

GLOBAL EDUCATION FAIR BY IMPERIAL CONSULTANTIONS

Program Coordinator: Dr. Arti Deshpande

Date: 29th August 2023

Location: Thadomal Shahani Engineering College

Total Number of Participants: 100

The International Study Abroad Fair, organized by Imperial Overseas Educational Consultants, took place on 29th August 2023 at Thadomal Shahani Engineering College. The event aimed to provide students with comprehensive information about various study abroad opportunities, exchange programs, scholarships, and resources available for those interested in pursuing education in foreign countries. The event was volunteered by TSEC Students' Council showcasing the college's commitment to global education and also reinforcing the significance of international experiences in today's interconnected world.

The fair featured a diverse array of exhibition booths representing partner universities, study abroad agencies, and scholarship organizations. Representatives from these institutions were present to answer queries and provide detailed insights about the academic programs, admission requirements, and cultural experiences available to students. Experts from different international institutions presented on topics such as application procedures, visa requirements, living arrangements, and financial planning for studying abroad. These sessions were interactive and allowed students to have their specific doubts addressed. The discussions provided a well-rounded perspective on the impact of international education. The fair fostered networking between students, representatives of partner universities, and study abroad agencies. Attendees had the chance to establish connections that could prove invaluable in their study abroad journey,

from guidance on choosing the right program to post-graduation opportunities.

The fair successfully increased awareness among students about the multitude of study abroad opportunities available to them, dispelling misconceptions and concerns. Attendees were empowered to make informed decisions about choosing suitable institutions, programs, and countries for their academic pursuits. The interactive nature of the fair facilitated engagement, allowing students to directly interact with representatives and gain clarity on various aspects of studying abroad. The fair served as a platform for networking, enabling students to establish connections with peers, professionals, and representatives from global institutions.

The International Study Abroad Fair was a resounding success, serving as a valuable resource for students aspiring to explore academic opportunities beyond borders. By providing comprehensive information, fostering cultural understanding, and facilitating networking, the event played a pivotal role in guiding students towards their international education goals.

GLOBAL EDUCATION FAIR 2023

Meet Top 50+ Universities
from USA, Canada, Germany,
UK, Australia, New Zealand
and Ireland.

In Association With

IMPERIAL
Overseas Educational Consultants

Education Fair Highlights

- › Directly Interact with University Delegates One-on-One in your Campus!
- › Official information & Updates directly from the institutions.
- › Application Fee Waivers/Scholarships/Fee Reductions/being offered by Universities.
- › Have your profile evaluated and understand your prospects.
- › Find out about Courses & Internships / CPT / OPT & Job Prospects.

To whom it may concern,

This 'Halp Partner Network Letter' is intended to set forth the basic terms for a partnership agreement. **This is not a legal document, and any terms or conditions mentioned below are non-binding.** The purpose of this letter is to outline the proposed partnership that each side intends to become a party to. After this agreement is made, another formal agreement may be constructed to the benefit of both Parties.

This 'Halp Partner Network Letter' outlines the partnership that Halp Technologies Inc. ("Party A") and Thadomal Shahani Engineering College, Mumbai ("Party B") agreed to on 11.11.2022.

1. Overall Structure. By entering into this partnership, Halp Technologies agrees to act as Thadomal Shahani Engineering College's dedicated 'international admissions office'. For zero cost, Thadomal Shahani Engineering College will get their own product page and study abroad workshops, while their students will receive free 1:1 admissions coaching. In exchange for free access to Halp Technologies' product and coaching services, Thadomal Shahani Engineering College is expected to name and promote Halp as their preferred study abroad partner.

2. Partner Expectations. In order to benefit from Halp Technologies' free tech product and coaching services, Thadomal Shahani Engineering College is expected to:

- Name Halp as their official study abroad partner, and direct any related study abroad enquiries to Halp's product and coaches
- Promote Halp to their students via agreed-upon activations, including WhatsApp / email campaigns and providing Halp on-campus access to student workshops
- Appoint a Halp Liaison Officer to serve as a main point of contact

STUDY ABROAD WORKSHOP BY HALP.CO

Program Co-Ordinator: Dr. Aarti Deshpande

Date: 11th August 2023

Location: N.B Seminar Hall

Total Number of participants: 50

The Thadomal Shahani Engineering College organized a study abroad workshop held by HALP on August 11, 2023, with great enthusiasm and participation from students, staff, and faculty members. The event aimed to promote studying abroad and making the journey to do so easier by halp. This report summarizes the key highlights and topics that were shed light on by our speaker.

Studying abroad is a big decision for students, who often navigates it alone or pay high upfront fees to education agents. With Halp, students have a new option to receive top level support for no cost.

From university and program discovery to getting to campus Halps platform promises students the management of their study abroad journey and offers 1:1 support from personal coaches.

The Study Abroad Workshop at Thadomal Shahani Engineering College successfully completed and provided students a clearer view of their further journeys after completion of their Degree. The guidance was provided by the presenter Paroma Roy who engaged well with the students and provided answers for their queries.

HALP'S STUDY ABROAD WORKSHOP

Excellent opportunity for all TSEC students to study
abroad and get accepted in your dream colleges!!

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

**Thadomal Shahani Engineering College,
Mumbai**

&

AdiSa Drona Private Limited, Kolhapur

(Base of operation at ADVET, Ashta, Dist – Sangli)

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 23rd day of January of Two Thousand Twenty-Four (23-01-2024),

BETWEEN

Thadomal Shahani Engineering College, Advocate Nari Gur Shahani Marg, TPS III, Off Linking Road, Bandra-West, Mumbai-50 represented herein by its **Dr. G. T. Thampi, Principal**, (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

AdiSa Drona Private Limited, Kolhapur and represented herein by its **Dr. Vikram S. Patil, CEO** (from now on referred to as "**Second Party**", a company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
Thadomal Shahani Engineering College, Advocate Nari Gur Shahani Marg, TPS III, Off Linking Road, Bandra-West, Mumbai-50
- B) **AdiSa Drona Private Limited, Kolhapur**, the Second Party registered office at **A-3, Jagajjivan Heights, Vishalgadkar Compound, Nagala Park, Kolhapur**, having base of operations at **ADCET, Ashta, Dist Sangli**
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area

14.

[Handwritten signature]

of Skill Based Training, Education and Research.

- E) Both Parties, being legal entities in themselves desire to sign this MOU to advance their mutual interest;
- F) **AdiSa Drona Private Limited, Kolhapur** the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services.
- G) **AdiSa Drona Private Limited, Kolhapur** is willing to educate students on this technology, advancements in Indian contests, and business potential in this field. Regardless of their branch of study, students can engage in a variety of entrepreneurial activities. For example, civil engineering students can engage in surveying, mapping, and mining monitoring activities. Computer engineers can create various software applications for various drone activities, including those used by civil engineers, by using various AI tools and technologies, whereas electronics engineers can develop different circuits including modifications in flight controllers.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES OUTLINED IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: Institute/College Responsibilities

- 1.1 The first party to appoint a SPOC person to communicate with students of the college and AdiSa Drona Pvt Limited.
- 1.2 First Party needs to give publicity, through the SPOC, of the planned activities to students of the First party.
- 1.3 First party to provide required facilities, and infrastructure to carry out the scheduled activities.
- 1.4 SPOC to coordinate with students, if they are interested in participating in RPC and other activities conducted at AdiSa Drona, Ashta facility.

CLAUSE 2: AdiSa Drona Obligations

- 2.1 Second Party will conduct a Students' awareness seminar: A seminar of 90 to 100 minutes can be scheduled at your campus to make students aware of the drone technologies and regulations related to this technology. The topic of this seminar "**India's View on Drone Sector and Opportunities**"
- 2.2 The second Party will conduct a **Drone design and assembly workshop**: Two days of workshop with the following content, principles of flight, dynamics of UAV, design of UAV, component study, assembly, configuration, and autonomous flight test. Charges for this workshop will be decided mutually by the First party and the Second Party.
- 2.3 The second Party will provide Internships for students in application software development for various drone applications.
- 2.4 The second Party will provide an Internship for students for designing &

[Handwritten mark]

[Handwritten signature]

development of drones: Designing of Model drones of Rotorcraft, Hybrid and Aeroplane category

- 2.5 The Second Party is DGCA-authorized RPTO at ADCET, Ashta for the Drone Pilot Licensing/ Certification Program: This certification has become essential for flying commercial drones of weight 250 gms and above. A total six days program can be conducted in hybrid mode (Two days online + four days in Physical mode at ADCET, Ashta). A substantial discount can be offered to the students of First Party registering in group of a minimum of 20.
- 2.6 Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the Drone technology trends, on a mutually agreed honorarium.

CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 : VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period AdiSa Drona Private Limited, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of AdiSa Drona Private Limited, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5: RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the Second Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Sangli.

TSEC- Institution's Innovation Council Report: Seminar on India's Policy on Drone Technology

Date: 20 March, 2024

Duration: 10:00 am - 3:00 pm

Mode: Offline

Total Attendees: 50

Speaker: Dr. Vikram Patil (Director of ADCET-Ashta and the CEO of Adisa Drone Pvt. Ltd.)

