Degree: Master's in Computer Engineering

Term: Fall 2024

Method: In Person

NYU ID Number: N18397789

Net ID: hj2735

2024-03-01

Dear Hrithik,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of $7,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2024 class before your deadline of Mar 1, 2024. To find instructions on how to accept your offer, visit **engineering.nyu.edu/grad/accept-offer**. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering and enrolling for any courses at NYU.

You also have access to your personalized dashboard at apply.engineering.nyu.edu/apply/status. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Hrithik, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Ensweiler

Elizabeth Fern Ensweiler M.Ed

Assistant Dean, Admissions

register at any time. I understand that this application and all materials received in support of it become the property of New York University and will not be duplicated or returned to me for any reason. Furthermore, I understand that New York University reserves the right to deny admission or permission to register or require the withdrawal of any student at any time for any reason it considers sufficient, including scholarship, character, and personal conduct. Tandon reserves the right to share your application materials with other departments and programs within Tandon. I understand that this application may be superseded and that the University reserves the right to alter requirements or change deadlines. This form becomes part of your permanent record with the University. Please be sure all information is complete and accurate.

Dear TUSHAR:

Re: University ID:2001458158

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Computer Science MS** program beginning in **Fall 2024** on the **Bloomington campus**. The faculty are very excited at the prospect of having you in our graduate program and hope that you will accept our offer.

We know an education is an investment in your future, and our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. The Luddy School in Bloomington offers a unique combination of disciplines, where Computer Science, Data Science, Information & Library Science, Intelligent Systems Engineering, and Informatics are led jointly as one school and offers collaboration within Luddy as well as with external departments in a large research-university setting. We also are among the top international-student populations in the US, which means you'll likely engage with students from your part of the world in a safe and welcoming community.

This offer is contingent upon final approval by the Office of International Services and the Dean of the University Graduate School.

You are being admitted on the basis of self-funding. Before accepting our offer, your next step should be to identify a plan to finance your degree outside of Indiana University. Financing your academic studies may include securing loans, family funds, or scholarships close to home.

Once you have made your decision, please let us know by completing the Luddy Fall 2024 Student Decision Form at https://go.iu.edu/4eXl . Our offer **expires on April 15, 2024**.

If you have any questions or need additional information, please contact GoLuddy@iu.edu

We congratulate you on your academic achievements. We are very pleased to extend this admission into our graduate program, and we look forward to learning of your decision.

Warm regards,

Apu Kapadia, PhD
Dean of Graduate Studies

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

Dear Tushar,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University at the West Lafayette campus. I am delighted to welcome you to a community of more than 12,000 graduate students on our four campuses who come to us from every state in the Union and from 119 countries.

The information contained within the **admission information sheet** of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the admission information sheet, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about programs and opportunities at our four campuses.

Thank you for choosing Purdue and joining us in the persistent pursuit of the next giant leap.

Click here for instructions for submitting your response to the offer of admission.

Please review the **admission information sheet** below.

With best wishes for success at Purdue,

Eric L. Barker, Ph.D.
Associate Provost for Graduate Programs (Acting)

FALL 2024

Gauravi Patankar

DS

EP

EXP 06/02/2029

March 25, 2024

Dear Ms. Gauravi S. Patankar:

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Data Science Master of Science program beginning Fall 2024. You have been admitted to the program as a full-time student, and will be expected to register in a minimum of 12-credits in the Fall 2024 semester. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at https://gradengineering.columbia.edu/welcome for essential information to assist you with your transition to the Columbia Engineering and Applied Science community.

You now have the opportunity to join a School with a rich history and an expanding future. As a School of Engineering and Applied Science, we are fortunate and proud to attract students and faculty from diverse backgrounds, from across the country, and from around the world. As a community, we have the privilege to learn from one another, and to study, work, and live together in the dynamic and vibrant place that defines Columbia. It is a great benefit to be able to gather engineers and scientists of so many different backgrounds and perspectives with a commitment to learning, a focus on pushing the frontiers of knowledge and discovery, and a shared passion for translating our work to impact humanity.

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Fall 2024 class, the Office of Graduate Student Affairs must receive your response and $4,000.00 non-refundable tuition deposit by 11:59 p.m. EST 2 weeks from the date of this letter. Click here to respond to the offer. This offer is applicable only to the Fall 2024 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: http://isso.columbia.edu/ and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post-secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: https://www.gradengineering.columbia.edu/student-life/new-students.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

Gabrielle Gannon, M.S.Ed.
Executive Director of Graduate Admissions
The Fu Foundation School of Engineering and Applied Science
Columbia University
Gabrielle.G@columbia.edu

Jenny Mak, Ed.D.
Senior Associate Dean of Undergraduate and Graduate Student Affairs
The Fu Foundation School of Engineering and Applied Science
Columbia University

Dear Vedant,

Congratulations! It is our pleasure to offer you admission to the Master of Professional Studies Analytics program in the College of Professional Studies. We are excited for you to begin your studies in the Fall 2024 term at the Boston campus.The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to this program. We have confidence in your future success and look forward to embarking on this journey with you.

To secure your place, please visit your applicant portal to complete your enrollment form and submit your tuition deposit as indicated by**August 5, 2024**.

ABOUT THE COLLEGE OF PROFESSIONAL STUDIES
The College of Professional Studies offers innovative, experience-driven programs designed to meet the needs of motivated learners like you. We offer more than 70 graduate programs for in-demand degrees, including certificates, professional master's, and doctoral programs. Our programs are focused on industry-aligned curriculums and career preparedness so you can achieve your professional and personal goals and thrive. If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your applicant portal.

We look forward to welcoming you to the Northeastern University community.

Sincerely,

Jared Auclair, Ph.D.

November 18, 2024	2180286

To whom it may concern,

The application from Kalyaan Rao (TU/e student number [2180286]) born January 18, 2002 in Coimbatore, Tamil Nadu, India, for the Master's program Data Science and Artificial Intelligence at Eindhoven University of Technology (TU/e) in the Netherlands for academic year 2025/2026 is Approved

The nominal duration for a Master's program at TU/e is two academic years and therefore Kalyaan Rao is expected to finish the program in August 2027. This Master's program is conducted entirely in the English language. Full information on the Master programs can be found here: TU/e Master programs.

Students with a non-EEA nationality
The tuition fee for a student with the nationality of a country outside the European Economic Area is € 21,000. The tuition fee for the next academic years has not been determined yet. The amounts may increase every year.

Students requiring a visa need to pay a guarantee fee of € 22,000 to secure a place at TU/e. The guarantee fee covers the first year tuition fee of € 21,000 and application costs for an entry visa (€ 240). Students are also required to pay € 18,000 to prove that they are able to cover annual living costs (proof of financial means) before an entry visa for the Netherlands can be granted by Dutch immigration services (IND). All amounts are subject to change, as they still need to be officially determined by the IND (expected in January 2025).

Students with an EEA-nationality
The tuition fee for academic year 2025/2026 for a student with a nationality of a country from the European Economic Area is € 2.601. The tuition fee for the next academic years has not been determined yet. The amounts may increase every year.

The tuition fee for academic year 2025/2026 for a student with a nationality of a country from the European Economic Area is € 2.314. The tuition fee for the next academic year has not been determined yet. The amount may increase next year.

Per year, we estimate that an international student needs a budget of approximately € 15,000 euro for housing costs, insurance, living expenses, books, and local transportation. This is a minimum budget and is in addition to the guarantee fee and any traveling expenses from the home country to Eindhoven.

Students are expected to take part in the mandatory Master Kick-off which takes place in the second half of August.

Should you require further information regarding the above, please do not hesitate to contact the international office on io@tue.nl.

Kind Regards,

TU/e

Dear Mr. Diyora,

I am pleased to notify you of your admission to the Graduate School at NC State. We look forward to having you join us and trust that you will find your experience here a rewarding one. Learn more about graduate education at NC State. Our records on your admission carry the following information:

Admission status:	Full Admission *
Degree Program:	Master of Computer Science (MR) - On-Campus
Intended enrollment term:	Fall 2024
Tuition Classification:	Out-of-state
Unity ID:	udiyora (Click here to learn more about your Unity ID.)

Once you have used your unity ID to login to an NC State system, you may need to sync your password, if you are not able to login to all NC State systems. Click here to learn how to sync your password.

Admission Information: Please review the new student checklist for important information to get you started in your graduate education at NC State!

Students are admitted to a specific semester or summer term.If you wish to request a deferral of your admission, you must notify the graduate program to which you applied. Your program must then send a written request to the Graduate School asking that your admission date be changed. If this request is approved, your online admission letter will be updated and you will be notified. Please note that admission may be deferred no more than one year beyond the original entry semester/year noted above. You have up to one year from original application submission date to request a deferral. Important information regarding registration is available at the following website: https://studentservices.ncsu.edu/your-classes/registration/.

Enrollment Information: Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a $500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term.** Note that some programs may require an earlier deadline for payment

Immunization Record and Report of Medical History: Submit your Report of Medical History to Student Health Services immediately upon acceptance to ensure you are in compliance with North Carolina Immunization law. We strongly encourage new students to submit records of required immunizations online at https://sso.medicatconnect.com. Check your NCSU e-mail for updates.

Transcripts: Please make sure that you have sent the Graduate School official transcripts of all coursework taken and all degrees awarded at any institution of higher learning that you have attended. If you are currently enrolled at such an institution, upon completion of your program there, you should ask the registrar to send the Graduate School an updated official transcript covering all work completed and a statement of any degree awarded, including the date awarded. All transcripts should be submitted prior to your enrollment at NC State.

Questions: For information about University Housing, visit https://housing.dasa.ncsu.edu/. For important information regarding international student orientation, and answers to questions about your visa status, please contact the Office of International Services at 919 515 2961 or email ois@ncsu.edu. If you need information

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.
I look forward to your joining the graduate community here at NC State.

Sincerely,

Peter Harries, Dean

REMARKS

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement. 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

No. : IIT/Acad (PGS&R)/JMP/Offer/2024-2025/2024114015467

Dated : 28-06-2024

To
Mr./Ms.SUBODH LALIT SINHA

B/17 SHAKTI CHAWL NEHRU NAGAR,
V.M ROAD VILE PARLE(WEST) Vill/City
: MUMBAI P.S. : Dist. : State :
MAHARASHTRA Pin : 400056

SUBJECT: Provisional Offer of Admission to the Joint M.Tech/MCP-PhD Programme 2024

Course Offered :   Chemical Engineering (CH)

Dear Mr./Ms. SUBODH LALIT SINHA

In continuation to our earlier communication to you on the above-mentioned subject, please note that the Registration for the above programme is scheduled to be held on July 18, 2024. You are required to report at 9.00 a.m. on July 18, 2024 at the Kalidas Auditorium located in the Vikramshila Complex of the Institute for welcome address and registration. This offer is purely provisional subject to fulfillment of all eligibility criteria both Academic Qualifications and category certificate (if any).

At the time of physical reporting at IIT Kharagpur , you will be required to produce (a) valid GATE Score card (b) original certificates and mark-sheets of your educational qualifications, (c) evidence of the work experience, if any (d) category certificate (EWS/OBC-NCL/SC/ST/PwD), if applicable, issued by the competent authority (e) A person who is in employment and selected for admission, he/she must resign and produce the acceptance of resignation by the employer at the time of joining or produce a document that he/she is not receiving any salary from his/her employer along with proper document of sanctioned leave including 'No Objection Certificate'. Please note that a set of self-attested copies of each of these documents is necessary for our record. The originals will be returned to you after verification.

