up in the academic value chain.
5. Facilitate a system in place perpetually acquire new knowledge and develop competency in emerging areas.
6. Building and maintaining collective consciousness of the institute to be equitable to all stakeholders and society at large.
7. Developing and maintaining processes for positive engagement of pupils to help them build competencies, emotional, spiritual and social indices.
8. Developing a system in place for faculty training to be abreast with technology (product and processes) market place.
9. Create a system in place to leverage influential parents to address the bottlenecks experienced by the institute through productive engagement of civic-municipal authorities, government authorities and NGOs.
10. Design a procedure in place to sensitize all concerned about the sustainability issues of human life on the earth.
11. Internationalization of education and contributing to further the cause of emission control, environment protection and leading to carbon zero processes and procedures.
12. Process in place to generate revenues through consultancies and renting the infrastructure and adopting digital technologies in teaching-learning and

administration to reduce the cost of expenditure for learners getting enrolled in our institute.

The constitution of IQAC committee

Members are selected to constitute IQAC committee on the basis of guidelines of NAAC. Members represent diverse segment of the society and they shall seriously contribute in committee by bringing in different perspective related with professional education.

Financial Closer

IQAC committee operations are financed by the institute essentially from income from other sources (other than fees). IQAC can also seek sponsorship from well-wishers and enterprises to undertake activities which are expensive in comparison with the revenues of the institute like visiting educational campuses abroad from various exchanges etc.

Quality Audit of IQAC by Third Party

IQAC shall be subjected to quality audit by third party with appropriate credentials.

Quality Parameters

1. Students' approval of heightened learning experiences measured by multiple means and through feedback.
2. Degree of correlation of campus placement proportionate to quality input offered by the institute.
3. Satisfaction index of teaching faculty and staff employed with the institute.
4. Approval rate of the institute by the peer group from the same geography.
5. Visibility of the institute in both electronic and print media without sponsorship offered by the college.
6. Admission to institutes of excellence for post graduate studies.
7. Passing percentages in the University exams and other competitive exams immediately after graduation.

8. Funding received from State funding agencies/Universities for modernization of laboratories or research in thrust areas.
9. Funding received for organizing seminars, workshops and faculty development programs.
10. Number of seminars, workshops and faculty development programs conducted by the college.
11. Number of Ph.D. holders working with the institute.
12. Number of patents filed, number of research paper published, number of published books by the faculty and number of pupils acquiring Ph.D. degree from the institute research centre.
13. Number of social outreach programs conducted by the institute.
14. Ranking in NIRF and other ranking published by various media agencies.

(Dr. G. T. Thampi)

Principal and Chairperson, IQAC

With reference to Point No 1: To read and approve the minutes of the last IQAC meeting.

Minutes of the last meeting held on 18/06/2022 were read by the IQAC coordinator and after due discussion it was approved by the members present.

With reference to Point No 2: To discuss the possibility of increasing intake capacity in PG/UG programme

Mr. Bhavin, Industry Expert member and Mr. Vinit Soni, Alumni Member shared their view that the new courses can be started in the area of security/cyber security. Principal, Dr. G.T. Thampi Sir added on that we can suggest the Mumbai University to consider the narrow domain topics in addition to broad topics.

It was resolved that the new Ph.D. programs can be introduced in

- i. Information Security (model on advent of Quantum Computing)
- ii. Cloud-- Edge Computing.

Principal Dr. G.T. Thampi Sir also updated the members that the college has applied for increase in intake (10 seats) for Ph.D. in Computer Engineering

With reference to Point No 3: Any other matter with the permission of the chair.

Dr. Maniroja Edinburgh, Professor and HoD ExTC department updated the members about the status of the organising International/National Conference that the college has approached to IEEE and Springer and expecting positive reply/acceptance from springer journal for publishing the articles/papers.

End of the Minutes: The meeting ended with vote of thanks to the chair.