Topic: India's Policy on Drone Technology

Introduction:

The Institutions Innovation Council of TSEC organized a seminar titled "India's Policy on Drone Technology" for university students. The event aimed to educate students about the latest developments, regulations, and opportunities in the field of drone technology. Dr. Vikram Patil, Director of ADCET-Ashta and CEO of Adisa Drone Pvt. Ltd., delivered a comprehensive session providing insights into the policy landscape surrounding drone technology in India.

Key Takeaways:

- **Policy Overview:** Dr. Patil outlined India's drone policy, covering registration, operational guidelines, and airspace restrictions.
- **Technological Advancements:** The seminar showcased recent drone innovations and their applications in agriculture, infrastructure monitoring, and disaster management.
- **Opportunities and Challenges:** Attendees learned about the opportunities and challenges in India's drone industry, emphasizing innovation, collaboration, and regulatory compliance for optimal utilization while addressing safety concerns.

Agenda Highlights:

- Overview of India's policy framework on drone technology.
- Presentation on technological advancements and applications of drones.
- Discussion on opportunities and challenges in the drone industry.

- Interactive session for students to ask questions and engage with the speaker.
- Case studies and real-world examples showcasing the impact of drones in various sectors.

Next Steps:

- Hands-on Experience: Encourage participation in training programs, workshops, and hackathons to gain practical skills and develop innovative solutions using drones.
- Stay Informed: Emphasize the importance of staying updated with regulatory changes and industry trends to remain informed about the evolving landscape of drone technology.
- Professional Development: Encourage ongoing learning and skill development to prepare for opportunities in the field of drone technology, fostering growth and success in aspiring professionals.

Conclusion:

The seminar on India's Policy on Drone Technology provided students with valuable insights into the regulatory framework, technological advancements, and opportunities in the drone industry. Dr. Vikram Patil's expertise and engaging presentation style facilitated a deeper understanding of the subject, inspiring students to explore career opportunities and contribute to the development of drone technology in India. The event exemplified the Institutions Innovation Council's commitment to fostering innovation and preparing students for the challenges of the future.

**MEMORANDUM OF UNDERSTANDING
Between**

**Department of Youth Affairs, Ministry of Youth Affairs & Sports,
Government of India**

(Hereinafter referred to as DoYA)

And

Thadomal Shahani Engineering College University/ College

(hereinafter referred to as University/ College)

This MEMORANDUM OF UNDERSTANDING (MoU) is made and entered into and executed on the 21st Day of March 2024 at Mumbai between:

Department of Youth Affairs, under the Ministry of Youth Affairs & Sports (hereinafter called "DoYA") which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its administrators and permitted assignees, and is represented herein by(name, designation, address)....., Department of Youth Affairs, Ministry of Youth Affairs and Sports, Government of India, of ONE PART

AND

the Thadomal Shahani Engineering College (University/College) (hereinafter called "University/College"), which expression shall unless repugnant to the context or meaning thereof, be deemed to mean and include its legal successors, administrators and permitted assignees and is represented herein by Prof. G.T.Thampi, Principal, Thadomal Shahani Engineering College, Khar West, Mumbai of the OTHER PART

The terms and conditions in the MoU are general terms and conditions concerning the relationship between the parties, in so far as, organizing events under the Mentorship program on MY Bharat Portal. In pursuance of this MoU, the parties agree to the following:

I. PURPOSE OF THE MoU

To assist DoYA in organizing a one-day Master's training program in the University/College campus(es) by providing services of its facilities such as at least 50 functional computers for training, auditoriums, conference hall, training space, audio video system, technical assistance, accommodation in guest house/hostel or associated premises, Food and beverage, and faculty member(s) from the educational institution who can be trained as master trainer for conduct of future training sessions, etc.

II. PROGRAM DESCRIPTION

The master training program has been designed to impart hands-on training sessions for various Center and State Govt. officials and faculty members of educational institutions to be trained as Master trainers for onboarding and posting of events and other activities for youth engagement on the MY Bharat portal.

III. Role of University:

- a. To provide an enabling environment for effective working relationships with DOYA through coordination of staff and information sharing for the workshop.
- b. To organize a one-day master training session including all the logistics arrangements for one day and two nights stay (if required)
- c. To meet all the costs of the sessions as per the approved rates.
- d. To provide a conference hall of at least 50-60 capacity having facilities of audio-video system, 50-60 functional computers, projectors, wired and cordless microphones, and all technical equipment, etc. to organize training session.
- e. To manage light refreshment/lunches for all the participants.
- f. To provide accommodation in their premises in their hostel or guest house, if available.

IV. Role of DoYA

- Provide the list of trainers and trainees for each session separately.
- Hosting event information on MY Bharat Platform.
- Printing and Distribution of IEC Material (Brochures/Booklets) during training sessions.
- Payment of honorarium to trainers

V. Work milestones

- The details of participants, date and time for training session to be finalized at least 7 days in advance of the final training session.

S. No.	Work Description/Deliverables
1	Provide the outlined itinerary for the program's events.
2	Ensuring the flawless operation of all technical equipment, 50-60 functional computers including audio/visual systems, sound systems, microphones, etc., to the highest standards.
3	Ensuring Proper seating capacity for around 50-60 participants.
4	Proper documentation of the event (like attendance, queries, etc.)

VI. Payment milestones relating to work milestones

30% of the funds approved by the Ministry will be released to the concerned University in advance upon receipt of a satisfactory execution plan in r/o deliverables. The remaining 70% shall be released after receipt of the final bill and after the successful submission of documents and deliverables, subject to the satisfaction of the competent authority in the Department of Youth Affairs.

Cost for each Master Trainer Training session

Per Event Costs for 55 participants (including trainers) for 1 Day and 2 nights				55 Participants
S. No	Head	Unit	Unit Cost *	Total Cost
1	Accommodation Cost (for 2 nights)	Per night	3000/- (per person per night on twin sharing basis)	3,30,000/-
2	Food Cost (for 2 days)	Per day	500/- (breakfast+lunch+dinner per day)	55,000/-
3	Venue Charges, if any	Per event	10,000/- (per day)	20,000/-
4	Refreshment	Per person	100/- (per day)	11,000/-

5	Kit for Participants	Per person including notepad, pen, printing of material	150/-	8250/-
6	Printing and Distribution of IEC Material (Brochure/Booklets) to be provided by this Ministry	Per person cost	100/- (per day)	11,000/-
7	Honorarium for trainers (other than from Ministries/ Government Organizations)	Per trainer per day	15,000/-	15,000/-
8	Contingency, if any	---	----	----
	Total Cost (Per Event)			4,50,250/-

* Rates may be different for each institution as per their proposal.

In case the organization which is the recipient of the fund as mentioned in this MoU, fails to hold the event on the scheduled date(s) at scheduled place as specified in this MoU for any reason, except for reasons beyond the control as mentioned in the clause Force Majeure, the recipient will refund the entire fund received in one lump sum within 7 days from the date on which the scheduled event was supposed to be held, failing which, interest @ 18% p.a. will be imposed from the date of release of funds till the date of refund.

VII. Period of agreement

This memorandum shall come into force immediately upon its signature by the parties. The validity of this Memorandum of Understanding is initially for a period of **one year** from the date of its execution, unless terminated earlier as provided herein below and the same can be further extended on mutual agreement.

VIII. Amendment

This MoU may be amended at any time by the mutual written consent of both parties.

IX. Termination

The MoU may be terminated at any point of time by DoYA by giving one month's notice and bill settlement/adjustment, if any, for the task already completed to be done within one month of the termination of the MoU. The DoYA reserves the right to terminate the agreement if the circumstances so warrant in exceptional situations without assigning any reasons therefor.

X. Non-Binding Nature of Memorandum

Nothing in this Memorandum shall be construed as creating any contract, partnership, agency or other legal relationship between the parties. This Memorandum is only a non-binding statement of intent to foster genuine and mutually beneficial collaboration. The parties agree that they are not bound exclusively by this memorandum and will be at liberty to enter into any other agreements or arrangements with any third party without reference to the other party in this MoU on the similar program (s).

XI. FORCE MAJEURE

Notwithstanding any provision contained in this MOU, neither party shall be liable to the other to the extent the fulfillment or performance of any terms and conditions of this MOU is delayed or prevented by revolutions, civil disorders, wars, acts of enemies, strikes, lack of available resources from persons other than the parties to this MOU, electrical equipment availability or failure, fires, floods, rainfall, snowfall, earthquake, natural calamity, pandemic, central, state or municipal action, statute, ordinance, or regulation or without limiting the foregoing, any other cause not within its control and which by the exercise for reasonable diligence, it is unable to prevent, whether of the class of causes hereinbefore enumerated or not. If any force majeure event occurs, the affected party will give prompt written notice to the other party and will use reasonable effects to minimize the impact of such event.

XII. Arbitration

Any claim, dispute or difference relating to or arising out of this Understanding shall be settled subject to the provisions of Arbitration and Conciliation Act, 1996 as may be amended from time to time. The venue of arbitration shall be New Delhi. Both parties irrevocably submit to the exclusive jurisdiction of the Courts in New Delhi, for any action or proceeding regarding this MoU.

XIII. Indemnity clause:

The DoYA, GOI, will always be kept indemnified by the organizing college/institute/universities and will not be made party in any legal suit that may arise in case of any eventuality.

IN WITNESS WHEREOF, this Memorandum of Understanding is executed by the parties hereto on the date of its signing by the two parties.