Candidates must have a minimum of 60% marks (or a CGPA of 6.5 in 10 point scale) in the final qualifying examination for GE/EWS/OBC-NCL categories and 55% marks (or a CGPA of 6.0 in 10 point scale) for SC/ST/PwD categories. The CGPA will not be converted into percentage marks if the degree awarding Institute provides marks in CGPA system. Their admission will be based on the CGPA awarded in the transcript. No conversion of marks into CGPA will be accepted. In case you are not in a position to produce the original degree certificate/mark-sheet on the registration date, you must provide course completion certificate from the Principal of your college (Annexure-1). Your registration is liable to be cancelled if you fail to produce your degree certificate and/or marksheet, with minimum marks as mentioned above, by October 31, 2024.

You are required to download other forms from link: https://erp.iitkgp.ac.in/IITKGPApplications/offerLinks that you have to hand over duly filled in at the time of physical reporting at IIT Kharagpur.
Failing to comply with any of the above requirements will automatically lead to the cancellation of admission to the Joint M.Tech/MCP-PhD Programme in Chemical Engineering at IIT Kharagpur and the student will have to leave the programme.

The fees as given below to be paid on or before July 18, 2024. The fee structure and the amount are subject to change from time to time. The mode of payment of fees is available on ERP home page (https://erp.iitkgp.ac.in)

Sl.No.	Particulars	Amount (Rs.) (For GE/EWS/OBC category)	Amount (Rs.) (For SC/ST/PwD category)
1.	Institute Fees	16,850.00	11,850.00
2.	Institute Fees (Electricity & Water charges and Technology Film Society)	1100.00	1100.00
3.	Caution Money Deposits (Refundable)	6,000.00	6,000.00
4.	Hall Establishment Charges	20130.00	20130.00
5.	Hostel Overhead Charges	970.00	970.00
6.	Mess Charge/Advance	14500.00	14500.00
7.	Insurance premium*	2,500.00	2,500.00
8.	Student Brotherhood Fund*	200.00	200.00
9.	Hall Budget**	1000.00	1000.00
	TOTAL	63,250.00	58,250.00
	Already paid	30,000.00	30,000.00

 * To be paid yearly(during Autumn Semester only)
 ** Payment of subsequent hall budget will have to made by the student to HMC on demand.
Kindly note that your offer of admission will stand automatically cancelled in case you fail to join the programme on the above mentioned date. As IIT Kharagpur issues identification through a smart card, it is obligatory on your part to enter your relevant personal details in the Institute ERP System before you report for joining. The instructions to get into the system to update your data will be sent to you through e-mail shortly. Each registered M.Tech. student who got admission to the Institute through GATE score will receive stipend as approved by the Ministry of Education, Government of India. You are also required to creat an Academic Bank of Credits (ABC) ID (Ref. http://www.abc.gov.in) and to update in the Institue ERP system before joining the Institute.

A seperate email will be sent to you regarding your accommodation in hostel in due course of time. Please try to reach the Hall of Residence by July 17, 2024, preferably between 9.00 a.m. and 9.00 p.m. On arrival you may contact the Manager/Caretaker of the Hall for doing the needful. The communication Directory of the Institute is available at https://www.iitkgp.ac.in/assets/pdf/comdir1.pdf.

Look forward to meet you at IIT Kharagpur.

DEPARTMENT OF CHEMICAL ENGINEERING

No. IITD/Admission/MTech./2024-2025/   Date: 27-May-2024 05:05:37 AM

Subject: Offer of Admission to MASTER OF TECHNOLOGY (MTECH) Programme as Full-Time Student with Teaching
            A/ship for 1st Semester 2024-2025

Mr./Ms. SWAMI RAJESH PATIL

(Application No PG-242501-27221)

Dear Candidate,
It gives me pleasure to inform you that you have been selected for admission to the MASTER OF TECHNOLOGY
(MTECH) in CHEMICAL ENGINEERING of
DEPARTMENT OF CHEMICAL ENGINEERING on Full-Time (Teaching Assistantship) basis subject to the following
terms and conditions:

1. [IMPORTANT] [FOR GATE QUALIFIED CANDIDATES THROUGH COAP]

    If you wish to accept this offer, you will need to do so by registering at Common Offer Acceptance Portal (COAP) and
    choosing "Accept and Freeze". If you wish to decline or wait for a while to accept the offer, even then you will need to
    register on this portal and choose 'Reject and Wait' or "Retain and Wait". COAP is a common portal for viewing and
    accepting offers from participating IITs for GATE QUALIFIED CANDIDATES. The registration portal is available at
    https://coap.iitkgp.ac.in Detailed procedure for Registration and Acceptance of Offers is also given on the portal.

    Once you have accepted this offer on the COAP by selecting "Accept and Freeze", you will have to deposit the first
    installment of Institute dues as mentioned in Point 2 below.

2. You need to deposit the first installment of Institute dues amounting to Rs. 39900.0/- (For OBC-NCL) through the payment
    link provided on the application portal, latest by 11-Jun-2024, failing which the offer of admission will automatically stand
    cancelled and the seat will be offered to the next candidate on the panel.

3. Your Admission is provisional subject to :-
    a. Production of the qualifying Degree Certificate and Mark Sheets showing the required percentage of marks /CGPA by
    18.07.2024/31.10.2024*
    b. Production of proof of having appeared/passed in the qualifying degree examination
    c. Production of GATE/National Exam Certificate
    d. Production of OBC/EWS/SC/ST/PwD Certificate (for respective category candidates)
    e. Production of Relieving Certificate from Employer (for working professionals)

    *Only in case of students who are in final year of qualifying examination

    *Only in case of students who are in final year of qualifying examination
    If you are in the final year of your qualifying examination, you must inform Academic (P.G.) Section, IIT Delhi in writing
    about the requirements of your qualifying degree including Viva-Voce are not met on the date of registration. Failure to
    inform the Academic (P.G.) Section about non-completion shall result in the forfeiture of the entire fees deposited by you,
    in addition to cancellation of admission.

4. You will have to produce a Medical Fitness Certificate in the prescribed format (available on application portal). The
    admission is subject to your being found medically fit.

5. You will be required to give an undertaking to the effect, inter alia, that you would not leave the programme midway or
    appear in any competitive examination etc., without the prior permission of the Institute.

6. You will be governed by the Rules and Regulation of the Institute in force from time to time.

7. Note: This offer of admission does not guarantee on-campus accommodation.

   The Institute will strive to provide a hostel seat (on sharing basis only) to selected female candidates, candidates with special needs (SwD - Students with Disabilities, formally admitted as PwD) and foreign nationals, to the extent possible, only on application and subject to availability. Male students are not eligible for hostel accommodation generally before completion of 1 full academic year. Later they may be considered for offering of seat (on sharing basis only) subject to availability.

   For any query in this regard, contact adhm@admin.iitd.ac.in, Tel. 011-26591784

8. You must submit your documents and attend Orientation on a dates as per Schedule to be notified through the Institute Webpage (https://home.iitd.ac.in/pg-admissions.php). If for unavoidable circumstances, you cannot do so by the given dates, you may, with the prior permission of Dean Academics, approved in writing, register until the last date of Late Registration for Semester 1, 2024-2025, given on the Institute calendar (https://home.iitd.ac.in/academic- calendar.php). Failing this permitted "late registration", the offer of admission would automatically stand cancelled, even if you have already paid the Institute and/or Hostel dues.

9. You will be required to renew your registration every semester which is done centrally, normally in July and December every year. On your failure to do so, your registration as Institute Student will stand terminated.

10. You are required to open an Account with the State Bank of India/Canara Bank and intimate your Account number to the J.R. (Accounts).

11. In case, you have already been selected for admission in any other Deptt./ Centre / School/ Programme of this Institute, you will have to resign from the Deptt./ Centre/ School/ Programme before joining this Deptt./ Centre/ School/Progamme.

12. The candidate admitted with Assistantship/Scholarship will be required to render 8 hours of work per week outside the normal academic work as per advice of the respective Deptt./ Centre / School/ Programme. With the Continuation of Assitantship in subsequent semesters is contingent to their performing satisfactorily in the earlier semster(s). The Assistantship/Scholarship will be notified by the Academic (P.G.) Section on submission and verification of the documents mentioned in the para 3 above.

Dear Tejas,

Congratulations! It is our pleasure to offer you admission to the Master of Science Industrial Engineering program in the College of Engineering. We are excited for you to begin your studies in the Fall 2024 term at the Boston campus.

The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to the program. We have confidence in your future success and look forward to embarking on this journey with you.

To secure your place, please visit your applicant portal to complete your enrollment form and submit your tuition deposit as indicated by **May 1, 2024**.

ABOUT THE COLLEGE OF ENGINEERING
The College of Engineering is a top-ranked, highly selective R1 research university, and we are thrilled to have you as part of our growing community. We are dedicated to studying and researching materials, processes, hardware, and software at every scale. Our wide range of disciplines integrate the values of fundamental and applied research to meet societal needs. Our multidisciplinary and experiential learning options expand your knowledge, fuel innovation, and enable you to reach your goals. If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your applicant portal.

We look forward to welcoming you to the Northeastern University community.

Sincerely,

Dr. Sagar Kamarthi
Associate Dean for Graduate Education

Indore MP 452018
India

Dear Mahima Jain,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Business Analytics (MS) program in the W. P. Carey School of Business, offered at the ASU Tempe campus for the 2024 fall semester.

Important: Continued registration beyond your first semester is contingent on the receipt of the official transcript and (in most cases) a degree certificate from the institution(s) listed below. **Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official**.

      University of Mumbai

Documents must be submitted in the original language with an official, literal English translation and must show your final grades, the degree received and the date the degree was granted. Learn more about official transcript translation requirements at **admission.asu.edu/international/graduate-apply**.

For more information on required documentation, please view your Priority Tasks in My ASU at **my.asu.edu**.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at **admission.asu.edu/international/student-visa**. To monitor the progress of your I-20, view the I-20 Tracker in My ASU at **my.asu.edu**.

Proof of MMR immunization is required. For MMR immunization requirements, please refer to your **Priority Tasks** on My ASU.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource. You can access this page at **my.asu.edu** by logging in with your new ASURITE User ID and password.

ASU and the Business Analytics (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at wpcareymasters@asu.edu or at 480-965-3332.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at **provost.asu.edu/academicintegrity** and **researchintegrity.asu.edu**.

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting **newamericanuniversity.asu.edu**. I also recommend you visit **yourfuture.asu.edu/golden-conversations** to learn how current students describe being part of the ASU community.
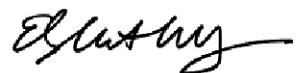

We look forward to you joining the ASU community, and I wish you success in your graduate studies here.
Sincerely,

Elizabeth A. Wentz
Vice Provost and Dean, Graduate College

ANANJAI NITIN TAMBOLI

Dear ANANJAI NITIN,

Congratulations! I am delighted to inform you that you have been admitted to the Chemical and Biomolecular Engineering, MSE Program at the University of Pennsylvania for the Fall 2024 term. As you know, this program is very competitive, and I congratulate you on your academic accomplishments.

