Hi there,

Great to see you are interested in making use of DataCamp for your class. I have just approved your submission which means your class will have full access to the entire DataCamp course curriculum for the semester (6 months) starting on the start date of your group.

One small request: we do ask for a link to DataCamp from your university's web page (e.g. a resource page, personal page, your class page...) or a mention on social. Please find all the resources and instructions on these [Communication Guidelines](#). Such a reference would help students find our free content easier.

Are you able to provide this?

Thanks in advance.

Best,

DataCamp Support