**Report on MY Bharat and Digital Literacy Program training
program at Thadomal Shahani Engineering College, Mumbai on
20th-21st April 2024**

Two days training program of master trainers with regard to various aspects of MY Bharat portal, and digital literacy to youth through MY Bharat portal, was conducted by Department of Youth Affairs, Ministry of Youth Affairs & Sports, Government of India on 20th & 21st April 2024 at Thadomal Shahani Engineering College, Mumbai, Maharashtra.

The master training program was been designed to impart hands-on training sessions for various Centre and State Govt. officials and faculty members of educational institutions to be trained as Master trainers for onboarding and posting of events and other activities for youth engagement on the MY Bharat portal.

The training program was also graced by Mrs. Manjula Juneja, Under Secretary, Dept of Youth Affairs. Her enthusiasm for learning & commitment to further the cause of Youth affairs has been infectious.

The master trainers & govt. officials participating in the training program arrived at 19th April 2024 evening and accommodation facility was been arranged for all members participating in the training event.

The **Day 1** of the training program was scheduled on 20th April 2024 from 09:00 am onwards. The program started with inaugural speech by Mrs. Manjula Juneja. The Day 1 training aimed at training hand-on training for Mera Yuva Bharat platform. The trainer for the event was Mr. Abhishek Singh.

"MY Bharat - Mera Yuva Bharat" is an initiative of the Ministry of Youth Affairs & Sports to empower Indian youth through social mobility, educational equity, and practical skills. Mera Yuva Bharat is a platform dedicated to empowering young individuals in India by providing them with a comprehensive array of resources and opportunities. It serves as a dynamic catalyst for personal growth and community impact, enabling the youth to achieve their aspirations while also equipping them to become influential change-makers within their communities. The central vision of Mera Yuva Bharat revolves around harnessing the untapped potential, boundless energy, and abundant talent of India's youthful demographic through a series of targeted initiatives. The platform currently has onboarded and is about to onboard several Ministries and State Departments, PSUs and relevant personnel of those organizations who will be interacting with 1.5 crore Youth on the platform and will be enabling them to access a better future.

The training content comprised of hand-on audio visual training in computer laboratories. The trainees were facilitated with SOPs, FAQs and practice sessions so that they can facilitate the end users further.

The below schedule was followed on day 1 of the training:

Breakfast	8 AM to 8:30 AM
Registration	08:30 AM to 09:00 AM
Session Training	09:00 AM to 11:00 AM
Tea break	11 AM to 11:10 AM
Session Training	11:10 AM to 12:30 PM
Lunch break	12:30 PM to 01:15 PM
Session Training	01:20 PM to 02:30 PM
Tea break	2:30 PM to 2:40 PM
Session Training	02:45 PM to 04:00 PM
Evening Snacks	4 PM to 4:15 PM
Session Training	04:15 PM to 05:30 PM
Dinner	7:30 PM

The day 1 training session culminated with a comprehensive understanding of the My Bharat Portal, a pivotal platform in the digital landscape of governance. Participants absorbed the essence of this government initiative, recognizing its significance in streamlining citizen services and enhancing accessibility to vital information. Through a series of insightful discussions, the session elucidated the portal's objectives, key features, and its role in fostering transparency and digital inclusion. As the day concluded, attendees departed with enriched knowledge, poised to leverage the My Bharat Portal's capabilities in their respective domains, thus contributing to a more efficient and citizen-centric governance ecosystem.

The **Day 2** of the training program was scheduled on 21st April 2024 from 09:00 am onwards. The training session commenced with a focused exploration of digital literacy, underscoring its paramount importance in today's increasingly digital world. Participants embarked on a journey to enhance their understanding and proficiency in navigating the digital landscape effectively.

The trainers for the session were Mr. S. Balakrishnan , Computer Programmer, RGNIYD Certified Ethical Hacker & REDHAT and Mr. D. Surendra Babu , Technical Officer Rajiv Gandhi National Institute of Youth Development Ministry of Youth Affairs & Sports Government of India

The below schedule was followed on day 2 of the training:

Breakfast	8 AM to 8:30 AM
Session Training	09:00 AM to 11:00 AM
Tea break	11 AM to 11:10 AM
Session Training	11:10 AM to 01:00 PM
Lunch break	01:00 PM to 02:00 PM
Session Training	02:00 PM to 04:00 PM
Tea break & Snacks	04:00 PM to 04:15 PM
Session Training	04:15 PM to 05:30 PM

The training content comprised of hand-on audio visual training in computer laboratories. The trainees were facilitated with SOPs, FAQs and practice sessions.

As the training on digital literacy ended, participants departed with a profound takeaway that transcended mere technical know-how. Armed with newfound knowledge and practical skills, attendees emerged equipped to navigate the digital landscape with confidence and proficiency. Beyond mastering the intricacies of digital tools and platforms, the session instilled a deeper understanding of the transformative power of digital literacy in shaping individual lives and driving societal progress. Participants left inspired to continue their journey towards digital empowerment, recognizing the pivotal role they play in fostering a digitally inclusive society. With a commitment to ongoing learning and application, they are poised to leverage their newfound digital literacy skills to navigate challenges, seize opportunities, and contribute meaningfully to the ever-evolving digital world.

The session ended by 05:00 PM on 21st April 2024. The training ended with the vote of Thanks..

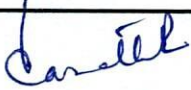

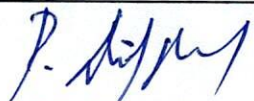

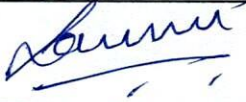

Master Trainers for My Bharat & Digital Literacy scheduled on 20th & 21st April,2024 at Thadomal Sahani Engineering College Mumbai

Date: 3rd Sept, 2023

MEMORANDUM OF UNDERSTANDING

This is an agreement between **SEED GLOBAL EDUCATION** and **COMPUTER SOCIETY OF INDIA, THADOMAL SHAHANI ENGINEERING COLLEGE**.

SEED GLOBAL EDUCATION Deliverable(s):

1) A monetary sponsorship of Rs.25000 to the college account as infrastructure fees.

CSI-TSEC Deliverable(s):

1.Meeting between TSEC leadership and visiting delegates to discuss potential collaboration opportunities (kindly share the venue for this meeting)

2.Panel discussion on 'Pursuing graduate-level STEM education in the USA' for the TSEC students (Old Building Seminar Hall)

3.Interaction between interested students and visiting delegates (Old Building Seminar Hall)

Thanking you in anticipation.

Yours Sincerely,

Ms.Mrunmayee Ingle.

Secretary CSI-TSEC

Mr. Sharang Dhaimade

Seminar Report

Topic: Delegation of six US Universities for higher education offline seminar

Date and Time: Tuesday, 12th September 2023 12:00 PM to 01:30 PM IST

Hosts: SEED Global Education

SEED Global Education is a higher education strategy firm that helps top-ranked US universities forge deeper partnerships with leading universities in Asia, the Middle East & Africa. They currently work with several leading US universities including Columbia University, Boston University, New York University, the University of California Berkeley, George Washington University, the University of Texas-Austin, the University of Illinois Urbana-Champaign, Duke University, Rice University amongst others.

As part of this delegation, representatives from following universities attended the seminar

1. Columbia University's School of Engineering
2. NYU-Tandon
3. Boston University's School of Arts & Sciences
4. George Washington University School of Engineering
5. Loyola Marymount University School of Science and Engineering
6. Worcester Polytechnic Institute

There was a panel discussion on 'Pursuing graduate-level STEM education in USA' for the interested students followed by interaction between interested students and visiting delegates.

Participants: 94 students had attended this seminar

Students registered with SEED Global Education: 14

Reference: 202308111 R01 Thadomal Shahani Engineering College Date 31.08.2023

Agreement Duration: 15th September 2023 to 14th September 2024

Hereinafter, in this agreement 'DigitalEdu IT Solutions Pvt. Ltd.' will be referred to as "DigitalEdu" / "Service Provider" and 'Thadomal Shahani Engineering College will be referred to as "Customer".

By signing this contract both parties (DigitalEdu & Customer) agree to undertake the scope of work specified in this document. DigitalEdu and Customer agree that the following terms and conditions will apply to the services provided under this Agreement and orders placed thereunder.

Any modification needed against this document shall be made as per mutual consent and shall be documented in writing by both the parties by duly attesting the same.

1. DEFINITIONS

"Administrator User" means each Customer employee designated by the Customer to serve as technical administrator of the Services on the Customer's behalf. Each Administrator User must complete training and qualification requirements reasonably required by DigitalEdu.

"Customer Content" means all data and materials provided by Customer to DigitalEdu for use in connection with the Services, including, without limitation, Customer applications, data files, and graphics.

"Documentation" means the user guides, online help, release notes, training materials, and other documentation provided or made available by DigitalEdu to the Customer regarding the use or operation of the Services.

"Host" means the computer equipment on which the Software is installed, which is owned and operated by DigitalEdu or its subcontractors.

"Maintenance Services" means the support or plus maintenance services provided by DigitalEdu to Customer pursuant to this SaaS "Software as a Service" Agreement and Exhibit A.

"Other Services" means all technical and non-technical services performed or delivered by DigitalEdu under this SaaS Agreement, including, without limitation, implementation services, and other professional services, training, and education services but excluding the Services and the Maintenance Services. Other Services will be provided on a time and material basis at such times or during such periods, as may be specified in a Quotation/Proposal/LOI/PO and mutually agreed to by the parties. All Other Services will be provided on a non-work for-hire basis.