In order to reserve your place, we ask that you complete the Admission Decision Form online and submit the non-refundable $300 acceptance deposit by April 15; we will continue to accept decisions through June 1. The acceptance fee will be credited to your student account when you matriculate. The Admission Decision form must be received no later than the end of the day on June 1.

Please note that we have not received some of your official application documents. After receipt of the Decision Form we will provide a list of these documents. Your offer of admission is contingent on our receipt and verification of these documents.

To prepare for your first semester, review this helpful checklist from our Graduate Student Center - https://gsc.upenn.edu/resources/new-students/new-student-checklist-faq. If you have questions about your program's requirements or opportunities, please see the contact information below for the Graduate Program Coordinators:

- Bioengineering - ereavy@seas.upenn.edu
- Biotechnology - eshani@seas.upenn.edu
- Chemical and Biomolecular Engineering - cbemail@seas.upenn.edu
- Computer and Information Science - redian@seas.upenn.edu
- Computer and Information Technology, on campus - redian@seas.upenn.edu
- Computer Graphics and Game Technology - redian@seas.upenn.edu
- Data Science - datsmast@seas.upenn.edu
- Electrical and Systems Engineering - esemast@seas.upenn.edu
- Integrated Product Design - meam-ipd@seas.upenn.edu
- Materials Science and Engineering - ipc@seas.upenn.edu
- Mechanical Engineering and Applied Mechanics - byronlee@seas.upenn.edu

- Nanotechnology - nanomast@seas.upenn.edu
- Robotics - robo-coord@seas.upenn.edu
- Scientific Computing - kathom@seas.upenn.edu

Penn Engineering has a long-standing tradition of innovative research and excellence in its graduate programs. We look forward to your future contribution to our academic community.

Sincerely,

Dear Soham,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Chemical Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of $8,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2024 class before your deadline of May 1, 2024. To find instructions on how to accept your offer, visit **engineering.nyu.edu/grad/accept-offer**. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering and enrolling for any courses at NYU.

You also have access to your personalized dashboard at apply.engineering.nyu.edu/apply/status. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Soham Ashish, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Ensweiler

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested.The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement. 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Mumbai, In-Mh, 401101,
India

Dear Aayush Bothra,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Fall 2024. Your degree objective is the Master of Science. Please include your USC ID (5455-5983-83) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy L. Brunold
Dean of Admission

University of Southern California
March 6, 2024

Aayush Bothra
USC ID: 5455-5983-83

TERM: Fall 2024
MAJOR: Computer Science
DEGREE: Master of Science
SCHOOL: Andrew and Erna Viterbi School of Engineering

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.ierf.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

Degree: Master's in Computer Engi
Term: Fall 2024
Method: In Person
NYU ID Number: N12017478
Net ID: ama10595

2024-05-29

Dear Amaan,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of $6,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2024 class before your deadline of June 1, 2024. To find instructions on how to accept your offer, visit **engineering.nyu.edu/grad/accept-offer**. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering and enrolling for any courses at NYU.

You also have access to your personalized dashboard at apply.engineering.nyu.edu/apply/status. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Amaan, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Ensweiler

Elizabeth Fern Ensweiler M.Ed
Associate Dean, Admissions

register at any time. Dear Aneesh:

Re: University ID: 2001381776

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Computer Science MS** program beginning in **Fall 2024** on the **Bloomington campus**. The faculty are very excited at the prospect of having you in our graduate program and hope that you will accept our offer.

We know an education is an investment in your future, and our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. The Luddy School in Bloomington offers a unique combination of disciplines, where Computer Science, Data Science, Information & Library Science, Intelligent Systems Engineering, and Informatics are led jointly as one school and offers collaboration within Luddy as well as with external departments in a large research-university setting. We also are among the top international-student populations in the US, which means you'll likely engage with students from your part of the world in a safe and welcoming community.

This offer is contingent upon final approval by the Office of International Services and the Dean of the University Graduate School.

You are being admitted on the basis of self-funding. Before accepting our offer, your next step should be to identify a plan to finance your degree outside of Indiana University. Financing your academic studies may include securing loans, family funds, or scholarships close to home.

Once you have made your decision, please let us know by completing the Luddy Fall 2024 Student Decision Form at https://go.iu.edu/4eXl . Our offer **expires on April 15, 2024**.

If you have any questions or need additional information, please contact GoLuddy@iu.edu

We congratulate you on your academic achievements. We are very pleased to extend this admission

into our graduate program, and we look forward to learning of your decision.

Warm regards,

Apu Kapadia, PhD
Dean of Graduate Studies

Student Name: ANIKET GIRISH LILWANI
DCU Student Number: A00012413

Date: 30/01/2024

Dear ANIKET GIRISH LILWANI,

Congratulations. Following an assessment of your DCU Postgraduate Taught (PGT) application, you have been offered a conditional place on our **DC836 - MSc Computing (Artificial Intelligence)** programme for the academic term **Autumn 2024**.

Dublin City University (DCU) is a young, ambitious and vibrant university, with a mission 'to transform lives and societies through education, research, innovation and engagement'. DCU is focused on delivering real impact and addressing global challenges in collaboration with our partners and stakeholders. DCU is Ireland's fastest growing university and today hosts more than 19,500 students across its three academic campuses.

To confirm your acceptance of this conditional offer, visit your DCU Student Application Portal Account, click accept offer and pay the required €500 deposit by 13/02/2024.

Relevant information is outlined on the following page and a summary of your offer is as follows:

Course name:	DC836 - MSc Computing (Artificial Intelligence)
Mode of Delivery:	Full-time
Course Commencement date:	September 2024
Offer Status:	**Conditional**
Response deadline:	13/02/2024
Course duration:	12 Months
Tuition Fee (€):	€25,000

Conditions:
Submission of Certified Copy Parchment or Degree Certificate from the awarding university
- Status: Not Received

Submission of Evidence of Bachelor Degree with overall overall GPA 7.0
- Status: Not Received

All offers are subject to the verification of the qualifications and/or work experience, which you have specified in your application, or which you have indicated will be obtained prior to registration. In addition, this offer is subject to sufficient intake onto the programme to make it viable to deliver in 2024/2025.

Acceptance of Offer

Applicants must accept their offer by following the instructions on the student application portal and pay the required acceptance deposit in order to secure their place. The deposit is deducted from total tuition fees due and refundable should you not meet the conditions of this offer. If you have any queries relating to this offer, please email internationaladmissions@dcu.ie

Please be advised that any outstanding condition must be met, and relevant documentation uploaded to the application portal, no later than two weeks in advance of the start of programme, unless otherwise advised by DCU. If the outstanding conditions are not met in line with this timeline, your application will not be progressed for the coming academic year. You would be welcome to reapply next year.

We would like to take this opportunity to congratulate you and we look forward to welcoming you to DCU.

Yours Sincerely,

DCU Admissions
Dublin City University

Prepare for Arrival at DCU

Acceptance of Offer
Postgraduate applicants **must** accept their postgraduate offer on the DCU Application Portal and pay the required €500 acceptance deposit in order to secure their place. Failure to do so will result in difficulties when registering. The deposit is deducted from total tuition fees due. This offer is subject to sufficient intake onto the programme to make it viable to deliver in **Autumn 2024**.

Conditional Offer
Conditional Offers are subject to applicants fulfilling any condition(s) indicated in the offer letter. An applicant in receipt of a Conditional Offer is required to provide the requested documentary evidence by August 2024. Applicants who do not meet the required academic or English language entry requirements will not be allowed to register. This offer is subject to sufficient intake onto the programme to make it viable to deliver in **Autumn 2024**.

Payment of Tuition Fees
All international applicants must pay 60% of the full tuition fee before registration and applicants applying for a visa should consult the local Visa Office to check the minimum amount due on visa application. The easiest way to pay tuition fees is through Transfermate. Please consult our Fee Payment page for more information on payment methods available.

DCU Merit Scholarship
All International Postgraduate Master's degree applicants are considered for this scholarship, based on academic merit, which entitles them to a €2,000 reduction in fees. Successful recipients are notified by email once their offer has been made.

Visa Application
Applicants applying for a visa to enter Ireland should make sure the visa application is made within the appropriate timeframe, keeping in mind that visas can take 6-8 weeks to process. Please consult the Irish Immigration Service webpage for guidance on making a Study Visa application and the necessary supporting documentation.

Part Time Study
If your offer of study is for a part-time programme, then it is your responsibility to ensure that you satisfy the necessary visa requirements to study this programme and understand your own visa status.

Accommodation in Dublin
When looking for affordable accommodation in Dublin, applicants should prepare well in advance. DCU Campus Accommodation is managed by DCU Campus Residences Ltd and applications for rooms must be made online at https://www.dcuaccommodation.ie/. This website also has suggestions for off-campus accommodation

Academic Calendar:
Please keep an eye on the DCU Academic Calendar page for updates on key dates, including dates for online registration. Please do not register online until you have secured your visa.

DCU Admissions Team can be contacted by email at internationaladmissions@dcu.ie

The team would like to wish you the best of luck with all your preparations to study and safe travelling!

March 11, 2024

Aradhya Talan
D-602, Whispering Palms Xxclusives
Lokhandwala Township, Kandivali East
Mumbai, Maharashtra 400101
India

Dear Aradhya,

On behalf of Carnegie Mellon University and our Admission Selection Committee, it is my great pleasure to offer you admission to the Master of Information Systems Management program. You have been selected to enroll in the MISM 16-month track beginning in August 2024. Your notable accomplishments, both academic and non-academic, have set you apart and established your potential as a leader and an agent of positive change.

Please respond to our offer of admission by completing the online **Admission Response Form** by **April 15, 2024**. Your Admission Response Form will be available near the bottom of your application status page after you review this letter. Heinz College reserves the right to require all admitted students to successfully complete the Credentials Verification Process to be eligible to enroll. Additional information regarding this step of the enrollment process is posted on the website for admitted students mentioned below.

Final Official Undergraduate Transcript Requirement: You must have your undergraduate institution submit an official transcript directly to Heinz College, confirming the completion of your Bachelor's degree with your date of graduation before starting classes. Carnegie Mellon cannot confer graduate degrees to students who have not submitted proof of completing an undergraduate degree.

Unfortunately, we are unable to offer you any financial assistance at this time. If you have not made arrangements for financing your education, I encourage you to visit the financial aid section of our website for more information.

Admitted Student Portal: We have created a website for all of our admitted students (https://www.heinz.cmu.edu/admitted-students/full-time/). Visit the site to learn more about your offer of admission, the Credential Verification Process, the student visa application process for international students, and preparing for your first semester of study. You are responsible for completing the Credential Verification Process and returning all applicable forms in a timely manner.
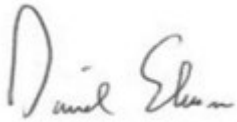

Enrollment Deposit: After submitting your response form to accept your offer of admission, a nonrefundable, nontransferable deposit of $1500 must be paid either online (via credit card) or by mail (via check or money order) in order to secure your position in the program. Please make your check or money order payable to "Carnegie Mellon University" (please mail to the Office of Admissions). The credit card payment method may be completed via a secure website (https://commerce.cashnet.com/CMU151?itemcode=151-HNZ-1500). The admission deposit payment is required in addition to completing the Response Form. After you have paid this

Carnegie Mellon University

HeinzCollege

INFORMATION SYSTEMS • PUBLIC POLICY • MANAGEMENT

Heinz College of
Information Systems and Public Policy
Carnegie Mellon University
5000 Forbes Avenue
Pittsburgh. Pennsylvania 15213-3890

fee, you will see the payment reflected on your application status page. Once you have enrolled in your first semester of classes, the admission deposit will be credited to your student account.

Admitted Student Open House: You will receive an email invitation to attend our Admitted Student Open House events soon! Mark your calendar for virtual events April 1-4, 2024 and in-person events at our campus in Pittsburgh on April 5-6, 2024 ([more information online](#)). We encourage you to attend this event to learn about the Carnegie Mellon campus, our location in Pittsburgh, and to meet current students, faculty, staff and administrators.

Carnegie Mellon's faculty, staff and students join me in congratulating you! If you have any questions or concerns, please don't hesitate to contact us at hnzadmit@andrew.cmu.edu or +1-412-268-2164. In addition, if you would like to speak with a member of our community, we are happy to arrange that for you.

Sincerely,

David Eber
Executive Director of Admissions and Financial Aid

About Your *GRE*® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE*® *Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

ETS GRE

Aradhya Talan

Most Recent Test Date: January 25, 2023

Date of Birth: November 3, 2002

Registration Number: 1761303
Print Date: February 4, 2023

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/test-takers/general-test/scores/understand-scores** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

India

Dear Mr. Dodia,

The Computer Science program has recommended that you be admitted to graduate school at North Carolina State University! Our university prides itself on the excellence of its graduate programs and the diversity of its student population. NC State is ranked among the top universities in the U.S. Learn more about graduate education at NC State.

Please return to your applicant portal to view all required checklist items. The decision is not final until the Graduate School performs a review of your application materials. We must receive and approve all checklist requirements in order to continue our review of your academic record. Once approved, you will receive notification. The Graduate School will then update its records to reflect your new admissions standing:

Recommended Admission status:	Full Admission
Degree Program:	Master of Computer Science (MR) - On-Campus
Intended enrollment term:	Fall 2024

 Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a $500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term.** Note that some programs may require an earlier deadline.

If you have any questions about your program's curriculum or financial awards (including assistantships), please contact the graduate program to which you applied.

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.

Sincerely,

Peter Harries, Dean

Dear Daksha Aeer,

Congratulations on your admission to graduate study at the University of Southern
California. Your academic records indicate that you will make a significant contribution
to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and
Erna Viterbi School of Engineering for Fall 2024. Your degree objective is the Master of
Science. Please include your USC ID (5056-3402-17) whenever you correspond with the
university. This admission is offered subject to your maintaining your present level of
academic achievement. If you have not already done so, you must provide proof of
satisfactory completion of any studies in progress, and submit final academic records
from each institution you have attended. Important information about placement exams and
orientation will be sent to you by e-mail. While enrolled at USC, you are expected to
maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that
any courses taken outside of those specified for your degree program in the USC Catalogue
require advance approval from your department. Change of major requests may be submitted
only after completion of your first semester. Please carefully review the Continuing
Registration Requirement information which lists all the requirements you must meet
within your first term(s) of USC enrollment to continue in your degree program. You must
meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which
includes specific information about registration and enrollment. You will also find a
link to the portal at you.usc.edu when you click on the Statement of Intent button.
Please submit the Statement of Intent: Graduate Studies form whether or not you decide to
enroll at USC. Certifying your USC enrollment will allow you to create your university e-
mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look
forward to seeing you on campus!

Sincerely,

Timothy L. Brunold
Dean of Admission

Ulhasnagar,Mumbai, Maharashtra 421005

India

Degree: Master's in Computer Engi

Term: Fall 2024

Method: In Person

NYU ID Number: N19547100

Net ID: hg2948

2024-04-03

Dear Harsh Suresh,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of $7,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2024 class before your deadline of Apr 1, 2024. To find instructions on how to accept your offer, visit **engineering.nyu.edu/grad/accept-offer**. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering and enrolling for any courses at NYU.

You also have access to your personalized dashboard at apply.engineering.nyu.edu/apply/status. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Harsh Suresh, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Ensweiler

Elizabeth Fern Ensweiler M.Ed

Assistant Dean, Admissions

register at any time. I understand that this application and all materials received in support of it become the property of New York University and will not be duplicated or returned to me for any reason. Furthermore, I understand that New York University reserves the right to deny admission or permission to register or require the withdrawal of any student at any time for any reason it considers sufficient, including scholarship, character, and personal conduct. Tandon reserves the right to share your application materials with other departments and programs within Tandon. I understand that this application may be superseded and that the University reserves the right to alter requirements or change deadlines. This form becomes part of your permanent record with the University. Please be sure all information is complete and accurate.

Dear Harsh Shah,

Congratulations! Stony Brook University is pleased to extend an offer of Full Time admission to the Computer Science MS for Fall 2024. As a community of scholars, we want to make sure that you are supported throughout your education. This letter contains information about the enrollment process and systems you will need going forward.

The admission comes without program financial support, however we encourage you to file the Free Application for Federal Student Aid (FAFSA).

Please accept or decline your admission offer via the decision reply form. Please do this as soon as possible as failure to respond promptly may result in forfeiture of the offer of admission.

Your deadline to accept your offer is: April 15, 2024

Please note that you will need your Stony Brook ID 116726009 for all inquiries, including email correspondence. You will need this ID to access SOLAR, Stony Brook University's enterprise-wide, self-service system which provides students with online access to manage personal information. Students use SOLAR to register for classes, print schedules, view and pay bills, update personal contact information, view transcripts, and submit student employment timesheets. Your initial password is your six-digit birth date (e.g., 080284 for August 2, 1984). You need to change this password the first time you log in (you will receive a message stating your password has expired). Click the link to change your password. If you are a current Stony Brook student or employee, your ID and password remain the same.

Your admission is contingent upon your successful completion of any current academic coursework and receipt of all final official transcripts. Please be sure to arrange for your final transcripts to be sent to the Graduate School Office of Admissions and Student Services.

An "Admissions Enrollment Checklist" is included with this letter to assist you with your next steps. Your individual program may also contact you separately with additional information. Please be sure to review and carefully consider all the information you receive when deciding to accept your offer. If you have any questions, please contact the Graduate School Office of Admissions and Student Services at (631) 444-2111 or gradadmissions@stonybrook.edu

Again, congratulations on your acceptance to Stony Brook University. I look forward to welcoming you to our campus community.

Sincerely,
Computer Science MS

Celia Marshik, Ph.D.
Dean of the Graduate School
Professor of English

Admissions Enrollment Checklist

Follow the checklist below to secure your enrollment:

- Additional information regarding enrollment may be sent by your academic department.
- Confirm your enrollment in the Stony Brook Applicant Portal.
- Confirm your acceptance into your SBU program in SOLAR.
- If you are a US citizen or permanent resident, be sure to file the Free Application for Federal Student Aid (FAFSA) as soon as possible. You can complete this form on-line at www.fafsa.ed.gov. Stony Brook University's federal school code is 002838.
- For information regarding tuition and fees, please visit Student Financial Services at https://www.stonybrook.edu/commcms/bursar/index.php.
- If you are seeking on-campus housing, you may pay your housing deposit through SOLAR. Paying the housing deposit in SOLAR does not require matriculation nor NetID. Additional information regarding deadlines and on-campus housing can be found at https://www.stonybrook.edu/commcms/studentaffairs/res/housing/new_student_housing

- For assistance with off-campus housing, please contact the Office of Commuter Student Services and Off-Campus Living at commuterservices@stonybrook.edu or visit https://www.stonybrook.edu/commcms/studentaffairs/css/Renting-Off-Campus/.

- If you are an international student, you will soon receive your I-20 information and DS-2019 with specific details about your immigration documents from Visa and Immigration Services https://www.stonybrook.edu/commcms/visa/).
- For information regarding immunization and health records, visit Immunization Requirements | Student Health Services (stonybrook.edu) Failure to adhere to or complete either of these requirements will lead to registration implications.
- Arrange for final official transcripts, including current semester grades and degree earned (if applicable), to be sent to the Graduate School Office of Admissions and Student Services to the address below. E-transcripts may be sent to gradadmissions@stonybrook.edu

       Stony Brook University
       Graduate School Office of Admissions and Student Services
       Old Computer Science, Suite 2401
       Stony Brook, NY 11794-4433

Ms. Heer Kapadia
2/B/302, Paras Nagar, Shankar Lane, Kandivali - West
Mumbai, Maharashtra 400067
India

Dear Heer,

Congratulations! You have been conditionally admitted to the M.S. in Quantitative Finance program at the Gabelli School of Business for the 2024 Fall term. **Admittance is conditional and contingent upon receipt of your official undergraduate transcript(s) and transcript evaluation indicating your degree has been awarded. Final grades must be consistent with your prior performance.** Additionally, you have been awarded a **Dean's Scholarship** in the amount of **$30,000** to be disbursed equally over the first two consecutive academic terms of your admitted program. Detailed scholarship information will be provided in the following weeks.

Your admission is a testament to your academic and professional accomplishments, which we are confident will make you a strong addition to the Gabelli community. It is also a reflection of our belief
in your potential for career success. In addition to offering you an immersive and challenging educational experience, our degree will prepare you to become a leader of purpose.
Your undergraduate coursework did not fulfill our pre-requisite requirements. Therefore, you must take the following course(s) during the summer:

• **Basics of Economics**
• **Accounting I**

Detailed information about the prerequisite course(s) will be provided in the following weeks. Students whose examination results do not meet the minimum standards will be required to take relevant foundation course(s) in the Fall Semester and postpone core courses to the Spring term.

Note, incoming students will need to take waiver exams in the following pre-requisite courses of Math for Quantitative Finance for 1.5 credits and Probability and Statistics for 1.5 credits. If you do not pass the exam, you will need to complete each additional course in the Fall semester.

We recognize that the decision to pursue a graduate degree requires a high level of commitment and therefore needs to be carefully considered. You will find your Reply to Offer of Admission form in your Applicant Status Page. Please fill out this electronic form as soon as you have made your decision. Once you have done so, to reserve your place in the coming term's class, you must return to the Applicant Status Page and submit the non-refundable $2000 deposit payment online via the " Enrollment Deposit" link by **April 22, 2024**. If you need additional time to make a decision and submit your Enrollment Deposit, you will need to submit the Deposit Extension form by **April 22, 2024**.

If you haven't already done so, I encourage you to visit the Gabelli School of Business prior to the start of the term. Please contact us to arrange a campus tour, class visit, or for you to meet with faculty, students and administration. If you are unable to visit, we can coordinate an alternate time for you to speak with an Office of Admissions representative or a current student.

If you have any questions, please contact us by calling (212) 636-6200 or (800) 825-4422, by e-mailing admissionsgb@fordham.edu, or by visiting: www.fordham.edu/business.

I hope that you will accept this opportunity and take advantage of the intellectually challenging and rewarding experience that Gabelli offers in one of the world's most exciting cities. I look forward to seeing you on campus.