"Exhibit" is a written document attached to this SaaS Agreement under Exhibit or executed separately by DigitalEdu and Customer for the purpose of purchasing Services under the terms and conditions of this SaaS Agreement.

"Software" means the program to which the Customer is provided access for usage as part of the Service.

"Services" refer to the specific DigitalEdu's internet-accessible service identified in the Exhibit that provides use of DigitalEdu's Software that is hosted by DigitalEdu or its services provider and made available to Customers over a network on a term-use basis.

"Subscription Term" shall mean that period specified in Exhibit C during which Customer will have online access for usage of the Software through DigitalEdu's Services. The Subscription Term shall renew for successive 12-month periods unless either party delivers written notice of non-renewal to the other party at least 30 days prior to the expiration of the then-current Subscription Term.

2. DigitalEdu's Scope of work**2.1 Setup of Server for Customer to provide and support for computing services**

- a) Setup of Hardware server at the AWS Server Farm, with appropriate hardware devices, installed like High-Speed Ethernet, a satisfactory amount of RAM memory, the appropriate size of Hard Disk, configurable static IP Addresses, etc. This hardware server will be used as a dedicated server maintained by DigitalEdu for serving the computing needs of the institute
- b) Installation of Operating System and ensuring robustness
- c) For long-term stability and robustness, an updated version of Linux-based operating system will be installed and set up. DigitalEdu will completely manage and configure various services on the installed Linux platform. For strong security, the Linux system will be Firewall-ed against all inappropriate ports for various networking protocols like TCP-IP, UDP, etc. The Linux-based operating system will be updated from time to time to safeguard against any exploitable vulnerability exposed on the Internet
- d) The Linux-based operating system will be set up to function with the static Internet Protocol Addresses provided by DigitalEdu. Furthermore, services like remote logins on Secure Shell would be configured, to be accessible on these IP addresses, for System Level Server maintenance and management
- e) Installation computing services platform - SIMS - Student Information Management System

2.2 Installation of various Services on the Server

- a) Web Server - A HTTP-enabled web server will be installed, configured, and maintained by DigitalEdu for the institute. This server would be capable of providing various web-related online services, like service static and dynamic web pages, images etc. The HTTP server will be configured to listen on the standard port 80, over the Internet-accessible IP address, unless for a certain reason, there is a need for the service to be configured on some other port/s. The web server will be Linux-based and configured such that it will be highly scalable, multiple instances of the webserver process will be simultaneously executed for serving the Computing Services load.
- b) A web server may also be extended to provide Secure Socket Layer (SSL) based web services, on default port 443, if requested by the client or if there is any need of such capabilities in the Computing Services platform.
- c) Database Services - Linux-based high-load capable and scalable, Database Services will be installed, configured, and maintained by DigitalEdu to enable multiple applications for the Computing Services platform. The database server will be protected by a strong firewall against open Internet access. Multiple databases as required by various applications will be installed and maintained. Multiple instances of the database service will be configured to execute simultaneously to ensure spontaneous, instantaneous response abilities even during high volume database activity loads. Also, various plug-ins for database access by applications will also be installed and maintained.

2.3 Support and System Maintenance

DigitalEdu will be fully responsible for system maintenance, data backup, and other support required for the well-functioning of the server.

2.4 Setup & Configuration

DigitalEdu will fully assist the Customer in the initial configuration and setup of SIMS. This task may need the campus visits of DigitalEdu representatives. DigitalEdu, as well as Customer, shall try to keep the need of campus visits to the lowest possible number by mutual understanding, as it consumes resources and time on either side.

2.5 Domain Registration and DNS Settings

SIMS will be made available to the Customer under the domain name <http://customerdomain.digitaledu.in>

(Customer shall provide necessary support - regarding the existing website of the institute and subdomain domain).

2.6 Release for full usage

DigitalEdu is responsible for making the system ready for full usage, provided the Customer shall furnish the required information and data in digital format. If any further information or data is needed the DigitalEdu shall bring in the requirement to Customers notice in writing within 5 business days of identifying the needs.

2.7 Maintenance and Upgrades

DigitalEdu will be fully responsible for software maintenance, testing, bug fixes, security, and upgrades needed on the server. All upgrades, patches, and bug fixes shall be applied free of cost to the Customer's installation on the server.

2.8 Training

DigitalEdu will conduct the required training for Office Staff, Teachers and Management Heads to the Customer's satisfaction at the Customer's premises or online mode as per feasibility. DigitalEdu shall be fully responsible for producing the required training data. The customer shall make appropriate arrangements for onsite training and ensure that training attendees are available in time. If any further requirement arises, DigitalEdu shall bring it to the Customer's notice well in time. If time and situation permit these requirements shall be furnished in writing by DigitalEdu.

2.9 Reported Service Issues

DigitalEdu will be responsible for uptime and proper functioning of the system that comprises software as well as hardware that runs on the server. Any service issues reported to DigitalEdu in writing shall be fixed within 2 business days or as a mutual agreement between the two parties depending on the nature of the work involved.

2.10 Data Ownership and Security

The customer is the owner of all data and DigitalEdu is fully responsible for data management and security. DigitalEdu shall not share direct data with any other entity/organization or Customer's competitor under any circumstances without written permission from the Customer.

The customer shall appoint/nominate a responsible data manager(s) "Chief Information Officer/System-Coordinator" who will be responsible for retrieval of the data and information from the system as required by the institute. Data will be exported in CSV format only. DigitalEdu will provide required training/guidance to the "Chief Information Officer/System-Coordinator" and appropriate permissions in the system for time-to-time retrieval of the data and information.

Upon termination, cancellation, expiration, or other conclusions of the Agreement, DigitalEdu shall support the Chief Information Officer/System-Coordinator for retrieval of the required data from the system. The customer shall complete such data retrieval within Fifteen (15) calendar days after the conclusion of this Agreement.

2.11 Network

We guarantee that our data center (cloud network) will be available 99 % of the time in any given monthly period, excluding scheduled maintenance.

2.12 Data Center Infrastructure

We guarantee that data center HVAC and power will be functioning 99 % of the time in any given period, excluding scheduled maintenance.

2.13 Cloud Server Hosts

We guarantee the functioning of all cloud server hosts including compute, storage, and hypervisor 99 % of the time. If a cloud server host fails, we guarantee that restoration or repair will be complete within two hours of problem identification.

2.14 Compliance with Laws

DigitalEdu will comply with all applicable local, state, national and foreign laws in connection with its use of the Services, including those laws related to data privacy, international communications, and the transmission of technical or personal data. The customer acknowledges that DigitalEdu exercises no control over the content of the information transmitted by the Customer or the Users through the Services. Customer shall not upload, post, reproduce or distribute any information, software or other material protected by copyright, privacy rights, or any other intellectual property right without first obtaining the permission of the owner of such rights.

3. CONFIDENTIALITY

- 3.1 **Definition.** "Confidential Information" means any information disclosed by a party to the other party, directly or indirectly, which, (a) if in written, graphic, machine-readable, or other tangible forms, is marked as "confidential" or "proprietary," (b) if disclosed orally or by demonstration, is identified at the time of initial disclosure as confidential and is confirmed in writing to the receiving party to be "confidential" or "proprietary" within 30 days of such disclosure, (c) is specifically deemed to be confidential by the terms of this Agreement, or (d) reasonably appears to be confidential or proprietary because of the circumstances of disclosure and the nature of the information itself. Confidential Information will also include information disclosed by third parties to a disclosing party under an obligation of confidentiality. Subject to the display of Customer Content as contemplated by this SaaS Agreement, Customer Content is deemed Confidential Information of Customer. DigitalEdu software and Documentation are deemed Confidential Information of DigitalEdu.
- 3.2 **Confidentiality.** During the term of this SaaS Agreement and for 3 years thereafter (perpetually in the case of software), each party shall treat as confidential all Confidential Information of the other party, and shall not use such Confidential Information except to exercise its rights and perform its obligations under this SaaS Agreement, and shall not disclose such Confidential Information to any third party. Without limiting the foregoing, each party shall use at least the same degree of care, but not less than a reasonable degree of care, it uses to prevent the disclosure of its own confidential information to prevent the disclosure of Confidential Information of the other party. Each party shall promptly notify the other party of any actual or suspected misuse or unauthorized disclosure of the other party's Confidential Information. Neither party shall reverse engineer, disassemble or decompile any prototypes, software, or other tangible objects which embody the other party's Confidential Information and which are provided to the party hereunder. Each party may disclose Confidential Information of the other party on a need-to-know basis to its contractors who are subject to confidentiality agreements requiring them to maintain such information in confidence and use it only to facilitate the performance of their services on behalf of the receiving party.
- 3.3 **Exceptions.** Confidential Information excludes information that: (a) is known publicly at the time of the disclosure or becomes known publicly after disclosure through no fault of the receiving party, (b) is known to the receiving party, without restriction, at the time of disclosure or becomes known to the receiving party, without restriction, from a source other than the disclosing party not bound by confidentiality obligations to the disclosing party, or (c) is independently developed by the receiving party without the use of the Confidential Information as demonstrated by the written records of the receiving party. The receiving party may disclose Confidential Information of the other party to the extent such disclosure is required by law or order of a court or other governmental authority, provided that the receiving party shall use reasonable efforts to promptly notify the other party prior to such disclosure to enable the disclosing party to seek a protective order or otherwise prevent or restrict such disclosure. Each party may disclose the existence of this SaaS Agreement and the relationship of the parties, but agrees that the specific terms of this SaaS Agreement will be treated as Confidential Information; provided, however, that each party may disclose the terms of this SaaS Agreement to those with a need to know and under a duty of confidentiality such as accountants, lawyers, bankers, and investors.
-