Sincerely,

Silvia McCallister-Castillo

Dear Jyotika Jagdish,

Congratulations! I am pleased to inform you that you have been admitted as a graduate student for 2024 Fall to the Master of Science program in Computer Science and Engineering at the University of California San Diego. As a leading institution for graduate studies, UC San Diego strives to attract and retain the best and the brightest graduate students from across the country and around the world. You have been selected from an elite group of applicants and it is our sincere hope that you will elect to join our campus community.

All admitted candidates are asked to accept, defer, or decline our offer of admission by completing this decision reply form. On the form, please select your decision and click on the "Submit" button. Decision deadlines may vary depending on your admission date. Please be sure to read the deadline information that is included on the form.

Your admission is provisional, contingent on the receipt of required official documents and information. The "Pending Admissions Documents" section of your applicant portal lists the official documents needed by the Graduate Division to finalize your admission and must be submitted if you choose to accept your admission offer.

Please also review the information on the admitted student checklist (https://grad.ucsd.edu/admissions/admitted-students/do-immediately.html) and complete each step. Some of the required forms on the checklist must be completed on the "Forms" section of your portal.

If you have questions about your admission, you may contact the program to which you applied directly. Program contact information can be found at https://apply.grad.ucsd.edu/departments.

Once again, my sincere congratulations on your admission. I hope I will have the pleasure of welcoming you to UC San Diego.

Sincerely,

James Antony

Dear Manasi:

Re: University ID: 2001357497

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Human Computer Interaction MS** program beginning in **Fall 2024** on the **Bloomington campus**. The faculty are very excited at the prospect of having you in our graduate program and hope that you will accept our offer.

We know an education is an investment in your future, and our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. The Luddy School in Bloomington offers a unique combination of disciplines, where Computer Science, Data Science, Information & Library Science, Intelligent Systems Engineering, and Informatics are led jointly as one school and offers collaboration within Luddy as well as with external departments in a large research-university setting. We also are among the top international-student populations in the US, which means you'll likely engage with students from your part of the world in a safe and welcoming community.

This offer is contingent upon final approval by the Office of International Services and the Dean of the University Graduate School.

You are being admitted on the basis of self-funding. Before accepting our offer, your next step should be to identify a plan to finance your degree outside of Indiana University. Financing your academic studies may include securing loans, family funds, or scholarships close to home.

Once you have made your decision, please let us know by completing the Luddy Fall 2024 Student Decision Form at https://go.iu.edu/4eXl . Our offer **expires on April 15, 2024**.

If you have any questions or need additional information, please contact GoLuddy@iu.edu

We congratulate you on your academic achievements. We are very pleased to extend this admission into our graduate program, and we look forward to learning of your decision.

Warm regards,

Apu Kapadia, PhD
Dean of Graduate Studies

The Graduate School

1020 Main Campus Drive
Suite 2300A, Campus Box 7102
Raleigh, NC 27695

02/13/2024

Manav Gandhi (Student ID: 200601415)
Near Ganpati Mandir, 213/5743, Arun, 90 Feet Road, Ghatkopar East
Mumbai, Maharashtra 400075
India

Dear Mr. Gandhi,

The Computer Science program has recommended that you be admitted to graduate school at North Carolina State University! Our university prides itself on the excellence of its graduate programs and the diversity of its student population. NC State is ranked among the top universities in the U.S. Learn more about graduate education at NC State.

Please return to your applicant portal to view all required checklist items. The decision is not final until the Graduate School performs a review of your application materials. We must receive and approve all checklist requirements in order to continue our review of your academic record. Once approved, you will receive notification. The Graduate School will then update its records to reflect your new admissions standing:

Recommended Admission status:	Full Admission
Degree Program:	Master of Computer Science (MR) - On-Campus
Intended enrollment term:	Fall 2024

 Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a $500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term.** Note that some programs may require an earlier deadline.

If you have any questions about your program's curriculum or financial awards (including assistantships), please contact the graduate program to which you applied.

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.

Sincerely,

Peter Harries, Dean

Ms. Nidhi D. Kashyap
Flat No. 6, 2nd Floor, Plot No. 127
Prem Lane, Sher-E-Punjab, Andheri East
Mumbai, Maharashtra 400093
India

Dear Nidhi,

Congratulations! I am pleased to inform you that you have been admitted into the Master of Engineering Management Program offered by the Pratt School of Engineering at Duke University for the 2024 Fall Term. Admission to this program is very competitive and based on your application materials, we believe you will be a great fit at Duke.

The world-class faculty, resources, and alumni network at Duke will give you the support you need to learn, explore, and reach your goals. Our community of scholars is engaged in ambitious, hands-on work that produces outstanding engineers and is a benefit to society. We are excited for you to be part of it.

In order to accept and secure your position in our class, please respond to the offer of admission by completing the enrollment response form embedded in your Duke Engineering applicant portal. Your deadline to respond is **April 15, 2024**, but we encourage you to respond as soon as possible so you can prepare for enrollment and transition to Duke. We can begin the visa process immediately after you accept the offer, so we encourage you to respond early.
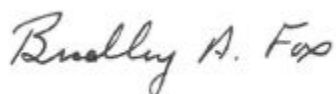

Once you have submitted your intent to accept the offer, you will be directed to submit your enrollment deposit. This is a non-refundable $600 fee that can be paid via credit card in your applicant portal. If you are planning to defer to a future term, you still need to submit your enrollment deposit first. Duke University does not accept credit or debit card payments for tuition and fees, only your application fee and enrollment deposit. Please review the Duke Payment Policy for future tuition payments.

As a newly admitted student, you can refresh your applicant portal in approximately 15 minutes to reveal the Duke Engineering Admitted Portal. The portal will allow you to explore information on next steps, upcoming admitted student events, career services and outcomes, student health and immunization requirements, and the unique student experience and resources at Duke.

It is my pleasure to congratulate you on this admittance. We look forward to welcoming you to Duke, and your participation in this graduate program. If you have any questions, please do not hesitate to contact us at pratt_masters@duke.edu.

Congratulations again!

Sincerely,

Bradley A. Fox

Bradley A. Fox, Ph.D.

ILLINOIS TECH | Graduate Admission

February 28, 2024

Priyansh Salian
B-13,Central Excise Officers Quarters, Mith Chowki, Malad West
Mumbai, Maharashtra 400064
India

Dear Priyansh,

Congratulations on your admission to the Illinois Institute of Technology! Your acceptance is the first step in becoming a member of the ever-growing professional network of Illinois Tech alumni.

Our faculty is pleased to offer you admission to the Master of Science in Computer Science Program for the Fall 2024 semester.

You are entering a selective program at a world-renowned university. Please note that your admission is contingent upon completion and submission of your conferred baccalaureate degree and, if applicable, a masters degree. Your Campus Wide ID is A20585026.

The funding below provides tuition support for your first academic year at Illinois Tech and will be disbursed as follows. Awards listed below are based on full-time graduate enrollment of 9 credit hours. Support levels may change in later academic years. Funding is intended for the program to which you were originally admitted and may be subject to additional restrictions. Contact your department for more information.

Award Name	Semester	Year	Tuition Support
Graduate Pathway Scholarship	Fall 2024	2024-2025	$3500
Graduate Pathway Scholarship	Spring 2025	2024-2025	$3500

Your Campus Wide ID is A20585026

We sincerely look forward to welcoming you to the IIT community. I personally wish you every success as you begin your graduate studies with Illinois Tech.

Sincerely,
ROSA ALVARADO, MSHE
Director of Graduate Admission
Illinois Institute of Technology

Rebanta Daadhiich
I-301,Ekta Bhoomi Gardens, Borivali (East)
Mumbai, Maharashtra 400066
India

Dear Rebanta Daadhiich:

Congratulations! It is my pleasure to offer you admission to the Johns Hopkins University Whiting School of Engineering, Engineering for Professionals program as a Master of Science student in Cybersecurity..

As a new student in the Engineering for Professionals program, you will learn from faculty who are true pioneers in their field, including experts from the Johns Hopkins Applied Physics Lab, the Homewood main campus, and industry. Whether your goal is to advance to a senior-level position or start fresh as an entrepreneur, our modern coursework will prepare you for your next steps.

To accept the offer of admission, please login to your student status page and record a response no later than one year from the date of this letter. After one year, you must email ep-admissions@jhu.edu to reapply.   Please contact Meghan Stewart, meghan.stewart@jhu.edu with any questions or for administrative assistance.

Admitted applicants who initially submitted unofficial transcripts must have their official transcripts submitted prior to registering for their first course. Transcripts are only deemed official if they are received directly from the degree granting institution or third party provider to ep-transcripts@jhu.edu. Please see this webpage for more details.

After you have accepted our offer of admission, you will receive a welcome letter, an advisor assignment, and instructions on how to proceed with the enrollment process.

Again, congratulations, and welcome to the Hopkins family.

Sincerely,

Sri Sarma
Vice Dean for Education
Whiting School of Engineering
Engineering for Professionals
Johns Hopkins University

USC University of Southern California

June 27, 2024

Shreeya Sushilkumar Halwasia
6, Alka, B Rd, 40 Marine Dr, Churchgate
Mumbai, In-Mh, 400020,
India

Dear Shreeya Sushilkumar Halwasia,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Spring 2025. Your degree objective is the Master of Science. Please include your USC ID (7238-7491-05) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy E. Brunold
Dean of Admission

Dear Vansh,

Congratulations! It is our pleasure to offer you admission to the Master of Science Engineering Management program in the College of Engineering. We are excited for you to begin your studies in the Fall 2024 term at the Boston campus.

The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to the program. We have confidence in your future success and look forward to embarking on this journey with you.

To secure your place, please visit your applicant portal to complete your enrollment form and submit your tuition deposit as indicated by **February 1, 2024**.

ABOUT THE COLLEGE OF ENGINEERING
The College of Engineering is a top-ranked, highly selective R1 research university, and we are thrilled to have you as part of our growing community. We are dedicated to studying and researching materials, processes, hardware, and software at every scale. Our wide range of disciplines integrate the values of fundamental and applied research to meet societal needs. Our multidisciplinary and experiential learning options expand your knowledge, fuel innovation, and enable you to reach your goals. If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your applicant portal.

We look forward to welcoming you to the Northeastern University community.

Sincerely,

Dr. Sagar Kamarthi
Associate Dean for Graduate Education

Mr Aayush Neeraj Vetkar
SI-UK, Suites 8-13, Indra Palace
H Block, Middle Circle, Connaught Place
New Delhi, 110001
India

Application No: 00882561

Dear Mr Vetkar

School of Arts, English and Languages

Master of Arts in Media and Broadcast Production

I refer to your application for admission as a full-time postgraduate student to the Master of Arts in Media and Broadcast Production. Your application has been considered by the selector and I am pleased to confirm that it will be possible to offer you a place commencing on Monday 16 September 2024 subject to you fulfilling the following condition(s):

Successful completion of your degree with a CGPA of 6.75 or better on a scale of 10

Verification of your qualification will be required. Please submit (1) your degree award certificate, (2) final consolidated transcript or semester marksheets and (3) official verification of award certificate and transcript for qualification(s) completed, either Digilocker verification or a formal letter from your College/University confirming the award of the qualification (in addition to 1 and 2 above)

Please note that this offer of a place does not constitute an offer of financial support, i.e. money to fund your course. Information on possible sources of funding, e.g. awards and studentships, is available on the University's website at www. qub.ac.uk/Study/PostgraduateStudy.