4. CUSTOMER RESPONSIBILITIES

- 4.1 Assistance - The customer shall provide commercially reasonable information and assistance to DigitalEdu to enable DigitalEdu to deliver the Services. Upon request from DigitalEdu, the Customer shall promptly deliver the required information to DigitalEdu in an electronic file format specified and accessible by DigitalEdu. The customer acknowledges that DigitalEdu's ability to deliver the Services in the manner provided in this Agreement may depend upon the accuracy and timeliness of such information and assistance.
- 4.2 Compliance with Laws - The customer shall comply with all applicable local, state, national and foreign laws in connection with its use of the Services, including those laws related to data privacy, international communications, and the transmission of technical or personal data. The customer acknowledges that DigitalEdu exercises no control over the content of the information transmitted by the Customer or the Users through the Services. Customer shall not upload, post, reproduce or distribute any information, software, or other material protected by copyright, privacy rights, or any other intellectual property right without first obtaining the permission of the owner of such rights.
- 4.3 Unauthorized Use; False Information - Customer shall: (a) notify DigitalEdu immediately of any unauthorized use of any password or user id or any other known or suspected breach of security, (b) report to DigitalEdu immediately and use reasonable efforts to stop any unauthorized use of the Services that is known or suspected by Customer or any User, and (c) not provide false identity information to gain access to or use the Services.
- 4.4 Administrator Access - The customer shall be solely responsible for the acts and omissions of its Administrators or Users. DigitalEdu shall not be liable for any loss of data or functionality caused directly or indirectly by the Administrators or Users.
- 4.5 Customer Input - The customer is solely responsible for collecting, inputting, and updating all Customer Content stored on the Host, and for ensuring that the Customer Content does not (i) include anything that actually or potentially infringes or misappropriates the copyright, trade secret, trademark or other intellectual property rights of any third party, or (ii) contain anything that is obscene, defamatory, harassing, offensive or malicious. Customer shall: (i) notify DigitalEdu immediately of any unauthorized use of any password or user id or any other known or suspected breach of security, (ii) report to DigitalEdu immediately and use reasonable efforts to stop any unauthorized use of the Service that is known or suspected by Customer or any User, and (iii) not provide false identity information to gain access to or use the Service.
- 4.6 License from Customer - Subject to the terms and conditions of this Agreement, Customer shall grant to DigitalEdu a limited, non-exclusive, and non-transferable license, to copy, store, configure, perform, display and transmit Customer Content/information/data solely as necessary to provide the Services to Customer.
- 4.7 Ownership and Restrictions - Customer retains ownership and intellectual property rights in and to its Customer Content/student Information/data. DigitalEdu or its licensors retain all ownership and intellectual property rights to the services, software programs, and anything developed and delivered under the Agreement. Third-party technology that may be appropriate or necessary for use with some DigitalEdu programs is specified in the Program Documentation or ordering document as applicable. The customer's right to use such third-party technology is governed by the terms of the third-party technology license agreement specified by DigitalEdu and not under the Agreement.
- 4.8 Suggestions - DigitalEdu shall have a royalty-free, worldwide, irrevocable, perpetual license to use and incorporate into the Services any suggestions, enhancement requests, recommendations, or other feedback provided by Customers, including Users, relating to the operation of the Services.
- 4.9 System Coordinator: The customer shall appoint a computer-literate staff member with the responsibility of acting as system admin for conducting various tasks needed by other users of SIMS. The Service Provider will provide the required training to act as System Admin. The Service Provider will provide support to the System Coordinator as is needed. This person will lead all communication that happens with DigitalEdu and shall be single-point contact from both sides for setup and technical concerns.
- 4.10 Service Provider - Customer Liaison: The customer shall appoint one Internal System Coordinator responsible for helping the DigitalEdu to supply required data from the different sources within the Customer's establishment. The system Coordinator shall be at a designation with enough authority to ask members to submit required data or information at the earliest convenience.
- 4.11 Setup & Configuration: For the Customer's convenience the service provider will support feed-in the initial data. This initial data shall be furnished, by the Customer in Microsoft excel or csv, suitable for both parties. For further fine-tuning of the setup, it might be needed to invite the Service Provider representatives to the campus. Both parties shall put in to keep this activity to the lowest possible number, as it consumes resources on both sides.
-

- 4.12 Initial Data feeding: The customer shall provide all the required data and information to DigitalEdu specified templates only. Wherever Data Import is not possible or feasible, DigitalEdu will train the Customer Staff for data feeding.
- 4.13 Upon written communication from the Customer, DigitalEdu will assist in feeding up initial data into the system. Correct, verified and confirmed data and information in specified templates shall be made available to DigitalEdu.
- 4.14 Information Input: User Hierarchy Privileges and Permissions: List of people from the Institute office, who will be handling this system with clear mention of permission, who shall have permission for which utility/module shall be defined by the Customer.
- 4.15 The customer shall take complete ownership & provide required resources (including human resources) for implementation of the software modules availed. Requests for the training and onsite support will be executed as per the constituent part of this contract.
- 4.16 Man Power resources to be deployed by Institute
- For Admission Management System: Admission committee members to verify the information submitted by students and documents, if necessary, for the institute. To guide students regarding the admission process & queries, DigitalEdu will provide training to the system-admin & Admission Committee
 - Institute shall appoint staff members
 - Attendance Management System: Academic Coordinator/Teaching Faculty shall define workload in the system as per University subject code
 - Designated staff members will get login-access, to execute tasks assigned to each individual (as advised by the Customer). In case of queries, fellow staff members shall approach the System Coordinator first for any resolution.
- 4.17 Computer & Software requirements at Institute
- Minimum 1 GHz processor, Minimum 2GB RAM, and Minimum 100 GB hard drive with Free Space
 - Windows/Linux Operating system (3G Internet Connectivity)
- 4.18 Hardware requirements - Biometric / RFID
- Subject wise - Period wise attendance: One device is needed for each group of 4-5 classrooms running parallel (sharing mode)
 - Biometric In/Out attendance - One device per 500-1000 students (Class wise grouping is recommended)

5. ORDERS AND PAYMENT

- 5.1 Orders - Customer shall order services pursuant to a Letter of intent/purchase order/work order released by Customer and agreed by DigitalEdu. All services acquired by the Customer shall be governed exclusively by this Agreement. Any amendment in the requirements shall be discussed and agreed upon mutually.
- 5.2 Invoicing and Payment - Unless otherwise mentioned in the attached exhibit, DigitalEdu shall invoice the Customer for all fees on the Schedule effective date. The customer shall pay all undisputed invoices on or before 15 days after the Customer receives the invoice. Except as expressly provided otherwise, fees are non-refundable. All fees are stated in INR and must be paid by the Customer to DigitalEdu in INR.
- 5.3 Taxes - DigitalEdu shall bill the Customer for applicable taxes as a separate line item on each invoice. The customer shall be responsible for payment of applicable taxes (example - GST), or similar charges relating to the Customer's purchase and use of the services.

6. RESTRICTIONS

- Customer shall not, and shall not permit anyone to
- copy or republish the Services or Software,
 - make the Services available to any person other than authorized Users,
 - use or access the Services to provide service bureau, time-sharing, or other computer hosting services to third parties,
 - modify or create derivative works based upon the Services or Documentation,
 - remove, modify or obscure any copyright, trademark or other proprietary notices contained in the software used to provide the Services or in the Documentation,

(vi) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code of the Software used to provide the Services, except and only to the extent such activity is expressly permitted by applicable law, or
(vii) access the Services or use the Documentation in order to build a similar product or competitive product. Subject to the limited licenses granted herein, DigitalEdu shall own all rights, title, and interest in and to the Software, Services, Documentation, and other deliverables provided under this Agreement, including all modifications, improvements, upgrades, derivative works, and feedback related thereto and intellectual property rights therein. The customer agrees to assign all rights, title, and interest it may have in the foregoing to DigitalEdu.

7. TERM AND TERMINATION

- 7.1 This Agreement shall commence on the Effective Date and shall, unless sooner terminated in accordance with its terms, continue for the Initial Term and thereafter renew as per mutual consent for successive Renewal Term, unless and until terminated by either party giving the other not less than 30 days written notice to that effect (such notice to expire at the end of the Initial Term or any subsequent Renewal Term only) or otherwise terminated under this Agreement.
- 7.2 Termination. Either party may terminate this Agreement immediately upon a material breach by the other party that has not been cured within thirty (30) days after receipt of notice of such breach.
- 7.3 Suspension for Non-Payment: DigitalEdu reserves the right to suspend delivery of the Services if the Customer fails to timely pay any undisputed amounts due to DigitalEdu under this SaaS Agreement, but only after DigitalEdu notifies the Customer of such failure and such failure continues for fifteen (15) days. Suspension of the Services shall not release Customer of its payment obligations under this SaaS Agreement. Customer agrees that DigitalEdu shall not be liable to Customer or to any third party for any liabilities, claims, or expenses arising from or relating to suspension of the Services resulting from Customer's non-payment.
- 7.4 Suspension for Ongoing Harm: DigitalEdu reserves the right to suspend delivery of the Services if DigitalEdu reasonably concludes that a Customer or a User's use of the Services is causing immediate and ongoing harm to DigitalEdu or others. In the extraordinary case that DigitalEdu must suspend delivery of the Services, DigitalEdu shall immediately notify the Customer of the suspension and the parties shall diligently attempt to resolve the issue. DigitalEdu shall not be liable to Customer or to any third party for any liabilities, claims, or expenses arising from or relating to any suspension of the Services in accordance with this Section 7.4. Nothing in this Section 7.4 will limit DigitalEdu's rights under Section 7.5 below.
- 7.5 Effect of Termination
- Upon termination of this Agreement or expiration of the Subscription Term, DigitalEdu shall immediately cease providing the Services and all usage rights granted under this Agreement shall terminate.
 - If DigitalEdu terminates this Agreement due to a breach by the Customer, then the Customer shall immediately pay to DigitalEdu all amounts then due under this Agreement and to become due during the remaining term of this SaaS Agreement, but for such termination.
 - If Customer terminates this SaaS Agreement due to a breach by DigitalEdu, then DigitalEdu shall immediately repay to Customer all pre-paid amounts for any unperformed Services scheduled to be delivered after the termination date.
 - Upon termination of this SaaS Agreement and upon subsequent written request by the disclosing party, the receiving party of tangible Confidential Information shall immediately return such information or destroy such information and provide written certification of such destruction, provided that the receiving party may permit its legal counsel to retain one archival copy of such information in the event of a subsequent dispute between the parties.

8. WARRANTIES

- 8.1 Warranty: DigitalEdu represents and warrants that it will provide the Services in a professional manner consistent with general industry standards and that the Services will perform substantially in accordance with the Documentation. For any breach of a warranty, the Customer's exclusive remedy shall be as provided in Section 6, Term and Termination.
- 8.2 DIGITALEDU warrants that the services will perform in all material respects in accordance with the documentation. DigitalEdu does not guarantee that the services will be performed error-free or uninterrupted, or that DigitalEdu will correct all service errors. Customers acknowledge that DigitalEdu does not control the transfer of data over

communications facilities, including the internet, and that the SaaS service may be subject to limitations, delays, and other problems inherent in the use of such communications facilities. Whereas DigitalEdu will provide support & service to ensure error-free & uninterrupted services as per EXHIBIT A: Support and Maintenance Services.

- 8.3 This section sets forth the sole and exclusive warranty given by DigitalEdu (express or implied) with respect to the subject matter of this agreement. Neither DigitalEdu nor any of its licensors or other suppliers warrant or guarantee that the operation of the subscription service will be uninterrupted, virus-free or error-free, nor shall DigitalEdu be liable for unauthorized alteration, theft or destruction of Customer's or any user's data, files, or programs. In such an event, DigitalEdu will deploy alternative arrangements as practicable in consultation with customers and ensure zero data loss and System availability.

9. LIMITATIONS OF LIABILITY

Neither party (nor any licensor or other supplier of DigitalEdu) shall be liable for indirect, incidental, special or consequential damages, including, without limitation, damages for lost business, profits, data or use of any service, incurred by either party or any third party in connection with this agreement, regardless of the nature of the claim (including negligence), even if foreseeable or the other party has been advised of the possibility of such damages. neither party's aggregate liability for damages under this saas agreement, regardless of the nature of the claim (including negligence), shall exceed the fees paid or payable by the Customer under this saas agreement during the 12 months preceding the date the claim arose. the foregoing limitations shall not apply to the parties' obligations (or any breach thereof) under sections entitled "restriction", "indemnification", or "confidentiality".

10. INDEMNIFICATION

- 10.1 Indemnification by DigitalEdu. If a third party makes a claim against Customer that the Services infringes any patent, copyright, or trademark, or misappropriates any trade secret, or that DigitalEdu's negligence or willful misconduct has caused bodily injury or death, DigitalEdu shall defend Customer and its directors, officers and employees against the claim at DigitalEdu's expense and DigitalEdu shall pay all losses, damages, and expenses (including reasonable attorneys' fees) finally awarded against such parties or agreed to in a written settlement agreement signed by DigitalEdu, to the extent arising from the claim. DigitalEdu shall have no liability for any claim based on (a) the Customer Content, (b) modification of the Services not authorized by DigitalEdu, or (c) use of the Services other than in accordance with the Documentation and this SaaS Agreement. DigitalEdu may, at its sole option and expense, procure for Customer the right to continue the use of the Services, modify the Services in a manner that does not materially impair the functionality, or terminate the Subscription Term and repay to Customer any amount paid by Customer with respect to the Subscription Term following the termination date.
- 10.2 Indemnification by Customer - If a third party makes a claim against DigitalEdu that the Customer Content infringes any patent, copyright, or trademark, or misappropriates any trade secret, the Customer shall defend DigitalEdu and its directors, officers, and employees against the claim at Customer's expense and Customer shall pay all losses, damages, and expenses (including reasonable attorneys' fees) finally awarded against such parties or agreed to in a written settlement agreement signed by Customer, to the extent arising from the claim.
- 10.3 Conditions for Indemnification - A party seeking indemnification under this section shall (a) promptly notify the other party of the claim, (b) give the other party sole control of the defense and settlement of the claim, and (c) provide, at the other party's expense for out-of-pocket expenses, the assistance, information and authority reasonably requested by the other party in the defense and settlement of the claim.

11. GENERAL PROVISIONS

- 11.1 Non-Exclusive Service: The customer acknowledges that Services provided under this agreement are on a non-exclusive basis. Nothing shall be deemed to prevent or restrict DigitalEdu's ability to provide the Services or other technology, including any features or functionality first developed for Customer, to other parties.
- 11.2 Personal Data: Customer hereby acknowledges and agrees that DigitalEdu's performance of this Agreement may require DigitalEdu to process, transmit, and/or store Customer personal data or the personal data of Customer employees, Students, and Affiliates. By submitting personal data to DigitalEdu, the Customer agrees that DigitalEdu and its Affiliates may process, transmit and/or store personal data only to the extent necessary for, and for the sole purpose of, enabling DigitalEdu to perform its obligations under this Agreement.

- 11.3 In relation to all Personal Data provided by or through Customer to DigitalEdu, Customer will be responsible as sole Data Controller for complying with all applicable data protection and related laws. The customer agrees to obtain all necessary consents and make all necessary disclosures before including Personal Data in Content and enabling Software and DigitalEdu Services. Customer confirms that Customer is solely responsible for any Personal Data that may be contained in Content, including any information which any DigitalEdu Services User shares with third parties on Customer's behalf.
- 11.4 The customer is solely responsible for determining the purposes and means of processing Customer Personal Data by DigitalEdu under this Agreement, including that such processing according to the Customer's instructions will not place DigitalEdu in breach of applicable data protection laws. Prior to processing, the Customer will inform DigitalEdu about any special categories of data contained within Customer Personal Data and any restrictions or special requirements in the processing of such special categories of data, including any cross-border transfer restrictions. Customers are responsible for ensuring that DigitalEdu Services meets such restrictions or special requirements. DigitalEdu to process any Personal Data that meets the requirements set forth in this Section according to these Terms of Use.
- 11.5 DigitalEdu Personal Data Obligations: In performing the Services, DigitalEdu will comply with the DigitalEdu Services Privacy Policy, which is available at <http://www.digitaledu.net/privacy-policy> and incorporated herein by reference. The DigitalEdu Services Privacy Policy is subject to change at DigitalEdu's discretion; however, DigitalEdu policy changes will not result in a material reduction in the level of protection provided for Customer Data during the period for which fees for the services have been paid. The services policies referenced in this SaaS Agreement specify our respective responsibilities for maintaining the security of Customer data in connection with the Services.
- 11.6 DigitalEdu reserves the right to provide the Services from Host locations, and/or through the use of partners, worldwide. DigitalEdu will only process Customer Personal Data in a manner that is reasonably necessary to provide Services and only for that purpose. DigitalEdu will only process Customer Personal Data in delivering DigitalEdu SaaS. The customer agrees to provide any notices and obtain any consent related to DigitalEdu's use of the data for provisioning the Services, including those related to the collection, use, processing, transfer, and disclosure of personal information. The customer shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness, and retains ownership of all of the Customer data.
- 11.7 Assignment: Neither party may assign this Agreement or any right under this Agreement, without the consent of the other party, which consent shall not be unreasonably withheld or delayed; provided, however, that either party may assign this Agreement to an acquirer of all or substantially all of the business of such party to which this Agreement relates, whether by merger, asset sale or otherwise. This Agreement shall be binding upon and inure to the benefit of the party's successors and permitted assigns. Either party may employ subcontractors in performing its duties under this Agreement, provided, however, that such party shall not be relieved of any obligation under this Agreement.
- 11.8 Notices: Except as otherwise permitted in this Agreement, notices under this Agreement shall be in writing and shall be deemed to have been given (a) five (5) business days after mailing if sent by registered or certified mail, (b) when transmitted if sent by facsimile, provided that a copy of the notice is promptly sent by another means specified in this section, or (c) when delivered if delivered personally or sent by express courier service. All notices shall be sent to the other party at the address set forth on the cover page of this SaaS Agreement.
- 11.9 Force Majeure: Each party will be excused from performance for any period during which, and to the extent that, such party or any subcontractor is prevented from performing any obligation or Service, in whole or in part, as a result of causes beyond its reasonable control, and without its fault or negligence, including without limitation, acts of God, strikes, lockouts, riots, acts of terrorism or war, epidemics, communication line failures, and power failures.
- 11.10 Waiver: No waiver shall be effective unless it is in writing and signed by the waiving party. The waiver by either party of any breach of this Agreement shall not constitute a waiver of any other or subsequent breach.
- 11.11 Severability: If any term of this Agreement is held to be invalid or unenforceable, that term shall be reformed to achieve as nearly as possible the same effect as the original term, and the remainder of this SaaS Agreement shall remain in full force.
- 11.12 Entire Agreement: This Agreement (including all exhibits) contains the entire agreement of the parties and supersedes all previous oral and written communications by the parties, concerning the subject matter of this SaaS
-

Agreement. This SaaS Agreement may be amended solely in a writing and signed by both parties. Standard or printed terms contained in any purchase order or sales confirmation are deemed rejected and shall be void unless specifically accepted in writing by the party against whom their enforcement is sought; mere commencement of work or payment against such forms shall not be deemed acceptance of the terms.