Tuition fees - your residence category for fees purposes is <u>International</u>. Your tuition fee for the Academic Year 2024/25 will be £21500. Please note that when an offer of a place becomes unconditional, we provide a facility for applicants to pay a deposit towards their tuition fee costs. Payment of a tuition fee deposit will normally be required before a Confirmation of Acceptance for Studies (CAS) can be issued for Visa purposes. You will be required to pay a tuition fee deposit of £6000. Further details of the deposit scheme and financial arrangements for international students are outlined in the Admissions and Access Service Guidance Notes.

Details of the admissions procedures, tuition fee payments, and support facilities for students together with useful contact details, are outlined in the Admissions and Access Service Guidance Notes. This information is also available at www. qub.ac.uk/new-students.

Replying to your offer of a place - It is essential that you let me know whether or not you wish to accept this offer, by replying online following the links through the Direct Applications Portal.

In accepting this offer, it is important that you provide details of the above examination result(s) as soon as they are known to the Admissions and Access Service. You should upload official evidence of your result(s) to the **'My Applications'** section of the Direct Applications Portal. Once you have met the condition(s) of the offer, paid a deposit, replied through the portal confirming that you wish to accept your original conditional offer of a place and completed the CAS Shield process, you will be sent the necessary information for your visa application.

In the meantime, if you need any help or advice regarding your admission, please do not hesitate to contact the Admissions and Access Service.

Yours sincerely

Cathy McEachern (Mrs)
<u>Admissions Manager (International)</u>

November 10, 2023

Vishal Pintu Banik
B/201, Building No. 10, Rohini Chs Ltd, Shastri Nagar, Goregaon(W)
Mumbai, Maharashtra 400104
India

Dear Vishal Pintu,

We are pleased to inform you that you have been admitted to the Graduate College for the Fall 2024 semester as a student in the Technology Management program. This letter is your official notice of admission.

This notice of admission is valid only for the Fall 2024 semester, requiring initial enrollment during this term.

For tuition assessment, you have been classified as International on the basis of currently available information. You have been assigned a University ID Number (UIN) and an Activation Code in order to access your student record. Please treat this ID information as confidential. Your UIN is 658857446 and your Activation Code is 73022257.

You have been admitted on Limited Status. An explanation of your status follows:

You have been admitted to the Graduate College on Limited Status because of an English deficiency. You are required to take the ESL Placement Test (EPT). This test is given by the Department of Linguistics. The results of this exam will determine whether you will be required to enroll in English as a Second Language course(s), which may reduce the number of academic courses you will be allowed to take. Please note that test results must be available before course registration is allowed. The conditions of this Limited Status admission, including passing all required English as a Second Language coursework, must be met in order for your degree to be awarded. Please contact your program office for specific information regarding this condition of admission. Information regarding the ESL Placement Test (EPT) requirement, including contact information and online registration, may be found at http://www.linguistics.illinois.edu/students/placement/.

To complete your admission, you must submit final, official academic credentials from the institution(s) below within one month of the start of the semester to the Graduate College:

- University of Mumbai

Please review our Admitted Student Final Credential Requirements for specifics on the documents needed to satisfy the conditions of your admission, as well as methods of submitting these credentials to the Graduate College. You will not be allowed to register for subsequent semesters until all required documents have been received. Please note that if you have already provided these final, official academic credentials to your department office, the department will work with the Graduate College to clear these conditions of your admission.

All students are required to complete immunization requirements and submit immunization history forms in order to enroll at Illinois. A complete list of required forms, deadlines and optional forms are available at

http://www.mckinley.illinois.edu/general/admission.htm.

Housing information is available at www.housing.illinois.edu or you may request information by e-mailing the University Housing Office at housing@illinois.edu.

We look forward to receiving your admission acceptance decision and invite you to review our Quick Guide for new student information including University IDs, passwords, e-mail and registration.

In closing, I commend you on your previous academic achievements and congratulate you on your admission to the University of Illinois at Urbana-Champaign. Best wishes for continued success in your chosen field.

Sincerely,

Wojtek J. Chodzko-Zajko
Dean, Graduate College

Dear Devaang:

I am happy to inform you of your admission to the Master of Science in Information Technology program for the Fall 2024 semester. I congratulate you on this honor and look forward to having you join the UNC Charlotte community. Let us know if you accept or decline this offer of admission by completing the Enrollment Intention form.

Note this offer of admission does not constitute an offer of financial support, and any such offer will be extended via a separate communication.

Your UNC Charlotte Student ID is 801420811, and your NinerNET username is dnadkar1. You will need the username to activate your NinerNET account at https://ninernet.uncc.edu. Using your NinerNET account, access My Charlotte at https://my.charlotte.edu to register for classes, make payment, check your UNC Charlotte email, and more.

Additionally, you should become familiar with the rules and regulations of UNC Charlotte, the Graduate School, and your graduate program. Your attention is specifically directed to the Graduate School's statement on Student Responsibility, the UNC Charlotte Code of Student Academic Integrity, and the UNC Charlotte Code of Student Responsibility. These documents are available online in the Graduate Catalog.

Please communicate with the advisor provided below to determine your academic plan of study. Your admission allows you to register for classes in the term and year to which you are admitted. If you wish to enroll in a different term, year, or program, you should reapply for admission.

Again, congratulations, I wish you every success as you begin this exciting journey.

Sincerely,

Johnna W. Watson
Associate Dean of the Graduate School

OFFICE OF GRADUATE AND PROFESSIONAL ADMISSIONS

January 2, 2024

Spruha Nimkar
706/B,Bhairavi,Doordarshan Chs,Ltd, Gokuldham,Goregaon East, Mumabi-400063
Mumbai, Maharashtra 400063
India

Applicant ID (UIN): 663826730

Dear Spruha,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Finance MS program at the University of Illinois Chicago (UIC) beginning in the Fall 2024 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Jonathan Art
Interim Dean

Dear Soham,

Congratulations! It is our pleasure to offer you admission to the Master of Science in Information Systems program in the College of Engineering. We are excited for you to begin your studies in the Fall 2024 term at the Boston campus.

The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to the program. We have confidence in your future success and look forward to embarking on this journey with you.

To secure your place, please visit your applicant portal to complete your enrollment form and submit your tuition deposit as indicated by **April 1, 2024**.

ABOUT THE COLLEGE OF ENGINEERING

The College of Engineering is a top-ranked, highly selective R1 research university, and we are thrilled to have you as part of our growing community. We are dedicated to studying and researching materials, processes, hardware, and software at every scale. Our wide range of disciplines integrate the values of fundamental and applied research to meet societal needs. Our multidisciplinary and experiential learning options expand your knowledge, fuel innovation, and enable you to reach your goals. If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your applicant portal.

We look forward to welcoming you to the Northeastern University community.

Sincerely,

Dr. Sagar Kamarthi
Associate Dean for Graduate Education

TERMS OF ACCEPTANCE

Fulfillment of any provisions or conditions of your acceptance are required along with compliance with all applicable local, state, and federal laws to complete your enrollment.

Please note that if you have made misleading, incomplete, or inaccurate statements, submitted false material in connection with your application, or have been found to have engaged in academic or personal conduct that is inconsistent with the Academic Integrity Policy or Code of Student Conduct, Northeastern University will take appropriate action, which could include rescinding your offer of admission or revoking your degree. You are expected to inform Northeastern of any past or present conduct that is inconsistent with these standards.

VISIT YOUR APPLICANT PORTAL

Visit your applicant portal to find important information on the enrollment process and the next steps to take before your program begins.

USC University of
Southern California

February 21, 2024

Nishant Dilip Sadikale

Thane-401107, Maharashtra
Thane, In-Mh, 401107,
India

Dear Nishant Sadikale,

Congratulations on your admission to graduate study at the University of Southern
California. Your academic records indicate that you will make a significant contribution
to academic life at the university.

You have been admitted as a graduate student in Engineering Management within the Andrew
and Erna Viterbi School of Engineering for Fall 2024. Your degree objective is the
Master of Science. Please include your USC ID (1936-3436-10) whenever you correspond
with the university. This admission is offered subject to your maintaining your present
level of academic achievement. If you have not already done so, you must provide proof of
satisfactory completion of any studies in progress, and submit final academic records
from each institution you have attended. Important information about placement exams and
orientation will be sent to you by e-mail. While enrolled at USC, you are expected to
maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that
any courses taken outside of those specified for your degree program in the USC Catalogue
require advance approval from your department. Change of major requests may be submitted
only after completion of your first semester. Please carefully review the Continuing
Registration Requirement information which lists all the requirements you must meet
within your first term(s) of USC enrollment to continue in your degree program. You must
meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which
includes specific information about registration and enrollment. You will also find a
link to the portal at you.usc.edu when you click on the Statement of Intent button.
Please submit the Statement of Intent: Graduate Studies form whether or not you decide to
enroll at USC. Certifying your USC enrollment will allow you to create your university e-
mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look
forward to seeing you on campus!

Sincerely,

Timothy L. Brunold
Dean of Admission

USC University of Southern California

University of Southern California
February 21, 2024

Nishant Dilip Sadikale
USC ID: 1936-3436-10

TERM: Fall 2024
MAJOR: Engineering Management
DEGREE: Master of Science
SCHOOL: Andrew and Erna Viterbi School of Engineering

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.ierf.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

School of Engineering & Applied Science

THE GEORGE WASHINGTON UNIVERSITY

September 25, 2024

Student Identification Number (GWID): G43777777

Dear Harshit Amar Chhajed

This letter supersedes all previously dated letters.

Congratulations! You have been admitted to the M.S. in Engineering Management in the Department of Engineering Management and Systems Engineering at the George Washington University's School of Engineering and Applied Science.

You have an impressive record of accomplishments that clearly show you are capable of superior work in a rigorous graduate program. In addition to being culturally rich and diverse, the Washington, DC region is also one of the largest technology centers in the United States. Your studies here will provide you with a wealth of opportunities and exposure to cutting-edge research and technology.

Our records indicate that you have accepted the offer of admission and will be enrolling in the Spring 2025 semester. Please visit this page for the next steps you should take as an admitted student and consult the George Washington University Bulletin for general rules and regulations regarding your program. If you would like to defer your admission to a future semester, please complete this form to request a deferral.

Unfortunately, no assistantships or fellowships are available to you at this time.

You must submit official transcripts to the Office of Graduate Admissions upon your

arrival to the university. Please [click here](#) to review our official transcript policy.

We look forward to having you join our student body. On behalf of the faculty and staff, welcome to the GW community!

Sincerely,

Dr. Ekundayo Shittu
Professor and Chair

Other Important Information:

Your Area of Focus is Economics-Finance-and Cost Engineering.

Students with disabilities are encouraged to contact the University's [Disability Support Services](#) prior to or upon admission; there is no automatic referral from Admissions or other GW offices. Eligibility may be established at any time; however, students are expected to disclose their needs in a timely manner. The University has no legal obligation to recognize any student as having a disability, nor provide accommodations, until that student has established eligibility with this office.