- 11.13 **Publicity:** DigitalEdu may include Customer's name and logo in its customer lists and on its website. Upon signing, DigitalEdu may issue a high-level press release announcing the relationship and the manner in which the Customer will use the DigitalEdu solution. DigitalEdu shall coordinate its efforts with appropriate communications personnel in the Customer's organization to secure approval of the press release if necessary.
- 11.14 **No Third-Party Beneficiaries:** This Agreement is an agreement between the parties, and confers no rights upon either party's employees, agents, contractors, partners of Customers, or upon any other person or entity.
- 11.15 **Independent Contractor:** The parties have the status of independent contractors, and nothing in this Agreement nor the conduct of the parties will be deemed to place the parties in any other relationship. Except as provided in this Agreement, neither party shall be responsible for the acts or omissions of the other party or the other party's personnel.
- 11.16 **Statistical Information:** DigitalEdu may anonymously compile statistical information related to the performance of the Services for purposes of improving the SaaS service, provided that such information does not identify the Customer's data or include the Customer's name.
- 11.17 **Governing Law:** This Agreement shall be governed by the laws of India. All disputes to this agreement are subject to competent courts of Pune jurisdiction.
- 11.18 **Compliance with Laws:** DigitalEdu shall comply with all applicable local, state, national, and foreign laws in connection with its delivery of the Services, including those laws related to data privacy, international communications, and the transmission of technical or personal data
- 11.19 **Dispute Resolution:** Customer satisfaction is an important objective to DigitalEdu in performing its obligations under this Agreement. Except with respect to intellectual property rights, if a dispute arises between the parties relating to the interpretation or performance of this Agreement or the grounds for the termination hereof, the parties agree to hold a meeting within fifteen (15) days of a written request by either party, attended by individuals with decision-making authority, regarding the dispute, to attempt in good faith to negotiate a resolution of the dispute prior to pursuing other available remedies. If within 15 days after such a meeting, the parties have not succeeded in resolving the dispute, either party may protect its interests by any lawful means available to it.
- 11.20 **Signatures:** This Agreement may be executed in multiple counterparts, each of which when executed will be an original, and all of which, when taken together, will constitute one agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or another electronic transmission (including via pdf) will be effective as delivery of a manually executed counterpart.

- EXHIBIT A : Support and Maintenance Services
- EXHIBIT B : Service Level Agreement
- EXHIBIT C : Software Services & Payment Schedules

Pradip

EXHIBIT A: Support and Maintenance Services**1. Support and Maintenance Services**

Support and Maintenance Services are included in the SaaS Service subscription in Exhibit A and entitle the Customer to the following:

- (a) Telephone or electronic support in order to help the Customer locate and correct problems with the Software.
- (b) Representatives will attend to requests on-demand to resolve software issues, a max of 10 days per month. We kindly make a request, at least a day in advance for us to make logistic arrangements.
- (c) Bug fixes and code corrections to correct Software malfunctions in order to bring such Software into substantial conformity with the operating specifications.
- (d) All extensions, enhancements, and other changes that DigitalEdu, at its sole discretion, makes or adds to the Software and which DigitalEdu furnishes, without charge, to all other Subscribers of the SaaS Service.
- (e) Up to five (5) dedicated contacts designated by the Customer in writing will have access to support services.

2. Modus Operandi & Human-Connect

1. DigitalEdu will assign an Operations-Head, who will be the top-most authority for communication and escalation purposes.
2. DigitalEdu will assign a Business Analyst (BA) for handling all needs of the organization.
 - a. BA will have access to all internal resources and/or resources managers at DigitalEdu.
 - b. BA will be responsible for the smooth execution of all operations at the organization
 - c. BA will have all rights and permissions to escalate matters at the required level internally at DigitalEdu
3. The organization shall nominate an Organization-Leader with whom progress and/or concern handling shall be addressed as and when required.
 - a. Governance meeting every month shall be planned between DigitalEdu's Operations-Head & the Organization-Leader
 - b. This governance meeting can also be held online if necessary
4. The organization shall identify a System-Coordinator (SC), who will act as a communication bridge between DigitalEdu's Appointed Business Analyst (BA) and Champions.
 - a. BA will be responsible for communicating and coordinating all operations with the SC
 - b. BA will raise alarms and concerns, if any, with the SC first
 - c. BA will share all training material with SC, this can further be circulated ahead by SC as and when needed.
 - d. BA will be preparing and sharing all the Standard-Operational-Procedures (SOPs) and Implementation-Plans (IPs) with SC
5. Just a recommendation: Organization shall identify Champions at each institute level.
 - a. Champions will be coordinated within their local teams and ILC.
 - b. One of many Champions can be identified at each department/section/unit based on workflow, quantum, and availability
 - c. BA will be responsible for providing initial training to all champions.

** Suggest changes if any, your inputs will be valuable in ensuring the success of the project.

3. PG Integration & Operation Services

1. Bookkeeping of transactions
 2. Tracking of transaction status
 3. Bank reconciliation of the credited amount
 4. Seamless Integration with fees & payment systems
 5. PG-Error / Bank-Issues / Grievance Handling in Settlement or Refund
 6. Software Services
 - a. Integration with Fee Management Systems
-

- b. Means of automated communication with a Payment Gateway system
- c. Third-party hardware and data charges
- d. Maintenance & security of additional DATA apart from regular Accounts & Admission system
- 7. Human Resources to monitor these additional tasks
- 8. Possibility of Connecting Multiple Payment Gateways
- 9. ML-Guidance to students who after facing transaction-related issues

4. Response and Resolution Goals

“business hours” 9 am-6 pm Indian Standard Time, Monday to Saturday, except holidays & weekly offs.

“Problem” means a defect in Software as defined in DigitalEdu’s standard Software specification that significantly degrades such Software.

“Respond” means acknowledgment of the Problem received containing the assigned support engineer name, date and time, and severity assignment.

“Fix” means repairing or replacing a software component to remedy the problem.

“Workaround” means a change in the procedures followed or data supplied by the Customer to avoid a Problem without substantially impairing the Customer’s use of the Software.

<i>Problem Severity</i>	<i>Response Goals</i>	<i>Resolution Goals</i>
1. The production system is creating a significant impact to the Customer’s business function, preventing that function from being executed.	DigitalEdu will Respond within 2 business hours.	Upon confirmation of receipt, DigitalEdu support personnel begin continuous work on the Problem, and a Customer resource must be available at any time to assist with problem determination. DigitalEdu will provide reasonable effort for Workaround or Fix within 24 hours, once the Problem is reproducible or once we have identified the Software defect. DigitalEdu may incorporate Fix in future releases/upgrades of software.
2. The production system or application is moderately affected. There is no workaround currently available or the workaround is cumbersome to use.	DigitalEdu will Respond within 4 business hours.	Customer Support will provide reasonable effort for Workaround or Fix within 7 business days, once the problem is reproducible. DigitalEdu may incorporate a fix in future releases/upgrades of software.
3. The production system or application issue is not critical: no data has been lost, and the system has not failed completely. The issue has been identified and does not hinder normal operation, or the situation may be temporarily circumvented using an available workaround.	DigitalEdu will Respond within 8 business hours.	Customer Support will provide reasonable effort for Workaround or Fix within 10 business days, once the problem is reproducible. DigitalEdu may incorporate Fix in a future release of the software.
4. Non-critical issues, general questions, enhancement requests, or the functionality does not match documented specifications.	DigitalEdu will Respond within 24 business hours.	Resolution of the Problem may appear in a future release of the software.

5. Accessing Support

Customer Support offers several ways to resolve any technical difficulties. In addition to the online help in the Software, which can be accessed by clicking the “Help” tab when logged into the Software, function-specific help information can also be accessed throughout the Software using the ‘i-button’ option.