Rushi Ashokbhai Savani
A-603 Nilesh Apt., Haridas Nagar, Shimpoli Road, Borivali West, Mumbai - 400092
Mumbai, Maharashtra 400092
India

Dear Rushi Ashokbhai,

Congratulations on your admission to the Master's program in Information Systems in the School of Information Studies at Syracuse University for Fall 2024 semester! It is a pleasure to recognize your excellent academic achievements.

I am also pleased to inform you that you have been awarded a 10% tuition scholarship through the completion of your program. This merit-based award reflects the University's confidence in your scholarly accomplishments and potential. Congratulations!

To officially accept our offer of admission, please access the [Admitted Student Portal](), complete the Admission Acceptance Form and pay a Non-refundable Enrollment Deposit of $500.00.

We are confident that Syracuse University will provide an excellent environment for you to pursue your academic and personal goals. Our institution is recognized for its world-class faculty, cutting-edge research opportunities, and diverse student body. We believe that your unique talents, skills, and perspectives align well with our institutional values and aspirations and will contribute significantly to the vibrant intellectual discourse and collaborative atmosphere that define Syracuse University.

If you have questions or require further information about the program you've been admitted to, I encourage you to reach out directly to the program.

Once again, congratulations on your admission to Syracuse University!

Sincerely,

Peter Vanable
Dean of the Graduate School

RUTGERS

AADITYA NITIN
CHINCHKHEDKAR

STUDENT

March 19, 2024

Aditi Patil
A-1/1104, Iris Bldg, Mohan Pride
Wayle Nagar, Khadakpada, Kalyan West-421301
Kalyan, Maharashtra 421301
India

Dear Aditi,

We are pleased to inform you that you have been admitted to the Graduate College for the Fall 2024 semester as a student in the Information Management-MS program. This letter is your official notice of admission.

This notice of admission is valid only for the Fall 2024 semester, requiring initial enrollment during this term.

For tuition assessment, you have been classified as International on the basis of currently available information. You have been assigned a University ID Number (UIN) and an Activation Code in order to access your student record. Please treat this ID information as confidential. Your UIN is 660136760

You have been admitted on Limited Status. An explanation of your status follows:

You have been admitted to the Graduate College on Limited Status because of an English deficiency. You are required to take the ESL Placement Test (EPT). This test is given by the Department of Linguistics. The results of this exam will determine whether you will be required to enroll in English as a Second Language course(s), which may reduce the number of academic courses you will be allowed to take. Please note that test results must be available before course registration is allowed. The conditions of this Limited Status admission, including passing all required English as a Second Language coursework, must be met in order for your degree to be awarded. Please contact your program office for specific information regarding this condition of admission. Information regarding the ESL Placement Test (EPT) requirement, including contact information and online registration, may be found at http://www.linguistics.illinois.edu/students/placement/.

To complete your admission, you must submit final, official academic credentials from the institution(s) below within one month of the start of the semester to the Graduate College:

- University of Mumbai

Please review our Admitted Student Final Credential Requirements for specifics on the documents needed to satisfy the conditions of your admission, as well as methods of submitting these credentials to the Graduate College. You will not be allowed to register for subsequent semesters until all required documents have been received. Please note that if you have already provided these final, official academic credentials to your department office, the department will work with the Graduate College to clear these conditions of your admission.

All students are required to complete immunization requirements and submit immunization history forms in

order to enroll at Illinois. A complete list of required forms, deadlines and optional forms are available at http://www.mckinley.illinois.edu/general/admission.htm.

Housing information is available at www.housing.illinois.edu or you may request information by e-mailing the University Housing Office at housing@illinois.edu.

We look forward to receiving your admission acceptance decision and invite you to review our Quick Guide for new student information including University IDs, passwords, e-mail and registration.

In closing, I commend you on your previous academic achievements and congratulate you on your admission to the University of Illinois at Urbana-Champaign. Best wishes for continued success in your chosen field.

Sincerely,

Wojtek J. Chodzko-Zajko
Dean, Graduate College

Dear Principal,
Dr. G.T. Thampi,
Thadomal Shahani Engineering College

Subject: Admission Confirmation for MS in CS at UIC (University of Illinois Chicago)

This letter confirms my admission to the Master of Science in Computer Science program at the University of Illinois at Chicago. I have attached my admit letter and all relevant scorecards for your reference.

Thank you.

Sincerely,
92_IT_Archit_Rathod

UIC UNIVERSITY OF ILLINOIS CHICAGO

OFFICE OF GRADUATE AND PROFESSIONAL ADMISSIONS

March 19, 2024

Archit Rathod
103, B Wing, Shiv Ratan, Hardevi Soc., Station Road, Jogeshwari East
Mumbai, Maharashtra 400060
India

Applicant ID (UIN): 669110042

Dear Archit,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois Chicago (UIC) beginning in the Fall 2024 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Jonathan Art
Interim Dean
UIC Graduate College

About Your *GRE*® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE*® *Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Archit V. Rathod

Date of Birth: June 17, 2002

Registration Number: 2161902
Print Date: March 18, 2024

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html .

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

OFFICE OF GRADUATE AND PROFESSIONAL ADMISSIONS

March 18, 2024

Mokshit Bharat Surana
C-310, Pratap Apartment, Carter Road No. 3, Borivali East
Mumbai, Maharashtra 400066
India

Applicant ID (UIN): 662166163

Dear Mokshit Bharat,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois Chicago (UIC) beginning in the Fall 2024 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Jonathan Art
Interim Dean
UIC Graduate College

Dear Bhavin Sunil,

Congratulations! It is our pleasure to offer you admission to the Master of Science Information Systems program in the College of Engineering. We are excited for you to begin your studies in the Fall 2024 term at the Boston campus.

The Admissions Committee was impressed with your academic and personal achievements and believes you will make an excellent contribution to the program. We have confidence in your future success and look forward to embarking on this journey with you.

To secure your place, please visit your applicant portal to complete your enrollment form and submit your tuition deposit as indicated by **May 1, 2024**.

ABOUT THE COLLEGE OF ENGINEERING
The College of Engineering is a top-ranked, highly selective R1 research university, and we are thrilled to have you as part of our growing community. We are dedicated to studying and researching materials, processes, hardware, and software at every scale. Our wide range of disciplines integrate the values of fundamental and applied research to meet societal needs. Our multidisciplinary and experiential learning options expand your knowledge, fuel innovation, and enable you to reach your goals. If you have questions regarding this admission offer, registration, curriculum, or other aspects of your enrollment, we are here to help. You will find our direct contact information listed on your applicant portal.

We look forward to welcoming you to the Northeastern University community.

Sincerely,

Dr. Sagar Kamarthi
Associate Dean for Graduate Education

Mumbai, Maharashtra 400067
India

Dear Ishika Khokhani,

On behalf of the Graduate School of Virginia Tech, I am pleased to inform you that based upon the recommendation of the Computer Science & Applications faculty, we can offer you admission to the Master of Engineering in Computer Science & Applications program for Fall 2024 at the National Capital Region (D.C.) campus. Congratulations!

If you have not already done so, please provide an official final transcript(s) indicating that prior degree work has been completed and any applicable official test scores prior to enrollment. You may have your prior institution send the final official transcript electronically to grads@vt.edu or by postal mail to: Graduate Admissions | 155 Otey Street | 120 Graduate Life Center | Blacksburg, VA 24061-0325. Please contact your academic department for further information regarding your admission, including any necessary prerequisites.

At Virginia Tech, we are committed to providing you with a quality graduate education that is intellectually stimulating and professionally focused. We believe in building a strong graduate community. During your graduate study at Virginia Tech, you will have many opportunities to participate in both academic and social activities. I look forward to welcoming you individually to the Virginia Tech graduate student community. Please let us know if you will accept our offer of admission by completing the Offer of Admission Reply form found on your student portal page.

As you prepare for your studies at Virginia Tech, I encourage you to review our comprehensive online New Student Guide.

I know that financial assistance is of concern to most graduate students. It is important that you contact your department directly regarding assistantships and other funding questions.

To access VT information and services, you will need a Personal Identifier (PID). Your PID and password grant access to e-mail, online course materials (Canvas), Hokie SPA (course registration), My VT (portal system), the university library databases, and more. The Graduate School and many departments communicate with you via your Virginia Tech email account that is accessed with your PID. Please promptly create your PID. Your student identification number, needed to create a PID, is: 906670142. Please allow 24 hours for our systems to update before creating your PID.

Residence status for tuition purposes is initially determined at the time of your admission application submission. Your residence status has been determined to be Out of State. If you believe your residence status is inaccurate, please contact the Graduate School immediately. It is your responsibility to ensure your tuition billing is accurate each semester.

We want to share some additional information with you regarding immunization and health

insurance.

1. All enrolled students must meet state immunization requirements. Visit the [Schiffert Health Center website](#) for details and a downloadable immunization history form that must be completed one month prior to arrival at Virginia Tech.
2. Virginia Tech offers a health insurance plan that can be purchased by students who are enrolled full-time. Please visit the [Health Insurance website](#) for information detailing plans available through a discounted rate negotiated by Virginia Tech.

All international students are required to purchase health and accident insurance. Students choosing an insurance plan other than the university sponsored plan must present a completed and signed/certified Alternative Insurance Waiver Form to the Student Medical Insurance Office in 110 Student Services Building before they can enroll in classes.

Visa eligibility documents will not be mailed to you until you complete all requirements as outlined on our websites for:
  [Blacksburg students](#)
  [National Capital Region students](#)
  [Exchange students](#)

Once again, it is my pleasure to welcome you to Virginia Tech!

Sincerely,

Aimée M. Surprenant, Ph.D.
Dean for Graduate Education, Virginia Tech

Dear Yash Shah:

I am pleased to inform you that you have been accepted for graduate study at the University of Massachusetts Amherst. This acceptance is in the Master of Science in Engineering Management in the Department of Mechanical and Industrial Engineering. Congratulations!

You have been accepted for the Fall 2024 semester. Unless your academic department agrees to postpone your enrollment, admission for any other semester would require a new application. This admission is contingent on fulfillment of the following conditions:

- **Submission of your bachelor's diploma or degree certificate.** This must be sent directly to us by the institution in a sealed envelope with the institutional seal/signature across the back flap. If the document is given to you to forward to UMass, you may mail, or hand deliver it to us in the sealed institutional envelope with the institutional seal/signature across the back flap.

We encourage you to accept this offer of admission or withdraw your application. Inform the Graduate School of your enrollment plans. It is important that you log in and select one of these options to inform us of your decision.

For further information about the University of Massachusetts Amherst please visit our website at www.umass.edu/graduate

With best wishes,

Jacqueline Urla
Dean of the Graduate School

Yash R. Shah

Most Recent Test Date: October 27, 2023

Date of Birth: October 3, 2002

Registration Number: 2474287
Print Date: March 12, 2024

About Your *GRE*® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE*® *Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html .

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Ms. Nidhi Santosh Sankhe
nidhi.task@gmail.com

Dear Ms. Nidhi Santosh Sankhe:

Congratulations!

We are pleased to inform you that the Graduate Admissions Committee for the Department of Computer Science has favorably reviewed your application for admissions, and you have been granted admission to the Computer Science - Professional MS program at the University of Colorado, Boulder beginning Fall 2024. Your official start date is August 26, 2024. International students are recommended to arrive at least two weeks before classes start.