Details for Communication: BUSINESS ANALYST

Email: crm@digitaledu.net

Phone: 81495 32982 / 96730 50112

<p>Escalation Level 1</p>	<p>If you are not satisfied with the services or do not receive mutually agreed technical support, you can write to “ Manager Operations” - crm@digitaledu.net</p> <p>We will appreciate, if you share communication details with Business Analyst with reference to the service request, for availing speedy response and response to your concerns & support request.</p> <p>We will respond in 48 business hours for Level 1 escalation.</p>
<p>Escalation Level 2</p>	<p>If you are not satisfied with the response from Manager Operations or do not receive mutually agreed technical support, you can write to “Team Lead Quality” - quality@digitaledu.net</p> <p>Please note you will need to share communication details with Business Analyst & Manager Operations, for availing speedy response and response to your grievance.</p> <p>We will respond in 48 business hours for Level 1 escalation.</p>

EXHIBIT B: Service Level Agreement

The Services will achieve System Availability (as defined below) of at least 99% during each calendar year of the Subscription Term. All other Services will achieve System Availability (as defined below) of at least 99% during each calendar year of the Subscription Term. “System Availability” means the number of minutes in a year that the key components of the Services are operational as a percentage of the total number of minutes in such year, excluding downtime resulting from;

- (a) scheduled maintenance,
- (b) events of Force Majeure in the SaaS Agreement,
- (c) Malicious attacks on the system,
- (d) issues associated with the Customer’s computing devices, local area networks or internet DigitalEdu connections, or
- (e) inability to deliver services because of acts or omissions of Customer or any User.

DigitalEdu reserves the right to take the Service offline for scheduled maintenance for which the Customer has been provided reasonable notice and DigitalEdu reserves the right to change its maintenance window upon prior notice to the Customer.

If DigitalEdu fails to meet System Availability in the year, upon written request by the Customer within 30 days after the end of the year, DigitalEdu will issue a credit in the Customer’s next invoice in an amount equal to 1% of the yearly fee for the affected Services for each 5% loss of System Availability below stated SLA per SaaS Service, up to a maximum of the Customer’s fee for the affected Services. If the yearly fee has been paid in advance, then at the Customer’s election DigitalEdu shall provide a credit to the Customer to be used for term extension. The remedy stated in this paragraph is the Customer’s sole and exclusive remedy for the interruption of Services and DigitalEdu’s failure to meet System Availability.

Exhibit C: Software Services & Payment Schedules

This Exhibit is effective upon the start date of the Service Subscription Period. This document defines the Services (defined below) being purchased by the Customer under the terms and conditions of the SaaS Agreement between DigitalEdu IT Solutions Pvt. Ltd. ("DigitalEdu") and Thadomal Shahani Engineering College ("Customer").

1. **Services:** The SaaS Service includes the following modules/service offerings (activation will be linked with the subscribed package mentioned in article No. 05 below):

Services (Admission & Office Automation)	Admission Lead/Enquiry Management Online Registration & Online Form Filling Admission Processing (including Merit List Generation) Fees Management & Online Payment (Installments & Misc) Cancellation & Transfer (Reports & Receipt Printing) Communication (Mobile App for Students & Parents) Office Automation (Bonafide, LC, Centralised reports & Hold Management) MIS for NAAC
Teaching Learning Management System (TLMS)	Academic Planning, Subject Management & CBCS Student Attendance Management (Smart) Syllabus Planning & Tracking Home Work / Assignment & Projects Class Notes Sharing Learning Material Management (Digital Repository) Feedback & Student Satisfaction Surveys
OBE Attainment Evaluation (Direct & Indirect)	OBE Attainment Evaluation (based on Subject Wise Mark Entry) Exam Assessment creation, PO-CO define, POCO Mapping, Automated attainment calculations based on mark entry/import.
Services (HRMS)	Staff Leaves Management & Online Leave Application and Approval Staff Profile Achievement (Awards, Paper Presented, Certificate) Document Management System (Staff)

2. **Subscription term:**

Subscription for the availed services is mentioned on Page No 01.

3. **Schedule Value:** (all fees are in INR and exclude applicable taxes)

Subscription fees include access and usage of the Services during the Subscription Term. Upon executing this Schedule, DigitalEdu shall issue a proforma invoice per the conditions stated in the agreement. Suppose at any time during the Subscription Term or Renewal Term the Customer exceeds the number of students or user count. In that case, the Customer and DigitalEdu agree to execute a follow-on schedule for the purchase of additional services for the exceeded count. Additional access shall be purchased in blocks of students/users and in accordance with the agreed subscription fee. Any disputes related to this agreement shall be resolved within 60 days of signing this agreement.

4. **Support and Maintenance Services**

Standard Support & Maintenance is included in the Subscription Fee. Any additional services requested will be charged extra as the case may be

5. **Payment Terms & Conditions:**

The customer acknowledges that this Agreement is a services agreement and DigitalEdu will not be delivering copies of the Software to the Customer as part of the Services.

6. Customer Billing Information

Subject: Approval for the purchase of ERP System

Kind Attention: Principal Dinesh Panjwani, Secretary HSNC Board

Dear Sir,

We are attaching a proposal Received from two companies DigitalEdu and Mastersoft for implementing ERP. We also sending the details cost analysis of both proposals. Both ERP Software solutions provide all required software modules. We strongly recommend DigitalEdu ERP as it is cost-effective and includes an Admission module that can be used for next year's First-year engineering admission. ERP implementation is necessitated for compliance with NBA/NAAC requirements. The Table below shows the comparison. You are requested to the proposal on the urgent basis.

Sr. No	Vendor Name	Amount in Rs
1	DigitalEdu	5,92, 800 + GST
2	Master Soft	7,87,000 + GST per Year 2 nd Year 10,87,000 + GST For 1 st Year

Thanking You.

- Training & Onsite visit (if requested) 2,000 per visit
- Communication: DigitalEdu will send all important communication via email only to College registered email with DigitalEdu, Institute authorities & staff need to check the mail regularly & act upon the same.

Terms and Conditions: General

- After the issuance of PO /WO, the Institute and DigitalEdu will mutually sign a standard Data & IPR Protection Agreement (Service Level Agreement)
- Standard PG integration is complimentary; however, any Institute-specific payment gateway integration will incur additional charges based on complexity and work involved. The challenges of the new Payment Gateway must be sorted out by the Institute.
- Requirements for customization shall be shared in a documented form. Such requirements will be reviewed and delivery shall be agreed upon mutually, based on the techno-commercial feasibility & impact of changes.
- For the continuation of services, the service contract shall be renewed every year.
- Traveling, local conveyance, lodging, and boarding shall be arranged by Institute or will be charged extra at actual, during an onsite visit to the Educational institute.
- All standard functionalities & Reports of procured modules will be available to the Institute at this cost. Any new functionalities & Reports required to be developed will be charged extra depending on the Scope.
- Dot-matrix printers, Pre-printed stationery cannot be used in our software.
- Data Migration: Standard data set will be migrated via standard excel TEMPLATES for current sessions students & employees/staff data. Balance Fees of the students can be migrated strictly as per standard templates & functionalities or they shall be assigned by Institute staff manually to ensure proper reflection in the fee register.
- Old Software: Institute may be using some software(s) or Systems or Solutions. The design flow & facilities of DigitalEdu's Enterprise Solution might be different than your existing software.

- Institute staff may require some time to get accustomed/habitual to DigitalEdu's Enterprise Solution. Institute staff need to be trained to get accustomed to new software facilities & ease of convenience.
- Requirements for customization (if any) shall be shared in a documented form via email. Such requirements will be reviewed for feasibility by Team DigitalEdu. Customization shall be agreed upon mutually, based on the techno-commercial feasibility, risks involved, impact of changes & delivery timeline.
- Institute shall ensure the availability of responsible Staff members for training & training arrangements at the institute. We shall extend necessary service support.
- Institute's Top Management or Principal shall review the progress & effectiveness of implementation in a timely manner to ensure & monitor the proper use of Enterprise Solutions. DigitalEdu would like to take active involvement in implementing or suggesting corrective actions as necessary. Non-usage of any purchased module will not be the responsibility of DigitalEdu.
- For video storage on Cloud extra charges will be applicable depending upon storage requirement and access (date size & duration).
- Since this Enterprise Solution involves integrated multiple services such as a Payment gateway company, your Banks, Cloud Company, SMS Gateway, e-mail gateway... there can be some initial challenges to all the Users & Students. With DigitalEdu's experience, we will attend to the same & give appropriate solutions to each issue, based on the response for the stakeholders involved.
- For any other third-party integrations feasibility study will be done by the DigitalEdu Technical Team and effort timelines and charges as applicable will be quoted for the same.

Payment Gateway

- Based on ease of integration & to ensure prompt & reliable service, DigitalEdu will recommend a suitable Payment Gateway (PG). Necessary formalities/agreements need to be signed by Institute with the PG Company. DigitalEdu will assist the institute in completing the necessary formalities in a timely manner.
- The Online fees paid by the student will be directly CREDITED to Institute Bank accounts normally in 48 hours (RBI regulations - T+1 or T+2).
- DigitalEdu ensures that the Transaction Status is getting updated in the Admission system. IF PG is sending mail to the college, an immediate reply shall be sent regarding any decisions.
- Institute Accounts Department must regularly check various bank accounts to verify fees CREDITED online.
- College must Check (reconcile) that the correct amount is deposited in Institute's Bank account normally 2-3 working days from collection.

DigitalEdu ERP Proposal

Sr. No	Item Description	Module wise Rate	No of student	Discounted Rated	Discounted Amount