Academics

The Graduate School allows FOUR years to complete the master's degree requirements, however, our students typically take two to two and a half years to complete the degree requirements. The academic program is generally organized across 2 years. Details about the curriculum, requirements, and structure of the program can be found HERE. Please feel free to consult with Graduate Program Advisors by emailing gradadms@colorad.edu concerning matters related to your graduate studies here. Upon arrival in Boulder, please make sure to meet with your advisor, and work with them to fill out the MSCPS Plan of Study and submit it by the end of your first year.

Costs

Student Tuition

Each year students must pay tuition based on the number of credits they are enrolled in, in any given semester. Tuition rates are based on the degree program and option you are admitted to and on your Colorado residency status. Please check details about the tuition at the bursar's WEBSITE as follows:

As a Professional MS student (course-based MS), please check the Professional Master's in Engineering Rate Sheet based on your in-state or out-of-state residency status. International students should check out-of-state rates.

 For tuition classification purposes you are considered a Non Resident.

Student Fees

Each year you will be responsible for paying out-of-pocket costs for a number of student fees, such as capital construction, recreation center, and bike program, student computing, athletic fee, mental health resource fee, career services fee, arts and cultural enrichment fee, student information system fee, Wardenburg additional campus care plan, and grad fee, which totals to approximately $806.29 per semester (based on AY 23-24 rates) for students taking 7 or more credits. There is also a one-

time new student fee of $62.00 for all students and an additional fee for international students. These fees provide you access to a variety of amenities on campus, including an unlimited use of the Recreation Center, resources through the Career Services Office, and much more. A tuition and fees estimator, as well a list of all due dates can be found on the Bursar's Office website.
Health Insurance

The standard insurance, CU Student Gold Health Insurance Plan, available for graduate students typically costs $2,311.00 per term (based on past year's rates). Please know as a student at the University you are REQUIRED to get health insurance.

FUNDING
Our departmental funding (TA/RA) is mainly reserved for our PhD students who are admitted with a funding commitment. For that reason, our master's admissions do not include any departmental funding, scholarships or fellowships.

As a CU Boulder student, you will join a community of faculty, staff and students committed to outstanding scholarly achievement, diversity and collaborative research that will prepare you to be a leader in your field.

Acceptance of Offer of Admission

Because of our policy of limited admission, we would appreciate a response from you, by confirming your intent to enroll on the application status page by April 30, 2024. However, please be aware that Fall 2024 class enrollment begins on April 22, 2024 and since CS classes are very popular, it will be to your advantage to confirm your intent to enroll before enrollments begin to ensure class enrollment. Please note that your intent to enroll is only confirmed after you have paid the enrollment deposit.

On your status page you will find a link with information regarding next steps needed to confirm your admission. If you have any questions about these requirements please contact the international admissions office by emailing intlgrad@colorado.edu. Once all visa requirements have been submitted and reviewed, you will be able to confirm your intent to enroll and pay the $200 confirmation deposit on your application status page. Please note that forms such as the I-20 document will be issued through International Admissions. It can take up to six weeks to receive the letter and documents if your letter is being mailed to an address outside of the U.S. Once you confirm your intent to enroll and pay the $200 confirmation deposit, you will receive more information about orientation meetings and workshops, registration, housing in the Boulder area, etc. We also invite you to visit our Admitted Students page.

On behalf of our faculty, we congratulate you on your promising academic record. We sincerely hope that you decide to join us at the University of Colorado, and we wish you the best of success in your continued professional development. Our program, faculty, and students are outstanding, and we think you will find that the University of Colorado provides an exciting environment for your graduate work. If you have any questions concerning your admission, or any other aspect of the graduate program, please do not hesitate to contact your academic advisor mentioned above. We very much hope you will accept our offer of admission to the University of Colorado Boulder and look forward to your joining our department next fall!

Sincerely,

Associate Professor Majid Zamani
Associate Chair for Graduate Education
Department of Computer Science

Associate Professor Evan Chang

USC University of
Southern California

February 23, 2024

Bhagyashree Pravin Patil
603, Anupam Chs, Tejpal Scheme Rd No 3/4
Opp Union Bank Vile Parle East
Mumbai, In-Mh, 400057,
India

Dear Bhagyashree Pravin Patil,

Congratulations on your admission to graduate study at the University of Southern
California. Your academic records indicate that you will make a significant contribution
to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and
Erna Viterbi School of Engineering for Fall 2024. Your degree objective is the Master of
Science. Please include your USC ID (8736-8642-82) whenever you correspond with the
university. This admission is offered subject to your maintaining your present level of
academic achievement. If you have not already done so, you must provide proof of
satisfactory completion of any studies in progress, and submit final academic records
from each institution you have attended. Important information about placement exams and
orientation will be sent to you by e-mail. While enrolled at USC, you are expected to
maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that
any courses taken outside of those specified for your degree program in the USC Catalogue
require advance approval from your department. Change of major requests may be submitted
only after completion of your first semester. Please carefully review the Continuing
Registration Requirement information which lists all the requirements you must meet
within your first term(s) of USC enrollment to continue in your degree program. You must
meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which
includes specific information about registration and enrollment. You will also find a
link to the portal at you.usc.edu when you click on the Statement of Intent button.
Please submit the Statement of Intent: Graduate Studies form whether or not you decide to
enroll at USC. Certifying your USC enrollment will allow you to create your university e-
mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look
forward to seeing you on campus!

Sincerely,

Timothy L. Brunold
Dean of Admission

USC University of Southern California

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.ierf.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

THE UNIVERSITY OF ARIZONA
Graduate College

CERTIFICATE OF GRADUATE ADMISSION

2024-03-04

Juhi Jayesh Nathani
910 Hakoba Building
Odhavanagar Near Shantivan
Mumbai, MH 400066
India

Major: Management Information Systems
Degree: MS
Option: Full Time
Status: Subject To
Term: Fall 2024

Congratulations on your admission to the Graduate College and welcome to the University of Arizona! This Certificate of Admission is your official notification of acceptance and admission into the graduate program and term listed above. If you are unable to enroll for the term listed above, please notify the program to which you have been admitted as soon as possible.

Please accept your admission in the GradApp Next Steps box. I hope you will choose the University of Arizona to pursue your graduate studies.

Your admission status indicates "**Subject To**"; please note you must submit the final official documents listed below **within 30 days after the first day of classes**. If you are currently pursuing a degree, *we require your final official transcript with the degree posted*. Failure to submit these documents may impact the disbursement of fellowship or scholarship funds and will prohibit you from registering for *future* semesters. Official electronic transcripts received directly from the institution or clearinghouse may be sent to transcripts@grad.arizona.edu or mail documents to: University of Arizona, Graduate Admissions, Administration Building, Rm 322, PO Box 210066, Tucson, AZ 85721-0066.

Your admission notification email contains your Student Identification number (SID), and your Personal Identification Number (PIN) is listed below. These two numbers are needed to create your UA NetID which is vital to accessing registration and other University of Arizona resources.

My congratulations once again for your successful admission. I look forward to you joining us for an exciting and life-changing educational experience.

Kirsten Limesand, PhD
Vice Provost for Graduate Education and Dean of the Graduate College

About Your *GRE*® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE*® *Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Juhi J. Nathani

Most Recent Test Date: July 11, 2023

Date of Birth: July 25, 2002

Registration Number: 2128434
Print Date: November 28, 2023

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html .

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

About Your *GRE*® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE*® *Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)
A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service
For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html .

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

ILLINOIS TECH | Graduate Admission

March 12, 2024

Ram Bhutada
Kasturi Building, Narsing Road, Gawali Pura
Akot, Maharashtra 444101
India

Dear Ram,

Congratulations on your admission to the Illinois Institute of Technology! Your acceptance is the first step in becoming a member of the ever-growing professional network of Illinois Tech alumni.

Our faculty is pleased to offer you admission to the Master of Science in Finance Program for the Fall 2024 semester.

You are entering a selective program at a world-renowned university. Please note that your admission is contingent upon completion and submission of your conferred baccalaureate degree and, if applicable, a masters degree. Your Campus Wide ID is A20588581.

Based on the section scores of your English language test, you are required to take an English assessment upon arrival. The exam will determine which English course(s) you must enroll, if any. Please see your App Tracker for more information.

The funding below provides tuition support for your first academic year at Illinois Tech and will be disbursed as follows. Awards listed below are based on full-time graduate enrollment of 9 credit hours. Support levels may change in later academic years. Funding is intended for the program to which you were originally admitted and may be subject to additional restrictions. Contact your department for more information.

Award Name	Semester	Year	Tuition Support
Stuart School Deans Scholarship	Fall 2024	2024-2025	$3500
Stuart School Deans Scholarship	Spring 2025	2024-2025	$3500
Stuart School Deans Scholarship	Fall 2025	2025-2026	$3500
Stuart School Deans Scholarship	Spring 2026	2025-2026	$3500

Your Campus Wide ID is A20588581

We sincerely look forward to welcoming you to the IIT community. I personally wish you every success as you begin your graduate studies with Illinois Tech.

Sincerely,

ROSA ALVARADO, MSHE
Director of Graduate Admission

Dear Mr. Joshi,

The Computer Science program has recommended that you be admitted to graduate school at North Carolina State University! Our university prides itself on the excellence of its graduate programs and the diversity of its student population. NC State is ranked among the top universities in the U.S. Learn more about graduate education at NC State.

Please return to your applicant portal to view all required checklist items. The decision is not final until the Graduate School performs a review of your application materials. We must receive and approve all checklist requirements in order to continue our review of your academic record. Once approved, you will receive notification. The Graduate School will then update its records to reflect your new admissions standing:

Recommended Admission status: Full Admission
Degree Program: Master of Computer Science (MR) - On-Campus
Intended enrollment term: Fall 2024

Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a $500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term.** Note that some programs may require an earlier deadline.

If you have any questions about your program's curriculum or financial awards (including assistantships), please contact the graduate program to which you applied.

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.

Sincerely,

Peter Harries, Dean

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Noynicaa Deepak Santani
29-B Navalkar Building, Flat No. 31, J.S.S Road, Opera House
Mumbai, Maharashtra 400004
India

Dear Noynicaa Santani:

I am pleased to inform you that you have been accepted for graduate study at the University of Massachusetts Amherst. This acceptance is in the Master of Science in Engineering Management in the Department of Mechanical and Industrial Engineering. Congratulations!

You have been accepted for the Fall 2024 semester. Unless your academic department agrees to postpone your enrollment, admission for any other semester would require a new application. This admission is contingent on fulfillment of the following conditions:

- **Submission of your bachelor's diploma or degree certificate.** This must be sent directly to us by the institution in a sealed envelope with the institutional seal/signature across the back flap. If the document is given to you to forward to UMass, you may mail, or hand deliver it to us in the sealed institutional envelope with the institutional seal/signature across the back flap.

We encourage you to accept this offer of admission or withdraw your application. Inform the Graduate School of your enrollment plans. It is important that you log in and select one of these options to inform us of your decision.

For further information about the University of Massachusetts Amherst please visit our website at www.umass.edu/graduate

With best wishes,

Jacqueline Urla
Dean of the Graduate School
